

TABLE OF CONTENTS

PART I – THE SCHEDULE	8
SECTION A – SOLICITATION/CONTRACT FORM.....	8
A.1. NOTICES TO OFFERORS	8
A.1.1. Pool 2 On-Ramp	8
A.1.2. Solicitation Notice	8
PART I – THE SCHEDULE	10
SECTION B – SUPPLIES OR SERVICES AND PRICES/COSTS	10
B.1. BACKGROUND	10
B.1.1. Authority	10
B.1.2. Economy Act	10
B.1.3. Contract Type	10
B.1.4. Minimum Guarantee and Maximum Ceiling	11
B.1.5. Contract Access Fee (CAF)	11
B.2. TASK ORDER PRICING	11
B.2.1. Standardized Labor Categories	11
B.2.2. Fixed Price Task Orders	12
B.2.3. Cost Reimbursement Task Orders	12
B.2.4. Incentive Task Orders	12
B.2.5. T&M and L-H Task Orders	13
B.2.5.1. Ceiling Rates for T&M and L-H Task Orders	13
B.3. ANCILLARY SUPPORT	14
B.3.1. Specialized Professional Services Labor	14
B.3.2. Construction Wage Rate Requirements	14
B.3.3. Service Contract Labor Standards	14
B.3.4. Labor outside the Continental United States (OCONUS)	15
B.3.5. Travel	15
B.3.6. Materials and Equipment	15
B.3.7. Subcontracting	15
SECTION C - DESCRIPTION / SPECIFICATIONS / STATEMENT OF WORK.....	16
C.1. OBJECTIVE	16
C.2. SCOPE	16
C.2.1. Mission Spaces	16
C.2.1.1. Protection and Defense	16
C.2.1.2. Quality of Life	17
C.2.1.3. Commerce	17
C.2.1.4. Natural Resources	17
C.2.1.5. Other	17
C.2.2. Core Disciplines	18
C.2.2.1. Program Management Services	18
C.2.2.2. Management Consulting Services	19
C.2.2.3. Scientific Services	20
C.2.2.4. Engineering Services	20
C.2.2.5. Logistics Services	21
C.2.2.6. Financial Management Services	22
C.3. INFORMATION TECHNOLOGY AND NON-INFORMATION TECHNOLOGY	22

C.4.	ANCILLARY SUPPORT SERVICES.....	23
C.4.1.	Ancillary Support Services for Information Technology	23
C. 5.	SERVICES NOT IN SCOPE	23
SECTION D - PACKAGING AND MARKING		24
D.1.	PACKAGING AND MARKING	24
SECTION E - INSPECTION AND ACCEPTANCE		24
E.1.	INSPECTION AND ACCEPTANCE	24
SECTION F - DELIVERIES OR PERFORMANCE.....		25
F.1.	DELIVERIES OR PERFORMANCE CLAUSES	25
F.2.	PLACE OF PERFORMANCE	25
F.3.	ORDERING PERIOD	25
F.4.	PERFORMANCE STANDARDS	25
F.4.1.	Deliverable and Reporting Requirements	26
F.4.2.	Compliances	28
SECTION G - CONTRACT ADMINISTRATION DATA		30
G.1.	BACKGROUND	30
G.2.	ROLES AND RESPONSIBILITIES OF KEY PERSONNEL	30
G.2.1.	Program Manager (PM)	30
G.2.2.	Contracting Officer (CO)	30
G.2.3.	Ombudsman	30
G.2.4.	Industrial Operations Analyst (IOA).....	30
G.2.5.	Ordering Contracting Officer (OCO).....	30
G.2.5.1.	Contracting Officer's Representative (COR)	31
G.2.6.	Contractor Key Personnel	31
G.2.6.1.	Corporate OASIS SB Program Manager (COPM).....	32
G.2.6.2.	Corporate OASIS SB Contract Manager (COCM).....	32
G.3.	CONTRACTOR ADMINISTRATION REQUIREMENTS	33
G.3.1.	Contract Access Fee (CAF)	33
G.3.2.	Contractor Payment Reporting Module (CPRM).....	33
G.3.2.1.	Task Order Award Data	33
G.3.2.1.1.	T&M/Labor Hour Award Data	34
G.3.2.1.2.	Fixed Price Award Data	34
G.3.2.1.3.	Cost Reimbursement Award Data	34
G.3.2.1.4.	Limitations on Subcontracting Reporting Data	35
G.3.2.2.	Task Order Modification Data	35
G.3.2.3.	Invoice Data	36
G.3.2.4.	CAF Payment Data	36
G.3.2.5.	Closeout Data	37
G.3.3.	Subcontracting Plan	37
G.3.4.	Past Performance	37
G.3.4.1.	Contractor Self-Assessment.....	38
G.3.4.2.	Task Order CPARS	38
G.3.5.	Insurance	38
G.3.6.	Mergers, Acquisitions, Novations, and Change-Of-Name Agreements	39
G.3.7.	Responsibility and FAPIIS	39
G.3.8.	VETS-4212 Reports	39
G.3.9.	FSRS Reports	40
G.3.10.	Post Award Small Business Program Re-Representation	40

G.4.	OASIS SB AND TASK ORDER CLOSE-OUTS	41
G.5.	OPTION DETERMINATION.....	41

SECTION H - SPECIAL CONTRACT REQUIREMENTS..... 42

PART I – THE SCHEDULE

SECTION A – SOLICITATION/CONTRACT FORM

A.1. NOTICES TO OFFERORS

A.1.1. Pool 2 On-Ramp

- (a) OASIS Small Business (SB) was originally solicited under solicitation number GS00Q-13-DR-0002 through Amendment No. 11. Original awards were made and a notice to proceed on those contracts was issued in June 2014.
- (b) This solicitation is a re-opening of solicitation GS00Q-13-DR-0002 in order to conduct an open season on-ramp in accordance with Section H.15.3 of the original solicitation.
- (c) This open season on-ramp is specific to Pool 2 only. The original intent was to award 40 contractors in Pool 2; however, there are only 9 contract awardees in Pool 2. This procurement action intends to add 31 more multiple award contractors to the existing OASIS SB Pool 2.
- (d) Any pre-award protest of this solicitation shall be considered untimely as this is a continuation of solicitation GS00Q-13-DR-0002 and not a new procurement. The terms and conditions and evaluation factors of these contracts was established in solicitation GS00Q-13-DR-0002. The award decision for this open season on-ramp is based upon substantially the same evaluation factors/sub-factors as the original solicitation.

A.1.2. Solicitation Notice

- (a) This is a draft solicitation. This draft solicitation is issued for the purpose of exchanging information to improve the understanding of Government requirements and industry capabilities, thereby allowing potential offerors to judge whether or how they can satisfy the Government's requirements, and enhancing the Government's ability to obtain quality services, and to increase efficiency in proposal preparation, proposal evaluation, and contract award.
- (b) The final solicitation will be marked FINAL in the heading and will be posted to Federal Business Opportunities located at <https://www.fbo.gov>. Any amendment(s) to the FINAL solicitation will also be posted to <https://www.fbo.gov>.
- (c) This solicitation is a Total Small Business Set-Aside under OASIS SB Pool 2 with the ability to do Socio-Economic Set-Asides at the Task Order level. This solicitation Small Business Size Standard is \$20.5 Million and covers the following North American Industry Classification System (NAICS) code industries:
 - 1. **541720 - Research and Development in the Social Sciences and Humanities**
This industry comprises establishments primarily engaged in conducting research and analyses in cognitive development, sociology, psychology, language, behavior, economic, and other social science and humanities research.
 - 2. **541211 Offices of Certified Public Accountants**
This U.S. industry comprises establishments of accountants that are certified to audit the accounting records of public and private organizations and to attest to compliance with generally accepted accounting practices. Offices of certified public accountants (CPAs) may provide one or more of the following accounting services: (1) auditing financial statements; (2) designing accounting systems; (3) preparing financial statements; (4) developing budgets; and (5) providing advice on matters related to accounting. These establishments may also provide related services, such as bookkeeping, tax return preparation, and payroll processing.

3. 541213 Tax Preparation Services

This U.S. industry comprises establishments (except offices of CPAs) engaged in providing tax return preparation services without also providing accounting, bookkeeping, billing, or payroll processing services. Basic knowledge of tax law and filing requirements is required.

4. 541214 Payroll Services

This U.S. industry comprises establishments (except offices of CPAs) engaged in the following without also providing accounting, bookkeeping, or billing services: (1) collecting information on hours worked, pay rates, deductions, and other payroll-related data from their clients; and (2) using that information to generate paychecks, payroll reports, and tax filings. These establishments may use data processing and tabulating techniques as part of providing their services.

5. 541219 Other Accounting Services

This U.S. industry comprises establishments (except offices of CPAs) engaged in providing accounting services (except tax return preparation services only or payroll services only). These establishments may also provide tax return preparation or payroll services. Accountant (except CPA) offices, bookkeeper offices, and billing offices are included in this industry.

- (d) The Standard Form (33) form, Solicitation, Offer and Award, posted as page 1 of this solicitation, is located in <https://www.fbo.gov>. The Offeror shall fill out blocks 12 through blocks 18 accordingly as an official legal entity in accordance with Section L.3.1. and Prime Contractor in accordance with Section L.5.
- (e) The Government may reject any proposal that is incomplete or does not comply with the instructions for Section's J, K, L and/or M of this solicitation.

PART I – THE SCHEDULE

SECTION B – SUPPLIES OR SERVICES AND PRICES/COSTS

B.1. BACKGROUND

One Acquisition Solution for Integrated Services – Small Business (OASIS SB) is designed to address agencies' need for a full range of service requirements that integrate multiple professional service disciplines and ancillary services/products with the flexibility for all contract types and pricing at the task order level.

OASIS SB is a family of 7 separate Government-wide Multiple Award, Indefinite Delivery, Indefinite Quantity (MA-IDIQ) task order contracts that span 28 North American Industry Classification System (NAICS) Codes and 6 NAICS Code Exceptions under the economic subsector 541, Professional, Scientific, and Technical Services.

Throughout this document, these contracts will collectively be referred to as a single contract called "OASIS SB". Each of the 7 separate MA-IDIQ task order contracts will be individually referred to as "Pools" within OASIS SB.

The services to be provided under OASIS SB are intended to meet the professional service mission requirements of all Federal agencies, including all organizations within the Department of Defense (DoD) and National Security Community.

The scope of professional services under OASIS SB is defined in Section C.

B.1.1. Authority

The Administrator of the U.S. General Services Administration (GSA) is specifically authorized to purchase supplies and non-personal services on behalf of other agencies under the Federal Property and Administrative Services Act (40 U.S.C. 501).

The authority for the award and administration of OASIS SB and the delegation of authority for the award and administration of task orders under OASIS SB are defined in Section G.

Hereafter, the "OASIS SB Contracting Officer" will be referred to as the "OASIS SB CO" and the "Ordering Contracting Officer" at the task order level will be referred to as the "OCO".

B.1.2. Economy Act

In accordance with FAR 17.502-2(b), the Economy Act does not apply to task orders awarded under OASIS SB under the authority of 40 U.S.C. 501.

B.1.3. Contract Type

OASIS SB is a family of Multiple Award, Indefinite Delivery, Indefinite Quantity (MA-IDIQ) task order contracts for Government-wide professional service based requirements which is available for use by all Federal agencies and other entities as listed in the current General Services Administration (GSA) Order, ADM 4800.2G, Eligibility to use GSA Sources and Supply, as amended.

OASIS SB allows for all contract types at the task order level (e.g., Cost-Reimbursement (all types), Fixed-Price (all types), Time-and-Materials, and Labor-Hour). Task orders may also combine more than one contract type (e.g., FFP/Cost, FFP/Labor

Hour etc.). Additionally, task orders may include incentives, performance based measures, multi-year or option periods, and commercial or non-commercial items.

B.1.4. Minimum Guarantee and Maximum Ceiling

The minimum guarantee is \$2,500 for each OASIS SB Contractor that does not obtain a task order award for the term of OASIS SB, including Option I, if exercised.

The minimum dollar limitation for an individual task order must exceed the Simplified Acquisition Threshold as defined in FAR Subpart 2.101, as amended. There is no maximum dollar ceiling for each individual task order placed under OASIS SB. An unlimited number of task orders may be placed under OASIS SB for the term of OASIS SB, including Option I, if exercised.

There is no maximum dollar ceiling for OASIS SB, including Option I, if exercised.

B.1.5. Contract Access Fee (CAF)

GSA operating costs associated with the management and administration of OASIS SB are recovered through a CAF. The CAF is a percentage of the total task order amount invoiced and the CAF percentage is set at the discretion of GSA. GSA maintains the unilateral right to change the percentage at any time. See Section G.3.1. for more details regarding CAF.

B.2. TASK ORDER PRICING

OASIS SB provides all Federal agencies the flexibility to determine fair and reasonable pricing tailored to the ordering agency's requirement dependent upon level of competition, risk, uncertainties, complexity, urgency, and contract type. The OCO has the authority and responsibility for the determination of cost or price reasonableness for their agency's task order requirements. Adequate price competition at the task order level, in response to an individual requirement, establishes the most accurate, fair, and reasonable pricing for that requirement.

The OCO must identify the applicable contract type for all CLINs in each OASIS SB task order.

B.2.1. Standardized Labor Categories

OASIS SB provides standardized labor categories that correspond to the Office of Management and Budget's (OMB) Standard Occupational Classification (SOC) for which the Bureau of Labor Statistics (BLS) maintains compensation data.

In accordance with Section J.1., Attachment (1), all of the OASIS SB standardized labor categories are either an individual labor category that is mapped to a single SOC and functional description or a labor category group that is mapped to multiple SOC Numbers and functional descriptions. The OASIS SB labor category groups were established based upon BLS published data regarding similar direct labor compensation within a grouping of multiple SOC numbers and functional descriptions.

The OCO must specifically state in the task order solicitation if the standardized labor categories in Section J.1., Attachment (1) apply or do not apply. OCOs will be trained by GSA in the use of the SOC direct labor pricing estimates for their task order requirements, which incorporates pricing considerations for over 640 metropolitan and non-metropolitan areas in the CONUS and US territories.

The Contractor shall become proficient in the use of the BLS SOC system in preparation for submitting cost/price proposals under task order solicitations that require standardized labor category submissions in accordance with Section J.1., Attachment (1).

For each SOC, the BLS provides a National 50th Percentile estimate, a National 75th Percentile estimate, and a National 90th Percentile estimate. Also identified are the states where each occupation is paid the highest. While not identified on the BLS website, the BLS provides a 50th Percentile estimate, a 75th Percentile estimate, and a 90th Percentile estimate for each SOC in each state, metropolitan, and non-metropolitan area in the United States. This information will be incorporated into a labor estimating tool to be provided to OCOs and Contractors on the official GSA OASIS SB webpage at <http://www.gsa.gov/oasis>

Except for ancillary labor as defined under Section B.3., when responding to a request for proposal under task order solicitations, regardless of contract type, the Contractor may be required by the OCO to identify both Prime and Subcontractor labor using the OASIS SB Labor Categories and corresponding SOC Number that applies. The Contractor may deviate from the Junior, Journeyman, Senior, and Subject Matter Expert (SME) definitions in Section J.1., as long as the Contractor clearly identifies the deviation in their proposals. Additionally, the following qualification substitution chart applies:

Bachelor's Degree	6 years' work experience may be substituted for a Bachelor's Degree	Associate's Degree plus 4 years' work experience may be substituted for a Bachelor's Degree
Master's Degree	12 years' work experience may be substituted for a Master's Degree	Bachelor's Degree plus 8 years work experience may be substituted for a Master's Degree
Doctorate's Degree	20 years' work experience may be substituted for a Doctorate's Degree	Bachelor's Degree plus 16 years work experience, or a Master's Degree plus 12 years work experience may be substituted for a Doctorate's Degree

B.2.2. Fixed Price Task Orders

Fixed price is defined under Federal Acquisition Regulation (FAR) Subpart 16.2, Fixed-Price Contracts, and other applicable agency-specific regulatory supplements.

B.2.3. Cost Reimbursement Task Orders

Cost Reimbursement is defined under FAR Subpart 16.3, Cost-Reimbursement Contracts, and other applicable agency-specific regulatory supplements.

The Contractor shall have and maintain an acceptable accounting system that will permit timely development of all necessary cost data in the form required by the proposed contract type.

The Contractor may be required to submit a cost proposal with supporting information for each cost element, including, but not limited to, direct labor, fringe benefits, overhead, general and administrative (G&A) expenses, facilities capital cost of money, other direct costs, and fee consistent with their cost accounting system, provisional billing rates, and forward pricing rate agreements.

Cost Reimbursement task orders shall only be used for the acquisition of non-commercial items.

B.2.4. Incentive Task Orders

Incentives are defined under FAR Subpart 16.4, Incentive Contracts, and other applicable agency-specific regulatory supplements.

B.2.5. T&M and L-H Task Orders

Time and Materials (T&M) and Labor Hour (L-H) is defined under FAR Subpart 16.6, T&M and L-H Contracts, and other applicable agency-specific regulatory supplements.

The Contractor may provide separate and/or blended loaded hourly labor rates for prime Contractor labor, each Subcontractor, and/or each Division, Subsidiary, or Affiliate in accordance with the provisions set forth in FAR 52.216-29, DFARs 252.216-7002, FAR 52.216-30, or FAR 52.216-31. The OCO must identify which provision is applicable in the task order solicitation and the Contractor must comply with the provision.

T&M and L-H task orders require labor categories and their associated rates to be identified in the task order award document.

Ancillary subcontract labor shall be proposed and awarded as Materials in accordance with FAR 52.232-7, Payments under Time-and-Materials and Labor-Hour Contracts.

B.2.5.1. Ceiling Rates for T&M and L-H Task Orders

When preparing solicitations for T&M and/or L-H task order Contract Line Item Numbers (CLINs), the OCO must select one of the following provisions in the task order solicitation.

1. FAR 52.216-29 Time-and-Materials/Labor-Hour Proposal Requirements—Non-Commercial Item Acquisition With Adequate Price Competition
2. FAR 52.216-30 Time-and-Materials/Labor-Hour Proposal Requirements—Non-Commercial Item Acquisition Without Adequate Price Competition
3. FAR 52.216-31 Time-and-Materials/Labor-Hour Proposal Requirements—Commercial Item Acquisition

For organizations within DoD, when selecting FAR 52.216-29, the OCO must also select DFARs 252.216-7002, Alternate A.

When the provision FAR 52.216-30, Time-and-Materials/Labor-Hour Proposal Requirements--Non Commercial Item Acquisitions Without Adequate Price Competition is selected or; FAR 52.216-31, Time-and-Materials/Labor-Hour Proposal Requirements--Commercial Item Acquisition is selected and there is an exception to fair opportunity, OASIS SB establishes maximum allowable labor rates in the form of fully burdened ceiling rates for all professional, non-ancillary, CONUS, T&M/L-H labor for both Government and Contractor Sites. Based on the specific task order requirements, the OCO is authorized to exceed the OASIS SB ceiling rates for those labor categories that include Secret/Top Secret/SCI labor and/or OCONUS locations, if necessary.

The ceiling rates do not apply when the provision FAR 52.216-29 Time-and-Materials/Labor-Hour Proposal Requirements—Non-Commercial Item Acquisition With Adequate Price Competition is selected or; FAR 52.216-29 with DFARs 252.216-7002, Alternate A, is selected or; FAR 52.216-31, Time-and-Materials/Labor-Hour Proposal Requirements-Commercial Item Acquisition is selected and there is not an exception to fair opportunity.

The fully burdened T&M ceiling rates awarded at initial contract award shall serve as the basis for all future year pricing for those ceiling rates. In order to determine future year ceiling rate pricing, the originally awarded rates will have an escalation factor applied. This escalation factor will be the average annual Bureau of Labor Statistics (BLS) Economic Cost Index (ECI) for the previous three years. In Year 5 of OASIS SB, if the average annual ECI for the previous three years is higher than at time of OASIS SB award, the ceiling rates for Years 6 through 15 will be adjusted by the difference of percentage increase. For example, if the BLS ECI index was 2.23% at time of proposal submission and the BLS ECI index is 3.16% in Year 5 of OASIS SB, the ceiling rates for years 6 through 15 will be adjusted by 0.93% per year on a cumulative basis. If BLS ECI index in Year 5 of OASIS SB is equal to or below the BLS ECI index at time of award, the ceiling rates will remain unchanged.

In Year 10 of OASIS SB, if the previous three year average annual BLS ECI index for the previous three years is higher than Year 5 of OASIS SB, the ceiling rates for Years 11 through 15 will be adjusted by the difference of percentage increase in accordance with the example above. If the average index in Year 10 is equal to or below the average index in Year 5, the ceiling rates will remain unchanged.

The OASIS SB ceiling rates that are in effect at the time a task order is awarded shall remain with the task order award during the entire term of the task order, including task orders with option periods.

See Section F.3., Ordering Period, for OASIS SB and task orders awarded under OASIS SB.

B.3. ANCILLARY SUPPORT

Other ancillary support, integral and necessary as part of a total integrated solution within the scope of OASIS SB for which there is not a labor category specified in OASIS SB or includes other direct costs such as travel, materials, equipment, Subcontractors, etc., to obtain a total professional service solution, are allowable costs and may be included within an individual task order under OASIS SB. The Contractor should propose and identify each ancillary support service or other direct costs separately and the OCO should identify each ancillary support service or other direct costs by a separate CLIN on the task order award.

The Contractor shall report in the CPRM all ancillary labor in accordance with Section G.3.2.

B.3.1. Specialized Professional Services Labor

Specialized professional services labor is defined as bona fide executive, administrative, or professional skills for which the expertise required or duties performed are within the scope of OASIS SB but, are so specialized that they are not explicitly defined in any labor category description in Section J.1., Attachment (1). The Contractor may propose specialized professional services labor when proposing ancillary support; however, the OCO will determine whether circumstances merit the use of specialized professional skills. Whenever possible, this specialized professional labor shall be mapped to the BLS SOC.

If the use of specialized professional services labor becomes frequent, additional labor categories and their associated ceiling rates may be added by bi-lateral modification to OASIS SB.

B.3.2. Construction Wage Rate Requirements

To the extent that any ancillary labor for construction, alteration and repair are within the scope of OASIS SB and subject to the construction wage rate requirements in accordance with FAR Subpart 22.4 and other applicable agency specific regulatory supplements, the OCO must identify such work in the task order solicitation and make a determination as to whether wage determinations are to be applied or not.

OASIS SB does not include clauses applicable to any construction, alteration, or repair work that is part of a total solution within the scope of OASIS SB. The OCO must incorporate the appropriate clauses and provisions in each task order solicitation and subsequent award when construction wage rate requirements apply.

B.3.3. Service Contract Labor Standards

The OASIS SB labor categories, identified in Section J.1., are considered bona fide executive, administrative, and professional labor that are exempt from the service contract labor standards.

To the extent that any ancillary labor for services are within the scope of OASIS SB and subject to the service contract labor standards in accordance with FAR Subpart 22.10 and other applicable agency specific regulatory supplements, the OCO must identify such work in the task order solicitation and make a determination as to whether service contract wage determinations are to be applied or not.

OASIS SB does not include clauses applicable to any service contract labor standards that are part of a total solution within the scope of OASIS SB. The OCO must incorporate the appropriate clauses and provisions in each task order solicitation and subsequent award when service contract labor standards apply.

B.3.4. Labor outside the Continental United States (OCONUS)

“OCONUS” is defined as other than the 48 contiguous states plus the District of Columbia. It is anticipated that there may be task orders for work OCONUS.

The U.S. Department of State's Bureau of Administration, Office of Allowances, publishes quarterly report indexes of living costs abroad, per-diem rate maximums, quarter's allowances, hardship differentials, and danger pay allowances.

The Department of State Standardized Regulations (DSSR) is the controlling regulations for allowances and benefits available to all U.S. Government civilians assigned to foreign areas. For task orders issued under OASIS SB, Contractor civilians assigned to foreign areas may receive the allowances and benefits in the DSSR but, shall not receive allowance and benefits in excess of those identified in the DSSR.

For OCONUS task orders where costs are not specifically addressed in the DSSR, the Government will reimburse the Contractor for all reasonable, allowable, and allocable costs in accordance with FAR 31, Contract Cost Principles and Procedures, and other applicable agency specific regulatory supplements.

B.3.5. Travel

Travel costs may be firm fixed price or reimbursed at actual cost in accordance with the limitations set forth in FAR 31.205-46 and other applicable agency-specific regulatory supplements. Unless otherwise directed by task order terms and conditions, the Contractor may apply indirect costs to travel consistent with the Contractor's usual accounting practices.

B.3.6. Materials and Equipment

Material means property that may be consumed or expended during performance, component parts of a higher assembly, or items that lose their individual identity through incorporation into an end item. Equipment means a tangible item that is functionally complete for its intended purpose, durable, nonexpendable, and needed for performance.

Materials and Equipment shall be priced in accordance with the terms of the task order award, contract type, and applicable FAR and agency-specific regulatory supplements. Unless otherwise directed by task order terms and conditions, the Contractor may apply indirect costs to materials and equipment consistent with the Contractor's usual accounting practices.

B.3.7. Subcontracting

For non-commercial items, subcontracting shall follow the procedures set forth in FAR Part 44, Subcontracting Policies and Procedures, and other applicable agency-specific regulatory supplements. For commercial items, subcontracting shall follow the procedures set forth in FAR Part 12, Acquisition of Commercial Items, and other applicable agency-specific regulatory supplements.

(END OF SECTION B)

SECTION C - DESCRIPTION / SPECIFICATIONS / STATEMENT OF WORK

C.1. OBJECTIVE

The objective of OASIS SB is to provide Government agencies with total integrated solutions for a multitude of professional service based requirements on a global basis.

These professional service requirements may call for solutions that cross over multiple disciplines, include ancillary support, and require commercial and/or non-commercial items, using a variety of contract types including fixed-price (all types), cost reimbursement (all types), time and materials/labor hour, or a hybrid mix of contract types.

OASIS SB is available for use by all Federal agencies and other entities as listed in General Services Administration (GSA) Order ADM 4800.2G, Eligibility to use GSA Sources And Supply; as amended.

C.2. SCOPE

The scope of OASIS SB spans many areas of expertise and includes any and all components required to formulate a total solution to a professional services based requirement, except for those services specifically prohibited in Section C.5. These areas of expertise include, but are not limited to the following categories.

1. Communication
2. Compliance
3. Defense
4. Disaster
5. Energy
6. Environment
7. Financial
8. Health
9. Intelligence
10. Security
11. Transportation

C.2.1. Mission Spaces

Additionally, OASIS SB is designed to support any and all mission spaces of the U.S. Federal Government. These mission spaces include, but are not limited to the following categories and Federal agencies.

C.2.1.1. Protection and Defense

Protecting American interests at home and abroad through security and diplomacy.

1. Department of Defense
2. Department of Homeland Security
3. Department of Justice
4. Department of State
5. Central Intelligence Agency
6. Federal Bureau of Investigation

C.2.1.2. Quality of Life

Improving the quality of life for Americans and others throughout the world.

1. Department of Education
2. Department of Health and Human Services
3. Department of Veterans Affairs
4. US Agency for International Development
5. Department of Housing and Urban Development
6. National Aeronautics and Space Administration
7. Peace Corps

C.2.1.3. Commerce

Maintaining and improving commerce and economic growth, stability and prosperity in America.

1. Department of Commerce
2. Department of Treasury
3. Small Business Administration
4. Department of Labor
5. Department of Transportation
6. Social Security Administration
7. General Services Administration
8. Federal Reserve
9. Securities and Exchange Commission

C.2.1.4. Natural Resources

Protecting America's great outdoors and natural resources.

1. Department of Agriculture
2. Department of Interior
3. Department of Energy
4. Environmental Protection Agency
5. Nuclear Regulatory Commission

C.2.1.5. Other

1. All other U.S. Federal Government Agencies, Independent U.S. Federal Government Agencies, U.S. Federal Government Corporations not listed above

Regardless of the particular area of expertise or mission space of the agency originating the requirement, OASIS SB may be used to support and/or improve an organization's Program Management, Management Consulting, Engineering, Scientific, Logistics, and Financial disciplines that span all life cycle phases for a total integrated solution as depicted in the OASIS SB Program Architecture illustration below.

OASIS SB Program Architecture

C.2.2. Core Disciplines

For task orders placed under OASIS SB, professional services may be defined as those categories of services provided under one or more of the following Core Disciplines:

C.2.2.1. Program Management Services

Definition: Program Management Services includes all services related to leading, facilitating, and ensuring the strategic planning, implementation, coordination, integration, and evaluation of programmatic activities and administrative systems.

Examples: Service areas that are included under the Program Management Services discipline include but, are not limited to the following:

1. Acquisition Support
2. Business Intelligence Support
3. Cost/Schedule/Performance Analysis
4. Cost Estimation And Analysis
5. Cost/Performance Trade-Off Analysis and Studies
6. Earned Value Management (EVM) Analysis
7. E-Business Support
8. Information Analytics
9. Investigative Services
10. Program Management
11. Integrated Program Management
12. Program Documentation
13. Project Management
14. Regulatory Compliance

15. Risk Assessment and Mitigation
16. Integration of Support Systems
17. Planning, Programming, Budgeting, and Execution Processes
18. Capabilities Integration and Development
19. Manpower Estimating
20. Stakeholder Requirements Analysis
21. Decision Analysis
22. Technical Planning
23. Technical Assessment
24. Requirements Management
25. Risk Management
26. Configuration Management
27. Technical Data Management
28. Interface Management
29. Intelligence Analysis
30. Threat Analysis
31. Knowledge Based Acquisition
32. Vulnerability Assessment
33. Counterintelligence Support
34. Horizontal Protection

C.2.2.2. Management Consulting Services

Definition: Management Consulting Services includes all services related to the practice of helping organizations to improve their performance, primarily through the analysis of existing organizational problems and development of plans for improvement.

Examples: Service areas that are included under the Management Consulting Services discipline include but, are not limited to the following:

1. Business Process Reengineering
2. Business Case Development Support
3. Change Management
4. Concept Development And Requirements Analysis
5. Cost/Schedule/Performance Improvement
6. Information Analytics
7. Knowledge Management
8. Relations and Coordination with Law and Policy Making Entities
9. Social Media Consulting
10. Tactical and Readiness Planning
11. Technical Advisory Services
12. Training and Facilitation
13. Strategic Planning
14. Strategic Forecasting
15. Long-Range Planning, Futures, and Forecasting
16. Strategy Development

C.2.2.3. Scientific Services

Definition: Scientific Services includes all services that are primarily involved in the application of comprehensive scientific and professional knowledge in planning, conducting, evaluating, and managing fundamental research, knowledge enhancement, and/or technology development and innovation.

Service areas that are included under the Scientific Services discipline include but, are not limited to the following:

1. Environmental Sciences
2. Engineering Sciences
3. Life Sciences
4. Physical Sciences
5. Psychological Sciences
6. Mathematical Sciences
7. Social Sciences
8. Decision Support Sciences

C.2.2.4. Engineering Services

Definition: Engineering Services includes any service or creative work, the adequate performance of which requires education, training and experience in the application of special knowledge in consulting, investigating, evaluating, planning and designing, engineering principles. Engineering Services covered by the Brooks Architect-Engineers Act (40 U.S.C. 1102) are not covered in the primary scope of OASIS SB.

Examples: Service areas that are included under the Engineering Services discipline include but, are not limited to the following:

1. Systems Engineering
2. Advanced Technology Pilots and Trials
3. Alternative Energy Sources and Engineering
4. Configuration Management
5. Concept Development
6. Design Documentation and Technical Data
7. Energy Services to include Management Planning and Strategies, Audit Services and Metering
8. Engineering (Aeronautical, Astronautical, Chemical, Electrical, Mechanical, Metallurgy/Materials, etc.)
9. Engineering Process Improvement
10. Environmental Management
11. Environmental Consulting and Remediation
12. Human Factors/Usability Engineering
13. Independent Verification And Validation
14. Integration
15. Interoperability
16. Life Cycle Management
17. Modeling and Simulation
18. Natural Resources Management
19. Operation and Maintenance or Direct Support of an existing Weapon System or Major System
20. Prototyping and Fabrication Support
21. Quality Assurance
22. Red Teaming and Wargaming
23. Requirements Analysis

24. System Design
25. System Integration
26. System Safety Engineering
27. Test and Evaluation
28. Technical Documentation
29. Mission Assurance
30. Data Analytics
31. Architecture Design
32. System Verification and Validation
33. Human Systems Integration
34. Baseline (Configuration) Management
35. Data Management
36. Risk Management
37. Technical Planning
38. Systems Engineering Training
39. System Security and Information Assurance
40. System Effectiveness and Analysis
41. Launch Processing and Verification
42. Software Development (for non-IT requirements)
43. Software Independent Verification and Validation (for non-IT requirements)
44. Radar Engineering
45. Optical Engineering
46. Communications Engineering

C.2.2.5. Logistics Services

Definition: Logistics Services includes the management of the flow of resources, not only goods, between the point of origin and the point of destination in order to meet the requirements of organizations. Logistics services involves the integration of information, transportation, inventory, warehousing, material handling, packaging, security, and any other function necessary to the flow of resources.

Examples: Service areas that are included under the Logistic Services discipline include but, are not limited to the following:

1. Analysis And Recommendation of Support Equipment
2. Deployment Logistics
3. Disaster Management/Contingency Operations
4. Distribution and Transportation Logistics Services
5. Infrastructure Services Including Transportation and Delivery
6. Integrated Logistics Support (ILS) Technical Requirement Creation
7. ILS Risk Assessments
8. ILS Schedules Creation and Performance Tracking
9. Inventory Management
10. Logistical Studies and Evaluations
11. Logistics Design
12. Logistics Management and Support Services
13. Logistics Operations Support
14. Logistics Operations and Maintenance
15. Logistics Optimization
16. Logistics Training Services
17. Repair and Alteration
18. Security
19. Supply Chain Management and Provisioning

20. Value Chain Management
21. Technology and Industrial Base Analysis
22. Test Range Support
23. Life Cycle Sustainment
24. Supportability Analysis and Implementation
25. Integrated Logistics Support

C.2.2.6. Financial Management Services

Definition: Financial Management Services includes the planning, directing, monitoring, organizing, and controlling of the monetary resources of an organization.

Examples: Service areas that are included under the Financial Management Services discipline include but, are not limited to the following:

1. Budget Analysis and Tracking
2. Business Information Services
3. Cost Estimating and Analysis Support
4. Cost Performance Risk Assessments
5. Disbursement and Reconciliation Support
6. Financial and Financial Risk Analysis
7. Financial Management, Accounting, and Auditing Services
8. Impact Statement Development
9. Program Management for Financial Services
10. Program Objective Memorandum (POM) Creation And Documentation
11. Oversight and Fraud Detection
12. Safeguarding Personal Data
13. Loan Management
14. Grant Management
15. Economic Analysis
16. Return on Investment Analysis
17. Life Cycle Cost Determination
18. Total Ownership Cost Determination
19. Affordability Analysis
20. Analysis of Cost Alternatives
21. Should-Cost Determinations

C.3. INFORMATION TECHNOLOGY AND NON-INFORMATION TECHNOLOGY

Information Technology (IT), by legal definition, means any equipment, or interconnected system(s) or subsystem(s) of equipment that is used for the automatic acquisition, storage, analysis, evaluation, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or information by the agency. For purposes of this definition, equipment is used by an agency if the equipment is used by the agency directly or is used by a Contractor under a contract with the agency that require its use; or to a significant extent, its use in the performance of a service or the furnishing of a product.

IT is considered an ancillary support service or product on OASIS SB task orders and may be performed only when the service or product is integral and necessary to complete a total integrated solution under a professional service based requirement within the scope of OASIS SB.

"Non-IT" includes any service or equipment that is acquired by a Contractor incidental to a contract or contains imbedded IT that is used as an integral part of the service or product, but the principal function of which is not the acquisition, storage,

analysis, evaluation, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or information. (For example, HVAC (heating, ventilation, and air conditioning) equipment, such as thermostats or temperature control devices, and medical equipment where IT is integral to its operation, is non-IT).

Non-IT also includes any equipment or services related to a National Security System. The term “National Security System” means a telecommunications or information system operated by the Federal Government, the function, operation, or use of which involves intelligence activities, cryptologic activities related to national security, command and control of military forces, equipment that is an integral part of a weapon or weapons system; or, is critical to the direct fulfillment of military or intelligence missions, not including a system to be used for routine administrative and business applications (including payroll, finance, logistics, and personnel management applications).

Non-IT may include imbedded IT components including software, IT hardware, and other items and services traditionally considered IT on IT requirements.

Non-IT professional services are not considered ancillary support services. Non-IT professional services are considered to be within the primary scope of OASIS SB.

C.4. ANCILLARY SUPPORT SERVICES

Ancillary support services is defined as services not within the scope of OASIS SB that are integral and necessary to complete a total integrated solution under a professional service based requirement within the scope of OASIS SB.

Ancillary support services may include, but are not limited to other professional and/or non-professional services; commercial and/or non-commercial items; IT services and/or components, administrative support; data entry; and, subject matter expertise.

The OCO may allow and the Contractor may propose a labor category or labor categories at the task order level not identified in Section J.1., provided that the Contractor complies with all applicable contract clauses and labor laws, including the Service Contract Labor Standards or Construction Wage Rate Requirements, if applicable.

C.4.1. Ancillary Support Services for Information Technology

When providing ancillary support for IT services and/or components, the Contractor shall promote IT initiatives and best practices that support Federal Government operational requirements for standardized technology and application service components. This shall facilitate integration requirements for broad Federal IT and E-Gov initiatives, as well as promote the sharing, consolidation, and re-use of business processes and systems across the Federal Government. The Contractor shall promote the use of open source solutions and open technology development where practicable to enable this re-use.

C. 5. SERVICES NOT IN SCOPE

The OCO must not issue a task order and a Contractor shall not accept or perform work for the following services when the predominate task order scope of work is:

1. An ancillary support service as defined in Section C.4.
2. A requirement that primarily uses employees not employed in a bona fide executive, administrative, or professional capacity as defined in 29 CFR Part 541 and/or employees primarily employed as labor or mechanics as defined in FAR Subpart 22.401
3. Inherently Governmental Functions as defined in FAR Subpart 2.101
4. Personal Services as defined in FAR Subpart 2.101
5. Architect & Engineering (A&E) Services as defined in FAR Subpart 2.101 and subject to the Brooks Architect-Engineers Act (40 U.S.C. 1102)

(END OF SECTION C)

SECTION D - PACKAGING AND MARKING

D.1. PACKAGING AND MARKING

Packaging and marking of all deliverables must conform to normal commercial packing standards to assure safe delivery at destination. Clauses and other requirements regarding packaging and marking shall be designated by the OCO at the task order level.

(END OF SECTION D)

SECTION E - INSPECTION AND ACCEPTANCE

E.1. INSPECTION AND ACCEPTANCE

Inspection and acceptance for OASIS SB is:

FAR	TITLE	DATE
52.246-4	Inspection of Services – Fixed Price	AUG 1996

Clauses and other requirements regarding inspection and acceptance shall be designated by the OCO at the task order level.

(END OF SECTION E)

SECTION F - DELIVERIES OR PERFORMANCE

F.1. DELIVERIES OR PERFORMANCE CLAUSES

Clauses regarding deliveries or performance for OASIS SB:

FAR	TITLE	DATE
52.242-15	Stop Work Order	AUG 1989
52.247-34	F.O.B. Destination	NOV 1991

Clauses and other requirements regarding deliveries or performance shall be designated by the OCO at the task order level.

F.2. PLACE OF PERFORMANCE

The services to be provided under OASIS SB shall be accomplished at the locations identified in the task order and may include locations in the Continental United States (CONUS) and Outside the CONUS (OCONUS).

F.3. ORDERING PERIOD

The ordering period of OASIS SB is from June 20, 2014 through June 19, 2019, with 1 (5-year) option that may extend the cumulative ordering period of the contract to 10 years in accordance with FAR 52.217-9, Option to Extend the Term of the Contract, if exercised.

The period of performance for each task order awarded under OASIS SB shall be specified in the task order by the ordering agency. Task orders must be solicited and awarded prior to the OASIS SB ordering period expiring and may extend up to 5 years after the OASIS SB ordering period expires.

Task order option periods may be exercised after the OASIS SB ordering period expires as long as the final task order option period does not extend the cumulative period of performance of the task order beyond 5 years after the OASIS SB ordering period expires.

After the OASIS SB ordering period expires, OASIS SB will remain an active contract until the final task order is closed-out and shall govern the terms and conditions with respect to active task orders to the same extent as if it were completed during the OASIS SB ordering period.

Accordingly, the cumulative ordering period of OASIS SB may span up to June 19, 2024 and the cumulative term of all task orders placed under OASIS SB may span up to June 19, 2029.

F.4. PERFORMANCE STANDARDS

OASIS SB is a performance based contract with measurable standards in terms of quality and timeliness of deliverables and compliances in accordance with Section F.4.1. and F.4.2.

In the event the CPRM is not operational, deliverable and reporting requirements designated for input into the CPRM shall be provided as directed by the OASIS SB CO within the stated timeframes.

The OASIS SB CO or an authorized representative shall have the right to examine and audit all supporting records and materials, regardless of whether such items are in written form, in the form of computer data, or in any other form, for the purpose of enforcing all deliverables and compliances herein.

Acceptable Accounting Systems are mandatory for all Contractors on OASIS SB. All other systems and certifications are optional; however, Contractors are encouraged to acquire these systems and certifications.

All Systems, Compliances, and Certifications must be maintained at the Contractors current level at time of award or higher throughout the period of performance of OASIS SB. For example, if a Contractor received an evaluation credit for having an Approved Purchasing System and CMMI Level 3 certification at time of award, then the Contractor must maintain an Approved Purchasing System and CMMI Level 3 certification level or higher for the life of OASIS SB.

Failure to meet the following deliverables, reports, or compliance standards may result in activation of Dormant Status and/or result in a Contractor being Off-Ramped (See Sections H.16. and H.17.).

F.4.1. Deliverable and Reporting Requirements

The following table contains deliverables and reports required for OASIS SB. Task order deliverables and reporting will be specified in the task order. The Government does not waive its right to request other deliverables or reports not specifically listed in the table below. Deliverables or reports are required until the final task order is closed-out for each Contractor. If a deliverable is due on a calendar day that falls on a weekend day or a Government holiday, the deliverable or report is due the following business day.

SECTION	REFERENCE	DESCRIPTION	FREQUENCY	LOCATION
G.2.6.	Contractor Key Personnel	Updated COPM or COCM Point of Contact Information	Within 5 calendars days of the substitution	OASIS SB CO via OASISSB@gsa.gov
G.3.1. and G.3.2.4.	Contract Access Fee (CAF) Remittance	CAF for all task orders awarded during the previous quarter on a cumulative basis	Quarterly (April 30th, July 30th, October 30th, and January 30th)	Electronic Funds Transfer (EFT) via the CPRM website
G.3.2.2. through G.3.2.5.	CPRM	Task Order Award, Modification, Invoice, and Close-out data on a cumulative basis	Monthly (30th calendar day of each month, last day in February)	Electronically via the CPRM website
G.3.3.	Individual Subcontracting Reports (ISR)	If applicable, ISRs from Individual Subcontracting Plans on OASIS SB	Within 30 calendar days after the close of each reporting period ending March 31st, September 30th, and within 30 days of contract completion.	SF 294 to the OASIS SB CO via OASISSB@gsa.gov
G.3.4.1.	Contractor Self-Assessment	Self-Assessment Report	Annually on August 31 st for the preceding reporting period of June 20 th through June 19 th	OASIS SB CO via OASISSB@gsa.gov
G.3.5.	Insurance	ACORD 25, Certificate of Insurance	Within 30 calendar days after the OASIS SB Notice-to-Proceed and any updates thereafter	OASIS SB CO via OASISSB@gsa.gov and OCOs for affected task orders
G.3.6.	Mergers, Acquisitions, Novations, and Change-of-Name Agreements	If applicable, SF 30 Modification or other applicable documents	Copy of SF 30 and other applicable documents within 45 calendar days of finalization	OASIS SB CO via OASISSB@gsa.gov and OCOs for affected task orders
G.3.7.	Federal Awardee Performance and Integrity Information System (FAPIS)	FAPIS reporting	Semi-Annually starting 6 months from the anniversary date of the OASIS SB Notice-to-Proceed.	Electronically via SAM.GOV website and notify the OASIS SB CO via OASISSB@gsa.gov

G.3.8.	VETS-4212	VETS -4212 reporting	Annually no later than September 30 of each year	Electronically via the Department of Labor (DOL) VETS-4212 reporting website and notify the OASIS SB CO via OASISSB@gsa.gov
G.3.9.	Reporting Executive Compensation and First-Tier Subcontract Awards	Federal Funding Accountability and Transparency Act (FFATA) Sub-Award Report	The end of the month following the month in which the prime Contractor awards any sub-contract greater than \$25,000 into the FFATA Sub-Award Reporting System (FSRS)	Electronically via FSRS website and notify the OASIS SB CO via OASISSB@gsa.gov.
G.3.10.	Post Award Small Business Program Re-Representation	Small Business Size Recertification	Within 30 days after execution of a novation agreement; within 30 days after a merger or acquisition that does not require a novation; and, within 60 to 120 days prior to the end of the fifth year and exercising the option thereafter.	OASIS SB CO via OASISSB@gsa.gov
H.6.1.	Acceptable Accounting System	Correspondence and audit reports from DCAA/DCMA that updates the current status	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov and OCOs for affected task orders
H.6.2.	Acceptable Estimating System	<u>If applicable</u> , correspondence and audit reports from DCAA/DCMA or other cognizant auditing entity that updates the current status	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov and OCOs for affected task orders
H.6.4.	Forward Pricing Rate Agreements (FPRA), Forward Pricing Rate Recommendations (FPRR) and/or Approved Billing Rates	<u>If applicable</u> , correspondence and audit reports from DCAA/DCMA or other cognizant auditing entity that updates the current status	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov and OCOs for affected task orders
H.6.5.	Approved Purchasing System	<u>If applicable</u> , correspondence and audit reports from DCMA or other cognizant auditing entity that updates the current status	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov and OCOs for affected task orders
H.6.6.	EVMS ANSI-standard	<u>If applicable</u> , correspondence and audit reports from DCMA or other cognizant auditing entity that updates the current status	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov
H.6.7.	ISO 9001:2008 Certification	<u>If applicable</u> , correspondence or audit from an ISO 9001 Certification Body that updates the current status	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov
H.6.8.	ISO 17025 Certification	<u>If applicable</u> , correspondence or audit from an ISO 17025 Certification Body that updates the current status	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov
H.6.9.	ISO 14001:2004 Certification	<u>If applicable</u> , correspondence or audit from an ISO	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov

		14001:2004 Certification Body that updates the current status		
H.6.10.	AS9100 Certification	If applicable, correspondence or audit from an AS9100 Certification Body that updates the current status	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov
H.6.11.	CMMI Maturity Level	If applicable, correspondence or audit from a CMMI Instituted Certified Lead Appraiser that updates the current status	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov
H.6.12.	Meaningful Relationship Commitment Letters (MRCL)	If applicable, any change of entity or commitment identified in any MRCL submitted	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov
H.7.1.	Facility Security Clearance	If applicable, correspondence signed by a Facility Security Officer, screen prints from the Industrial Security Facilities Database and DD Form 441, DD Form 441-1, or SF 328 that updates the current status	Within 45 calendar days after the update	OASIS SB CO via OASISSB@gsa.gov and OCOs for affected task orders

F.4.2. Compliances

The following table contains compliances required for OASIS SB. Task Order compliances will be specified in the task order. The Government does not waive its right to request other compliances in order to align the OASIS SB contract with new statutory or regulatory requirements. The Government will provide the Contractor with at least 90 days' notice of these requirements.

SECTION	REFERENCE	COMPLIANCE
G.2.6.	Contractor Key Personnel	The Contractor shall maintain responsive and competent Contractor Key Personnel
G.3.1. and G.3.2.4.	Contract Access Fee (CAF) Remittance	The Contractor shall submit timely and accurate CAF Payments
G.3.2. through G.3.2.5.	CPRM Data	The Contractor shall submit timely and accurate data in the CPRM
G.3.3.	Subcontracting Goals and Reporting	The Contractor shall submit timely and accurate ISR subcontract reports or SF 294s, <u>if applicable</u> , in meeting small business goals in accordance with the Contractor's subcontracting plan
G.3.4.1.	Contractor Self-Assessment	The Contractor shall submit timely and accurate self-assessments reports
G.3.5.	Insurance	The Contractor shall submit timely and accurate Certificates of Insurance and maintain adequate insurance coverage at the OASIS SB and task order level
G.3.6.	Mergers, Acquisitions, Novations and Change-of-Name Agreements	The Contractor shall submit timely notice of Merger and Acquisitions or contractual copies of Novation or Change-of-Name Agreements, <u>if applicable</u>
G.3.7.	Responsibility and Federal Awardee Performance and Integrity Information System (FAPIS)	The Contractor shall submit timely and accurate FAPIS information and maintain sufficient financial resources and meet the responsibility standards and qualifications set forth in FAR Part 9
G.3.8.	VETS-4212 Reporting	The Contractor shall report timely and accurate VETS-4212 reports in the Department of Labor VETS-4212 website and send confirmation to the OASIS SB CO
G.3.9.	Reporting Executive Compensation and First-Tier Subcontract Awards	The Contractor shall report timely and accurate sub-award and executive compensation data regarding first-tier sub-awards in FSRS to meet the FFATA

		reporting requirements and send confirmation to the OASIS SB CO
G.3.10.	Post-Award Small Business Program Re-Representation	The Contractor shall report timely and accurately their small business program re-representation and update SAM.gov, <u>as applicable</u>
G.4.	Task Order Close-Out	The Contractor agrees to cooperate with the OCO to close out task orders as soon as practical after expiration, cancellation, or termination.
H.6.1.	Acceptable Accounting System	The Contractor shall maintain the acceptable/approved status of their Accounting System and submit updates to the current status
H.6.2.	Acceptable Estimating System	The Contractor shall maintain the acceptable status of their Estimating System and submit updates to the current status, <u>if applicable</u>
H.6.4.	Forward Pricing Rate Agreements (FPRA), Forward Pricing Rate Recommendations (FPRR) and/or Approved Billing Rates	The Contractor shall maintain their FPRA, FPRR, and/or Approved Billing Rates and submit updates, <u>if applicable</u>
H.6.5.	Approved Purchasing System	The Contractor shall maintain an Approved Purchasing System and submit updates, <u>if applicable</u>
H.6.6.	EVMS ANSI-standard	The Contractor shall maintain or exceed their EVMS ANSI-standard and submit updates, <u>if applicable</u>
H.6.7.	ISO 9001:2008 Certification	The Contractor shall maintain or exceed their ISO 9001:2008 Certification and submit updates, <u>if applicable</u>
H.6.8.	ISO 17025 Certification	The Contractor shall maintain or exceed their ISO 17025 Certification and submit updates, <u>if applicable</u>
H.6.9.	ISO 14001:2004 Certification	The Contractor shall maintain or exceed their ISO 14001:2004 Certification and submit updates, <u>if applicable</u>
H.6.10.	AS9100 Certification	The Contractor shall maintain or exceed their AS9100 Certification and submit updates, <u>if applicable</u>
H.6.11.	CMMI Maturity Level	The Contractor shall maintain or exceed their CMMI Maturity Level and submit updates, <u>if applicable</u>
H.6.12.	Meaningful Relationship Commitment Letters (MRCL)	The Contractor shall honor the commitments contained in all MRCLs, <u>if applicable</u>
H.7.1	Facility Security Clearance (FSC)	The Contractor shall maintain or exceed their FSC and submit updates, <u>if applicable</u>
H.11.1.	Meetings	The Contractor's Key Personnel shall attend and actively participate in all meetings, including all PMR Meetings
H.11.3.	Contractor OASIS SB Webpage	The Contractor shall maintain an OASIS SB Webpage that meets the minimum webpage requirements
H.11.5.	Minimum Task Order Awards <u>or</u> Estimated Value	Starting from the date of the OASIS SB Notice-to-Proceed, the Contractor shall attain a minimum of <u>3</u> task order awards <u>or</u> a total task order estimated value of <u>\$20M</u> (total estimated value of all task orders inclusive of all options) prior to the exercise of Option I under OASIS SB.
H.13.	Ethics and Conduct	The Contractor shall adhere to the standards under Section H.13.

(END OF SECTION F)

SECTION G - CONTRACT ADMINISTRATION DATA

G.1. BACKGROUND

This section provides roles, responsibilities, and contract administration requirements for OASIS SB and each task order placed under OASIS SB. Clauses and other requirements regarding contract administration may be designated by the OCO at the task order level.

G.2. ROLES AND RESPONSIBILITIES OF KEY PERSONNEL

This section describes the roles and responsibilities of Government and Contractor personnel. The current point of contact information of GSA's Key Personnel for OASIS SB will be maintained on the official GSA OASIS SB webpage at <http://www.gsa.gov/oasis>

G.2.1. Program Manager (PM)

The OASIS SB PM is a GSA Government official who performs various programmatic functions for the overall success of the OASIS SB program.

G.2.2. Contracting Officer (CO)

The OASIS SB CO is the sole and exclusive GSA Government official with actual authority to administer and/or modify the terms of OASIS SB, monitor the Contractor's performance in the areas of contract compliance and contract administration, and assist the Contractor and OCO on matters related to the OASIS SB terms and conditions.

The OASIS SB CO may delegate routine administrative functions to an authorized OASIS SB representative.

G.2.3. Ombudsman

Subject to GSAR 552.216-74, GSA designates an Ombudsman to OASIS SB. For the purposes of OASIS SB, there are two primary duties for the Ombudsman: (1) To review complaints from Contractors and ensure that they are afforded a fair opportunity for consideration in the award of task orders consistent with the procedures of OASIS SB, and (2) To review an OASIS SB CO decision to place a Contractor in Dormant Status. (See Section H.16.).

G.2.4. Industrial Operations Analyst (IOA)

The IOA is a GSA Government official who audits Contractor records and conducts Contractor Assistance Visits (CAVs) to the Contractor's place of business to assist the Contractor with task order reporting, Contract Access Fee (CAF) management, and other general contract administration functions deemed necessary by the Government.

G.2.5. Ordering Contracting Officer (OCO)

For purposes of OASIS SB, authorized users are identified as OCOs. Only an authorized user, who is a delegated OCO, may solicit, award, and administer a task order under OASIS SB. In order to qualify as an authorized user, a duly warranted Contracting Officer of the Federal Government, as defined in FAR Subpart 2.101, in good standing, must have received a Delegation of Procurement Authority (DPA) from the OASIS SB CO or OASIS SB representative that is delegated by the OASIS SB CO to issue DPAs.

The OCO for each task order is the sole and exclusive Government official with actual authority to solicit, award, administer, and/or modify a task order under OASIS SB.

The OCO is encouraged to contact the OASIS SB CO or OASIS SB PM for any OASIS SB related assistance including but, not limited to, the following:

1. Training on the OASIS SB program and ordering procedures
2. Task order scope compliance with OASIS SB
3. Task order solicitation development
4. Assistance on disputes, claims, or protests under OASIS SB
5. Contractor performance under OASIS SB

The OCO duties include, but are not limited to:

1. Requesting and receiving a Delegation of Procurement Authority (DPA) prior to soliciting and awarding a task order under OASIS SB
2. Complying with the terms and conditions of OASIS SB (See Section H.3.)
3. Complying with the ordering procedures outlined in FAR Subpart 16.505, and other agency specific regulatory supplements
4. Issuing task orders solicitations under the proper NAICS Code and corresponding OASIS SB MA-IDIQ Contract Number (See Section H.4.)
5. Allowing a reasonable time for fair opportunity proposal submission
6. Resolving any performance issues, disputes, claims or protests at the task order level
7. Responding to all Freedom of Information Act (FOIA) requests at the task order level
8. Entering task order performance evaluation in the Contractor Performance Assessment Reporting System (CPARS) or alternative past performance assessment reporting system mandated by customer agencies that do not require the use of CPARS
9. Entering task order award data in the Federal Procurement Data System – Next Generation (FPDS-NG) upon task order award, if applicable
10. Providing solicitation and task order award data to the OASIS SB Contracting Officer in accordance with the OASIS SB Ordering Guide and Appendices located at www.gsa.gov/oasis
11. Closing out task orders in a timely manner

G.2.5.1. Contracting Officer's Representative (COR)

The OCO for each task order may designate a Contracting Officer Representative (COR) or Contracting Officer Technical Representative (COTR) to perform specific administrative or technical functions.

The specific rights and responsibilities of the COR or COTR for each task order shall be described in writing, which upon request, shall be provided to the Contractor. A COR/COTR has no actual, apparent, or implied authority to bind the Government.

G.2.6. Contractor Key Personnel

The Contractor shall assign a Corporate OASIS SB Program Manager (COPM) and Corporate OASIS SB Contract Manager (COCM) as Contractor Key Personnel to represent the Contractor as primary points-of-contact to resolve issues, perform administrative duties, and other functions that may arise relating to OASIS SB and task orders solicited and awarded under OASIS SB. Additional Key Personnel requirements may be designated by the OCO at the task order level.

There is no minimum qualification requirements established for Contractor Key Personnel. Additionally, Contractor Key Personnel do not have to be full-time positions; however, the Contractor Key Personnel are expected to be fully proficient in the performance of their duties.

The Contractor shall ensure that the OASIS SB CO has current point-of-contact information for both the COPM and COCM. In the event of a change to Contractor Key Personnel, the Contractor shall notify the OASIS SB CO and provide all Point of Contact information for the new Key Personnel within 5 calendar days of the change.

All costs associated with Contractor Key Personnel duties shall be handled in accordance with the Contractor's standard accounting practices; however, no costs for Contractor Key Personnel may be billed to the OASIS Program Office.

Failure of Contractor Key Personnel to effectively and efficiently perform their duties will be construed as conduct detrimental to contract performance and may result in activation of Dormant Status and/or Off-Ramping (See Sections H.16. and H.17.).

G.2.6.1. Corporate OASIS SB Program Manager (COPM)

The Contractor's corporate management structure shall guarantee senior, high-level, program management of the OASIS SB Program, including a COPM to represent the company in all OASIS SB program-related matters.

The COPM duties include, but are not limited to:

1. Advising and assisting current and potential OASIS SB customers regarding the technical scope of OASIS SB and the overall attributes of the OASIS SB Program
2. Promoting customer use of the OASIS SB contract
3. Being ultimately responsible for ensuring that all reporting information required under OASIS SB is provided accurately, thoroughly and timely
4. Being ultimately responsible for all performance issues related to OASIS SB and task orders awarded under OASIS SB
5. Attending all OASIS SB Program Management Review (PMR) Meetings and other OASIS SB meetings as scheduled

G.2.6.2. Corporate OASIS SB Contract Manager (COCM)

The Contractor's corporate management structure shall guarantee senior, high-level, program management of the OASIS SB Program, including a COCM to represent the company in all OASIS SB contract-related matters.

The COCM duties include, but are not limited to:

1. Ensuring the company's task order awards under OASIS SB are contractually in compliance with OASIS SB (See Section H.3.)
2. Ensuring all data within the CPRM is current, accurate, and complete (See Section G.3.2.)
3. Ensuring contract administrative functions and meeting all the performance reporting and compliance standards listed under Section F.4., are maintained
4. Being ultimately responsible for ensuring that all contractual agreements, including modifications, are negotiated and put in place expeditiously
5. Being ultimately responsible for ensuring that all task order invoicing is accurate and timely
6. Attending all OASIS SB Program Management Review Meetings (PMR) and other OASIS SB meetings as scheduled

G.3. CONTRACTOR ADMINISTRATION REQUIREMENTS

The following sections describe the administration requirements for OASIS SB and task orders awarded under OASIS SB. The COCM shall be the primary point-of-contact for these requirements.

Failure to meet administration requirements may result in activation of Dormant Status and/or Off-Ramping (See Sections H.16. and H.17.).

G.3.1. Contract Access Fee (CAF)

Total CAF Remittance for each task order is calculated as follows: Total Paid Invoice (minus the CAF CLIN) multiplied by the CAF Percentage.

In response to all task order solicitations, regardless of contract type, the Contractor shall propose CAF on the total fixed-price or total estimated costs, including options.

The total CAF amount shall be proposed as a separate and distinct Contract Line Item Number (CLIN) for the base year(s) and each option period (if applicable).

The OCO must establish a separate and distinct CAF CLIN in all task order awards as a Cost Reimbursable CAF CLIN for the base year(s) and each option period (if applicable).

The actual dollar amount to be billed to the customer upon task order award will depend upon the total OASIS SB business volume with the customer or whether the customer organization has a CAF Memorandum of Understanding (CAF MOU) agreement in place with the OASIS Program Office.

If a customer organization has a CAF rate that is less than .75% for a specific task order award, the OASIS Program Office will notify the Contractor of the proper CAF rate to invoice the customer. No later than January 15th of each calendar year, the OASIS Program Office will notify the Contractor if there are any changes to the CAF rate.

G.3.2. Contractor Payment Reporting Module (CPRM)

The specific system for all unclassified task order award, modification, invoice, and CAF payment data will be reported electronically through the CPRM system located within the GSA Assisted Acquisition Services (AAS) Business Systems Portal. For classified task orders please contact the OASIS SB Contracting Officer for further instruction. Do not send classified information to the OASIS Program Management Office.

Task order and modification data issued through the AAS Business System Portal may automatically populate into the CPRM; however, it is the Contractor's responsibility to ensure the data has been reported into the CPRM.

CPRM is an operational system under continuous enhancement. The system may not allow for some contractually required data elements identified herein to be directly reported until a future enhancement is accomplished.

G.3.2.1. Task Order Award Data

The Contractor shall report all task order award data within 30 calendar days of award.

Regardless of contract type, all task order award data shall include:

1. OASIS SB MA-IDIQ Contract Number
2. Task Order Award Number (**NOT** the Solicitation Number)

3. Task Order Description (i.e., Type of Professional Services Project)
4. Government-Site, Contractor-Site, or Both
5. Predominant Contract Type (e.g., T&M, CPFF, FFP, etc.)
6. Task Order NAICS Code
7. Task Order PSC Code
8. OCO Name
9. Customer Agency Name and Full Address
10. Customer Agency Code and Bureau Code
11. Initial Period of Performance
12. Award Date
13. Contract Line Item Numbers (CLINs) of the task order. (If the task order does not establish CLINs, the Contractor shall input CLIN Number 9999 as a single CLIN for all billing)
14. Contract Type for each CLIN
15. An electronic copy of the complete task order solicitation issued by the OCO
16. An electronic copy of the complete task order awarded by an OCO

G.3.2.1.1. T&M/Labor Hour Award Data

In addition to the data required under Section G.3.2.1., all T&M/Labor Hour award data shall also include:

1. Initial Obligated/Funded amount
2. Total Task Order Ceiling, including the Base and all Option Periods by CLIN Number
3. Awarded Labor Categories (Note: If the labor categories are in accordance with Section J.1., identify the Labor ID#, SOC number, Job Title, and Contractor or Government Site)
4. The Loaded Hourly Labor Rate and Hours by each corresponding Labor Category for the Base and all Option Periods
5. For any ancillary labor, the Loaded Hourly Labor Rate and Hours by each Specialized Professional Services Labor, Construction Wage Rate Labor, Service Contract Labor Standards, or OCONUS Labor, including a title and description of the labor category, if applicable, for the base and all option periods

G.3.2.1.2. Fixed Price Award Data

In addition to the data required under Section G.3.2.1., all Fixed Price award data shall also include:

1. Initial Obligated/Funded amount
2. Total Firm Fixed Price, including the base and all option periods by CLIN Number
3. Initial Maximum Incentive or Award Fee, if applicable

G.3.2.1.3. Cost Reimbursement Award Data

In addition to the data required under Section G.3.2.1., all Cost Reimbursement award data shall also include:

1. Initial Obligated/Funded amount
2. Total Estimated Cost, including the base and all option periods by CLIN Number
3. Fixed Fee, if applicable
4. Initial Incentive or Award Fee, if applicable

G.3.2.1.4. Limitations on Subcontracting Reporting Data

The Contractor shall report into the CPRM the Total Labor Dollars Subcontracted under each task order. The amount of Labor Dollars Subcontracted must be based on invoiced or actual payments to subcontractors, **NOT** on proposed or estimated amounts.

The Contractor's Limitations on Subcontracting Reporting Data will be monitored in accordance with the following criteria for each type of set-aside:

Total Small Business Set-Aside: In performance of all task orders combined as a Total Small Business Set-Aside, at least 50% of the cumulative average of all task order performance incurred for personnel shall be expended by the OASIS SB Prime Contractor. This requirement applies for each Pool the Contractor has an award under. (**Note:** For Total Small Business Set-Asides, each task order does not have to meet 50% unless otherwise specified by the OCO in their individual task order)

8(a) Set-Aside: In performance of each task order awarded as an 8(a) Set-Aside, at least 50% incurred for personnel shall be expended by the OASIS SB Prime Contractor.

EDWOSB Set-Aside: In performance of services each task order awarded as an EDWOSB Set-Aside, at least 50% incurred for personnel shall be expended by the OASIS SB Prime Contractor.

WOSB Set-Aside: In performance of services each task order awarded as a WOSB Set-Aside, at least 50% incurred for personnel shall be expended by the OASIS SB Prime Contractor.

HUBZone Set-Aside: In performance of each task order awarded as a HUBZone Set-Aside, at least 50% of each task order performance incurred for personnel shall be expended by the OASIS SB Prime Contractor OR at least 50% of each task order performance incurred for employees that are certified as a HUBZone Subcontractors under the NAICS Code assigned to the task order.

SDVOSB Set-Aside: In performance of each task order awarded as a SDVOSB Set-Aside, at least 50% of each task order performance incurred for personnel shall be expended by the OASIS SB Prime Contractor OR at least 50% of each task order performance incurred for employees that are certified as a SDVOSB Subcontractors under the NAICS Code assigned to the task order.

G.3.2.2. Task Order Modification Data

The Contractor shall report all task order modification data within 30 calendar days of receiving a signed copy of the modification.

Modification data shall include:

1. OASIS SB MA-IDIQ Contract Number
2. Task Order Award Number (**NOT** the Solicitation Number)
3. Modification Number
4. Modification Description (e.g., Incremental Funding, Obligation Increase or Decrease, Exercise of Option, Change Order, Period of Performance extension, etc.)
5. OCO Name
6. Modification Period of Performance (Do **NOT** change the initial start date of the task order)
7. Modification Date
8. Modification Obligated/Funded amount allocated to the applicable Contract Line Item Numbers (CLINs)
9. An electronic copy of the complete modification awarded by an OCO

G.3.2.3. Invoice Data

The Contractor shall report invoice data from each paid or remitted invoice within 30 calendar days after the end of the reporting quarter, including the invoice data on task orders issued through the GSA AAS Business System Portal. (Note: Whatever method the Contractor chooses (e.g., “each paid” or “remitted”); the Contractor must be consistent in their reporting method throughout the term of the OASIS SB Contract)

If no Invoice Data was received during a required reporting period for a specific task order, the Contractor shall report in the “Zero Invoice Data” screen located in the CPRM system for that particular task order.

Regardless of contract type, the Contractor shall report the following into the CPRM:

1. OASIS SB MA-IDIQ Contract Number
2. Task Order Award Number (**NOT** the Solicitation Number)
3. Contractor Invoice Number
4. Date Invoice Paid
5. *Amount of Invoice that was Labor
6. Amount of Invoice that was Subcontracted in accordance with Section G.3.2.1.4., Limitations on Subcontracting
7. Amount of Invoice that was Other Direct Costs (if identified as separate CLIN(s) in the task order)
8. Amount of Invoice that was Travel (if identified as a separate CLIN in the task order)

*For T&M or L-H type task orders, the Contractor shall report Labor Categories, Number of Hours, and Fully Loaded Labor Rates for each invoice by Contract Line Item Number (CLIN)

G.3.2.4. CAF Payment Data

The Contractor shall remit the CAF in U.S. dollars to GSA within 30 calendar days after the end of each calendar quarter for all invoice payments received during that calendar quarter as follows:

Calendar Quarters	CAF Due Date
1st Quarter January 1 st – March 31 st	April 30 th
2nd Quarter April 1 st – June 30 th	July 30 th
3rd Quarter July 1 st – September 30 th	October 30 th
4th Quarter October 1 st – December 31 st	January 30 th

Where CAF for multiple invoice payments (on one or more task orders) is due, the Contractor may consolidate the CAF owed into one payment, including the consolidation of CAF across all awarded Pools.

Failure to remit the full amount of the CAF within 30 calendar days after the end of the applicable reporting period constitutes a contract debt to the United States Government under the terms of FAR Subpart 32.6, Contract Debts. In addition, the Government may exercise all rights under the Debt Collection Improvement Act of 1996, including withholding or off setting payments and interest on the debt.

The Contractor's failure to accurately and timely remit the CAF is sufficient cause for the Government to Off-Ramp the Contractor (See Section H.17.)

CAF Payment Data shall include:

1. Trace Number
2. Total Remitted Amount
3. Remit Date
4. Amount applied to each Task Order Number (for the reported payment)

Contractors are encouraged to submit CAF payments electronically using Pay.gov via the CPRM system only.

G.3.2.5. Closeout Data

The Contractor shall submit task order close-out data quarterly following the expiration of a task order. This shall be accomplished for each and every task order. This data shall include:

1. Final Task Order Dollar Value
2. Cumulative Invoiced Amount
3. Total CAF Amount Paid
4. CAF Balance Owed
5. Final Invoice Paid (Y/N)
6. Release of Claims Date
7. Pending Actions Preventing Close-out

G.3.3. Subcontracting Plan

Subcontracting Plans are **not** required for small business concerns; however, Contractors who chose to submit a Small Business Subcontracting Plan with their initial proposal, shall comply with their Subcontracting Plan and Subcontracting Plan Addendums, incorporated into the OASIS SB contract by reference, to ensure that small business, small disadvantage business (SDB), women-owned business (WOSB), HUBZone small business (HUBZone), veteran-owned small business (VOSB), and service-disabled veteran-owned small business (SDVOSB), are provided the maximum practicable opportunity to participate as Subcontractors.

The Subcontracting Plan covers the OASIS SB program as whole, however, the Contractor shall submit Individual Subcontract Reports (ISR) or the SF 294 Report and Summary Subcontract Reports (SSR) or the SF 295 Report per each individual Pool the Contractor has a contract award.

Affiliates of the Prime Contractor or Subcontractor are not included in these reports. Subcontract award data reported by Prime Contractors and Subcontractors shall be limited to awards made to their immediate next-tier Subcontractors.

Contractors are required to adhere to their Subcontracting Plan, incorporated into the basic contract by reference. When a Contractor does not meet any one or more of their Subcontracting Goals for a given reporting period, the Contractor shall explain, in writing, the rationale for not meeting the goals in the comments section of the ISR or SF 294.

G.3.4. Past Performance

Past performance information is relevant information, for future source selection purposes, regarding a Contractor's actions under a previously awarded contracts. It includes, for example, the Contractor's record of conforming to contract requirements and to standards of good workmanship; record of forecasting and controlling costs; adherence to contract schedules, including the administrative aspects of performance; history of reasonable and cooperative behavior and commitment to customer satisfaction; reporting into required databases; record of integrity and business ethics; and, business-like concern for the interest of the customer.

The OASIS Program Office requires use of the Contractor Performance Assessment Reporting System (CPARS) modules as the secure, confidential, information management tool to facilitate the performance evaluation process for task orders awarded under OASIS SB. However, if a customer agency requires an alternative past performance assessment reporting system for a specific task order(s) other than CPARS, the alternative reporting system takes precedence over CPARS.

The COCM will serve as a primary contact and who will be authorized access to the evaluation for review and comment for OASIS SB and task orders awarded under OASIS SB. The COCM shall respond promptly to past performance evaluations as documented by the OCO at the task order level and the OASIS SB CO for OASIS SB.

In addition, the COCM will be required to identify an alternate contact that will be responsible for notifying the OASIS SB CO in the event the primary contact is unavailable to process evaluations within the required 30-day time frame.

G.3.4.1. Contractor Self-Assessment

For the annual reporting period of June 20th through June 19th, the Contractor shall provide the OASIS SB Contracting Officer a self-assessment on the contractual requirements herein.

The purpose of the self-assessment is to support the OASIS SB Contracting Officer in monitoring Contractor's performance standards and compliances outlined in Sections F.4 through F.4.2. of this contract. Self-assessments will be used to resolve any performance or compliance weaknesses, if necessary.

The OASIS SB Contracting Officer will provide a standardized template to the COCM for submitting the self-assessment content and format. The self-assessment report is due August 31st for the preceding reporting period.

G.3.4.2. Task Order CPARS

The OASIS SB CO does not administer or evaluate task order performance. It is the sole responsibility of Federal customer agencies to evaluate each task order exceeding the simplified acquisition threshold under OASIS SB using the process and criteria in the Contractor Performance Assessment Reporting System (CPARS) or alternative past performance assessment reporting system. OCOs and customer agencies must use CPARS for task orders awarded under OASIS SB unless otherwise mandated by the customer agency to utilize past performance systems other than CPARS.

At a minimum, the OCO will be responsible for evaluating final Contractor performance upon task order completion. Interim performance evaluations may be conducted as prescribed by the customer agency's procedures on any task order with a period of performance exceeding one year.

Evaluations of Contractor performance will be provided to the Contractor as soon as practicable after completion of the evaluation. Contractors will be given a minimum of 30 days to submit comments, rebutting statements, or additional information.

Copies of the evaluations, Contractor responses, and review comments, if any, will be retained as part of the task order file, and may be used by Federal agencies to support future award decisions.

G.3.5. Insurance

The insurance coverage specified in FAR Subpart 28.3, Insurance, is the minimum insurance requirement for OASIS SB. Insurance coverage applies to the OASIS program as a whole (e.g. this requirement is cumulative across Pool(s) the Contractor has been awarded OASIS contracts under).

The OCO may require additional insurance coverage or higher limits specific to a task order awarded under OASIS SB. If the task order does not specify any insurance coverage amounts, the minimum insurance requirements in FAR Subpart 28.3 shall apply to the task order. OCOs must tailor insurance coverage clauses, provisions, and other applicable terms and conditions specific to each task order's contract type, solicitation, and award.

The Contractor must maintain the minimum insurance coverage for the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO and designated OCO for affected task orders, in writing, if there are any changes in the status of their insurance coverage and provide the reasons for the change and copies of ACORD Form, Certificate of Liability Insurance, as applicable.

The OASIS SB CO will maintain a record of each OASIS SB Contractor's status of insurance coverage for the OCO. Only those Contractors that meet the insurance coverage requirements on task order solicitations shall be eligible to compete.

G.3.6. Mergers, Acquisitions, Novations, and Change-Of-Name Agreements

If a Contractor merges, is acquired, or recognizes a successor in interest to Government contracts when Contractor assets are transferred; or, recognizes a change in a Contractor's name; or, executes novation agreements and change-of-name agreements by a CO other than the OASIS SB CO, the Contractor must notify the OASIS SB CO and provide a copy of the novation or other any other agreement that changes the status of the Contractor. This notification, if applicable, applies once to the OASIS CO and not for each Pool the Contractor has an award under.

G.3.7. Responsibility and FAPIIS

The Contractor shall maintain sufficient resources and meet the responsibility standards and Contractor qualifications set forth in FAR Part 9, Contractor Qualifications, to continue performance under the OASIS program.

Subject to FAR 52.209-9, Updates of Publicly Available Information Regarding Responsibility Matters, the Contractor shall update the information in the Federal Awardee Performance and Integrity Information System (FAPIIS) on a semi-annual basis, throughout the term of OASIS SB, by posting the required information in the System for Award Management (SAM) database. This update applies for each Pool the Contractor has an award under.

G.3.8. VETS-4212 Reports

Subject to FAR 22.1303, Applicability, and FAR 52.222-37, Employment Reports on Veterans, the Vietnam Era Veterans' Readjustment Assistance Act (VEVRAA) Contractors and Subcontractors to report annually to the Department of Labor the number of employees in their workforces, by job category and hiring location, who are qualified covered veterans. VEVRAA also requires Contractors and Subcontractors to report the number of new hires during the reporting period who are qualified covered veterans.

Contractors shall submit a VETS-4212 report annually to the DOL VETS-4212 website and provide confirmation to the OASIS SB CO, even if the Contractor has no covered veterans or new employees to report during the reporting period.

This report applies for the OASIS Program as a whole, not for each Pool the Contractor has an award under.

G.3.9. FSRs Reports

Subject to FAR 52.204-10, Reporting Executive Compensation and First-Tier Subcontract Awards, Contractors are required to file a Federal Funding Accountability and Transparency Act (FFATA) Sub-Award Report by the end of the month following the month in which the prime Contractor awards any sub-contract greater than \$25,000 into the FFATA Sub-Award Reporting System (FSRS). This reporting applies for each Pool the Contractor has an award under.

G.3.10. Post Award Small Business Program Re-Representation

Subject to FAR 52.219-28, Post-Award Small Business Program Re-Representation; the Contractor shall re-represent its size status upon the occurrence of any of the following:

1. Within 30 days after execution of a novation agreement
2. Within 30 days after a merger or acquisition that does not require a novation, and
3. Within 60 to 120 days prior to the end of the fifth year and prior to exercising Option I

The Contractor shall re-represent its size status in accordance with the size standard in effect at the time of this re-representation that corresponds to the North American Industry Classification System (NAICS) code assigned to the Pool(s) that corresponds to the Contractor's respective OASIS SB Multiple Award Contract Number(s).

The Contractor shall make the re-representation by validating and updating all its representations in the Representations and Certifications section of the System for Award Management (SAM) and its other data in SAM, as necessary, to ensure that they reflect the Contractor's current status. The Contractor shall also notify the OASIS SB Contracting Officer in writing, within the timeframes specified above.

Novation Agreements or Mergers or Acquisitions that does not require a Novation:

After the execution of a novation agreement or, after a merger or acquisition that does not require a novation, if the Contractor's size standard changes from a small business concern to other than a small business concern and the Contractor has active task orders, including the exercise of options and modifications at the task order level, the Contractor shall be placed in Dormant Status immediately in accordance with Section H.16. After all the active task orders are closed out, the Contractor shall be Off-Ramped in accordance with Section H.17. Furthermore, if a Contractor's size standard changes from a small business concern to other than a small business concern after a novation agreement or, after a merger or acquisition that does not require a novation, the Contractor shall not be eligible for Lateral Pool Ramping in accordance with Section H.15.1. or, Vertical Contract On-Ramping in accordance with Section H.15.2.

Upon a novation, merger, or acquisition, if the successor Contractor's size standard remains a small business concern, the successor Contractor will automatically inherit the duties and responsibilities of the predecessor Contractor under the NAICS code assigned to the Pool(s) that corresponds to the Contractor's respective OASIS SB Multiple Award Contract Number(s).

Prior to the end of the Fifth-Year and Exercising Option I:

At the end of the fifth year of this contract and prior to exercising Option I, if the Contractor's size standard changes from a small business concern to other than a small business concern and the Contractor has active task orders, including the exercise of options and modifications at the task order level, the Contractor shall continue performance of active task orders, but not have their OASIS SB Option exercised. However, the Contractor may be eligible for Lateral Pool Ramping in accordance with Section H.15.1. or, Vertical Contract On-Ramping in accordance with Section H.15.2.

Upon re-certification at the end of the fifth year of this contract, if the Contractor's size standard remains a small business concern and the Contractor's Option Determination is determined justifiable by the OASIS SB Contracting Officer in accordance with Section G.5., the Contractor's Option I will be exercised and the Contractor will remain a small business concern under the Pool(s) that correspond to the Contractor's respective OASIS SB Multiple Award Contract Number(s) for the remaining period of performance of the contract.

G.4. OASIS SB AND TASK ORDER CLOSE-OUTS

OASIS SB contracts will be closed out upon the close-out of all task orders awarded under OASIS SB and all CAF fees submitted.

The OCO is responsible for closing out their task orders under OASIS SB. Task order close-out will be accomplished within the procedures set forth in FAR Part 4, Administrative Matters, and FAR Part 42, Contract Administration and Audit Services, and other agency specific regulatory supplements.

The OCO is encouraged to utilize FAR Subpart 42.708, Quick-Closeout Procedures, to the maximum extent practicable. The OCO has the authority to negotiate settlement of indirect costs in advance of the determination of final indirect cost rates if the task order is physically complete and the amount of unsettled indirect cost to be allocated to the task order is relatively insignificant. A determination of final indirect costs under quick-closeout procedures shall be final for the task order it covers and no adjustment shall be made to other task orders for over-or under-recoveries of costs allocated or allocable to the task order covered by the agreement. Once agreement for quick-closeout is reached on an individual task order, a bilateral modification will be issued to close out the task order.

The Contractor agrees to cooperate with the OCO to close out task orders as soon as practical after expiration, cancellation, or termination. The Contractor must report all task order close outs in the CPRM (See Section G.3.2.5.).

G.5. OPTION DETERMINATION

After the initial contract term of 5 years, OASIS SB has included an option to extend the term of the contract in order to demonstrate the value it places on quality performance by providing a mechanism for continuing a contractual relationship with a successful Contractor that performs at a level which meets or exceeds GSA's quality performance expectations.

In recognition of exceptional contract and task order performance of a particular Contractor during their initial 5 year term of performance, the Government will consider exercising a Contractor's Option I, for an additional 5 year term of performance.

The option determination for each Contractor will be based on FAR Subpart 17.207 for exercising the option term; the overall quality of the Contractor's past performance under OASIS SB and task orders awarded against OASIS; meeting the deliverable and compliance standards; and maintaining a strategic partnership between the OASIS SB Contractors, GSA personnel, and Federal customers to identify and achieve reciprocal goals.

(END OF SECTION G)

SECTION H - SPECIAL CONTRACT REQUIREMENTS

H.1. BACKGROUND

This section provides special contract requirements for OASIS SB and each task order placed under OASIS SB for the most effective and efficient streamlined ordering processes for customer agencies and to facilitate the overall quality and success of professional service based solutions.

Clauses and other requirements regarding special contract requirements may be designated by the OCO at the task order level.

H.2. OBSERVANCE OF FEDERAL HOLIDAYS

The Contractor shall observe Federal holidays and other days identified in this section unless otherwise indicated in individual task orders. The Government observes the following days as holidays:

1. New Year's Day
2. Birthday of Martin Luther King Jr. Day
3. Washington's Birthday
4. Memorial Day
5. Independence Day
6. Labor Day
7. Columbus Day
8. Veterans Day
9. Thanksgiving Day, and
10. Christmas Day

In addition to the days designated as holidays, the Government may also observe the following days:

1. Any day designated by Federal Statute; Executive Order; or President's Proclamation

Notwithstanding holidays and Government closures, the Contractor shall perform in accordance with the terms established in OASIS SB and associated task orders.

H.3. ORDERING PROCEDURES

All task orders under OASIS SB must:

1. Be awarded by an OCO with a Delegation of Procurement Authority (DPA) or by a Contractor authorized to use the OASIS SB Contracts as a Government Source of Supply
2. Be within the scope of Section C and all other terms and conditions of the OASIS SB contract
3. Be solicited and awarded under the proper NAICS Code and corresponding OASIS SB MA-IDIQ Contract Number (See Section H.4.)
4. Identify the proper Product Service Code (See Section H.5.) and,
5. Comply with the OASIS SB Contract, OASIS SB DPA Training, OASIS SB Ordering Guide, the Ordering Procedures in FAR Subpart 16.505, Ordering, and other applicable agency specific regulatory supplements

The OCO must tailor all optional and agency supplemental clauses, provisions, and other applicable terms and conditions specific to the task order solicitation and award (See Section I.1 Task Order Clauses).

All costs associated with the preparation, presentation, and discussion of the Contractor's proposal in response to a task order solicitation will be at the Contractor's sole and exclusive expense and each task order will be funded by the ordering agency at the task order level.

H.3.1. Set-Asides Based on Socio-Economic Group

OASIS SB is a total small business set-aside contract. In addition to total small business set-asides, OASIS SB set-asides can be based on specific socio-economic groups.

An OASIS SB task order solicitation may be a sole-source direct award for a specific socio-economic group or a competitive set-aside for a specific socio-economic group when it is anticipated that offers will be obtained from at least two responsible small business concerns within a specific socio-economic group.

Socio-economic groups eligible for a direct award or a competitive set-aside are identified as follows:

1. * 8(a) business development participants
2. HUBZone small business concerns
3. Service-disabled veteran-owned small business (SDVOSB) concerns
4. ** Economically disadvantaged women-owned small business (EDWOSB) concerns eligible under the Women-owned Small Business Program and Repository
5. ** Women-owned small business (WOSB) concerns eligible under the WOSB Program and Repository

OASIS SB Contractor's socio-economic status and eligibility for direct awards and set-asides under this contract is specific to OASIS SB. Do not use SAM.gov, E-Library, or any other method to determine the socio-economic eligibility of contractors under OASIS SB. A current list of all eligible contractors by Socio-Economic Category and Pool specific to this contract is located at www.gsa.gov/oasis under tab "Contact OASIS Contractors"; document "How to issue a Socio-Economic RFP".

In the event of any regulatory changes during the duration of OASIS SB, the OASIS SB CO reserves the right to unilaterally modify OASIS SB to reflect the change at no additional cost to the Government.

* For 8(a) set-asides, separate offer and acceptance letters to the Small Business Administration (SBA) are not required.

** EDWOSB and WOSB direct award and competitive set-asides are subject to specific North American Industry Classification System (NAICS) industry groups in which EDWOSBs and WOSBs are underrepresented. The eligible NAICS Codes for EDWOSB and WOSB direct awards and set-asides are subject to change by the SBA. A current list of eligible EDWOSB and WOSB set-asides specific to the NAICS codes under this contract is located at www.gsa.gov/oasis under tab "Contact OASIS Contractors"; document "How to issue a Socio-Economic RFP".

H.4. NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (NAICS)

The Office of Management and Budget's (OMB's) North American Industry Classification System (NAICS) is a coding system for classifying where services are performed by type of economic activity in order to analyze economic data and promote uniformity in describing the economy.

The Small Business Administration (SBA) assigns a business size standard to each NAICS code, which is usually stated in number of employees or average annual receipts, to represent the largest size that a business (including its subsidiaries and affiliates) may be to remain classified as a small business by the SBA in order to qualify for small business socio-economic programs.

NAICS Codes and small business size standards are periodically updated and revised by SBA. If SBA revises NAICS Code(s) and small business size standard(s) that are within the scope of OASIS SB during the term of OASIS SB, the OASIS SB CO may need to update the OASIS SB MA-IDIQ task order contracts to reflect the updated NAICS Code(s) and small business size standards(s).

H.4.1. Pool 2 NAICS Codes

All NAICS Codes associated to this contract are grouped under the small business size standard of \$20.5 Million and identified in Section H.4.2.

H.4.2. Predominant Task Order NAICS Determination

The OCO has the responsibility to determine which predominant NAICS code applies to a task order solicitation, whether or not the task order is unrestricted or set-aside, including the type of socio-economic set-aside if applicable, and whether or not the solicitation is sole-source or competitive. If the solicitation could be classified in two or more NAICS codes with the same or different size standard, the OCO shall only apply the NAICS code and corresponding size standard for the industry accounting for the greatest percentage of anticipated task order price/cost.

Under this contract, the OCO must identify a predominate Pool 2 NAICS Code and \$20.5 Million Business Size Standard from the table below in the task order solicitation and report the NAICS Code in the Federal Procurement Data System (FPDS).

The OCO must provide fair opportunity to all Contractors under Pool 2 for solicitation purposes, unless an exception to fair opportunity under Pool 2 has been properly executed. Ordering Procedures at FAR 16.505 apply.

Only Pool 2 NAICS Codes are eligible to be selected as the predominate NAICS Code for task orders solicited under this contract and only Pool 2 Contractors are eligible to receive solicitations and task order awards under this contract.

POOL 2 (\$20.5M Business Size Standard)	
NAICS CODE	NAICS TITLE
541211	Offices of Certified Public Accountants
541213	Tax Preparation Services
541214	Payroll Services
541219	Other Accounting Services
541720	Research and Development in the Social Sciences and Humanities

H.5. PRODUCT SERVICE CODES (PSC)

The PSC represents what products, services, and/or research and development (R&D) was purchased by the federal government for each task order award reported in the Federal Procurement Data System (FPDS).

The scope of OASIS SB spans across many PSCs, however, the primary PSC selected must be based on the predominant service that is being purchased.

The CPRM reporting system facilitates compliance with proper PSC reporting for all federal agencies, including DoD's taxonomy for the acquisition of services that maps PSCs into 6 separate Portfolio Groups, such as, Knowledge Based Services; Facility Related Services; Transportation Services; Medical Services, Electronics & Communication Services; and Equipment Related Services.

The OCO must identify the PSC in the task order solicitation and report the PSC in the Federal Procurement Data System (FPDS).

The Contractor shall enter the PSC in CPRM for each task order award.

H.6. SYSTEMS, CERTIFICATIONS, AND CLEARANCES

Acceptable Accounting Systems are mandatory for all Contractors on OASIS SB. All other Systems, Certifications, and Clearances are optional; however, Contractors are encouraged to acquire the following Systems, Certifications, and Clearances for the benefit of customer agencies.

All Systems, Certifications, and Clearances must be maintained at the Contractors current level at time of award or higher throughout the period of performance of OASIS SB. For example, if a Contractor received an evaluation credit for having an Approved Purchasing System and CMMI Level 3 certification at time of award, then the Contractor must maintain an Approved Purchasing System and CMMI Level 3 certification level or higher for the life of OASIS SB.

Failure to meet the following deliverables, reports, or compliance standards may result in activation of Dormant Status and/or result in a Contractor being Off-Ramped (See Sections H.16. and H.17.).

For each Contractor, the OASIS Program Office will maintain a current list of all applicable Systems, Certifications, and Clearances for the OCO upon request.

H.6.1. Acceptable Accounting System

An acceptable accounting system is a system that is approved by the OASIS SB CO, in consultation with the Defense Contract Audit Agency (DCAA), and provides for the proper segregation, identification, accumulation, and allocation of direct and indirect costs for government procurements

Acceptable Accounting Systems are mandatory. The Contractor must maintain an acceptable accounting system for the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO and designated OCO for affected task orders, in writing, if there are any changes in the status of their accounting system and provide the reasons for the change and copies of audit reports, as applicable.

Only those Contractors that maintain an acceptable accounting system, as approved by the OASIS SB CO, shall be eligible for task order solicitations.

H.6.2. Acceptable Estimating System

An estimating system is a system that includes policies, procedures, and practices for budgeting and planning controls, and generating estimates of costs and other data included in proposals submitted to customers in the expectation of receiving contract awards.

An acceptable estimating system means an estimating system that is:

1. Maintained, reliable, and consistently applied
2. Produces verifiable, supportable, documented, and timely cost estimates that are an acceptable basis for negotiation of fair and reasonable prices
3. Is consistent with and integrated with the Contractor's related management systems
4. Is subject to applicable financial control systems

An Acceptable Estimating System is not mandatory; however, Contractors are encouraged to have an acceptable estimating system approved by the Defense Contract Management Agency (DCMA) or other cognizant auditor for the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO and designated OCO for affected task orders, in writing, if there are any changes in the status of their estimating system and provide the reasons for the change and copies of audit reports, as applicable.

H.6.3. Reserved

H.6.4. Forward Pricing Rate Agreements, Forward Pricing Rate Recommendations, and Approved Billing Rates

Billing rates and final indirect cost rates may be used in reimbursing indirect costs under cost-reimbursement task orders and in determining progress payments under fixed-price task orders.

A Forward Pricing Rate Agreement (FPRA) means a written agreement to make certain rates available during a specified period for use in pricing contracts or modifications. These rates represent reasonable projections of specific costs that are not easily estimated for, identified with, or generated by a specific contract, contract end item, or task. These projections may include rates for such things as direct labor, indirect costs, material obsolescence and usage, and material handling.

A Forward Pricing Rate Recommendation (FPRR) means a set of rates and factors unilaterally established by the ACO for use by the Government in negotiations or other contract actions when forward pricing rate agreement negotiations have not been completed or when the Contractor will not agree to a forward pricing rate agreement.

Approved Billing Rates means an indirect cost rate established temporarily for interim reimbursement of incurred indirect costs and adjusted as necessary pending establishment of final indirect cost rates.

For Time and Material, Labor-Hour, and Cost Reimbursement (all types) task orders solicited and awarded under OASIS SB, Contractors are encouraged to execute a FPRA and/or approved billing rates to the maximum extent practicable. Contractors may use FPRRs when an FPRA has not been negotiated.

The Contractor shall notify the OASIS SB CO and designated OCO for affected task orders, in writing, if there are any changes in the status of their FPRA, FPRR, and/or approved billing rates and provide the reasons for the change and copies of audit reports, as applicable.

FPRA, FPRR, and/or Approved Billing Rates will not be disclosed on the OASIS SB website. Only the OCO will have access to this information upon request.

H.6.5. Approved Purchasing System

An approved purchasing system means the Contractor's purchasing system has been approved under a Contractor Purchasing System Review (CPSR) for efficiency and effectiveness with which the Contractor spends Government funds and complies with Government policy when subcontracting.

Advance notification requirements for subcontracting and consent to subcontract are not required when a Contractor has an approved purchasing system unless otherwise requested by the OCO on an individual task order or task orders with no subcontracting possibilities or for commercial items acquired under FAR Part 12.

An Approved Purchasing System is not mandatory; however, Contractors are encouraged to have a purchasing system approved by the Defense Contract Management Agency (DCMA) or other cognizant Government administration office for the entire term of OASIS SB.

The Contractor shall notify the OASIS SB CO and designated OCO for affected task orders, in writing, if there are any changes in the status of their purchasing system and provide the reasons for the change and copies of CPSR reports, as applicable.

H.6.6. Earned Value Management System

An earned value management system (EVMS) means a project management tool that effectively integrates the project scope of work with cost, schedule and performance elements for optimum project planning and control. The qualities and operating characteristics of EVMS are described in American National Standards Institute /Electronics Industries Alliance (ANSI/EIA) Standard-748.

An EVMS is not mandatory; however, Contractors are encouraged to have an EVMS ANSI/EIA Standard-748 during the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO, in writing, if there are any changes in the status of their EVMS and provide the reasons for the change and copies of audits by the Defense Contract Management Agency (DCMA) or other cognizant Government administration office, as applicable. If only part of a Contractor's organization is EVMS ANSI/EIA Standard-748 certified, the Contractor shall make the distinction between which business units or sites and geographic locations have been certified.

H.6.7. ISO 9001:2008 Certification

International Organization for Standardization (ISO) 9001:2008 Certification specifies requirements for a quality management system to demonstrate the Contractor's ability to consistently meet the customer requirements as well as statutory and regulatory requirements.

An ISO 9001:2008 Certification is not mandatory; however, Contractors are encouraged to have ISO 9001:2008 Certification during the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO, in writing, if there are any changes in the status of their ISO 9001:2008 Certification and provide the reasons for the change and copies of audits from an ISO 9001 Certification Body, as applicable. If only part of a Contractor's organization is ISO 9001:2008 certified, the Contractor shall make the distinction between which business units or sites and geographic locations have been certified.

H.6.8. ISO 17025 Certification

International Organization for Standardization (ISO) 17025 Certification is used by laboratories to implement a quality system aimed at improving their ability to consistently produce valid results.

An ISO 17025 Certification is not mandatory; however, Contractors who desire to compete for work involving laboratories within the research and development industry are encouraged to have ISO 17025 Certification during the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO, in writing, if there are any changes in the status of their ISO 17025 Certification and provide the reasons for the change and copies of audits from an ISO 17025 Certification Body, as applicable. If only part of a Contractor's organization is ISO 17025 certified the Contractor shall make the distinction between which business units or sites and geographic locations have been certified.

H.6.9. ISO 14001:2004 Certification

International Organization for Standardization (ISO) 14001:2004 Certification is applicable to any organization that wishes to establish, implement, maintain and improve their environmental management system and to assure itself of conformity with its stated environmental policy.

An ISO 14001:2004 Certification is not mandatory; however, Contractors who desire to compete for environmental related work are encouraged to have ISO 14001:2004 Certification during the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO, in writing, if there are any changes in the status of their ISO 14001:2004 Certification and provide the reasons for the change and copies of audits from an ISO 14001:2004 Certification Body, as applicable. If only part of a Contractor's organization is ISO 14001:2004 certified, the Contractor shall make the distinction between which business units or sites and geographic locations have been certified.

H.6.10. AS9100 Certification

AS9100 Certification specifies requirements for a quality management system to demonstrate the Contractor's ability to consistently meet the customer requirements as well as statutory and regulatory requirements for the aerospace industry.

An AS9100 Certification is not mandatory; however, Contractors who desire to compete for work within the aerospace industry are encouraged to have AS9100 Certification during the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO, in writing, if there are any changes in the status of their AS9100 Certification and provide the reasons for the change and copies of audits from an AS9100 Certification Body, as applicable. If only part of a Contractor's organization is AS9100 certified, the Contractor shall make the distinction between which business units or sites and geographic locations have been certified.

H.6.11. CMMI Maturity Level Certification

Capability Maturity Model Integration (CMMI) is a 5 level approach to improve processes across projects, divisions, or an entire organization in the areas of acquisition, services, and/or development.

CMMI Certification is not mandatory; however, Contractors are encouraged to have CMMI Maturity Level 2 or higher in acquisition, services, and/or development during the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO, in writing, if there are any changes in the status of their CMMI Level and provide the reasons for the change and copies of appraisals from a CMMI Instituted Certified Lead Appraiser, as applicable. If only part of a Contractor's organization is CMMI certified, the Contractor shall make the distinction between which business units or sites and geographic locations have been certified.

H.6.12. Meaningful Relationship Commitment Letters

If applicable, Meaningful Relationship Commitment Letter(s) (MRCL) establishes the relationship and commitments of performance for Contractors who share Systems, Certifications, and Clearances from other affiliates, divisions, or subsidiaries within a Contractor's internal corporate structure.

If applicable, the Contractor must maintain and honor each MRCL for the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO, in writing, if there are any changes in the status of their internal corporate relationships or commitments and provide the reasons for the change.

If applicable, the Contractor's MRCLs are incorporated by reference into the OASIS SB contract and the OASIS Program Office will provide MRCLs for the OCO upon request.

H.7. SECURITY CLEARANCE REQUIREMENTS

The OCO must tailor security requirements (both facility and employee), clauses, provisions, and other applicable terms and conditions specific to each task order's solicitation and award.

Only those Contractors that meet the required security clearance levels on individual task order solicitations are eligible to compete for such task orders.

In general, all necessary facility and employee security clearances shall be at the expense of the Contractor. In some cases, Government offices that conduct background investigations do not have a means for accepting direct compensation from Contractors and instead charge customer agencies for the background investigations. In these cases, the Contractor shall be flexible in establishing ways of reimbursing the Government for these expenses. The individual task order should specify the terms and conditions for reimbursement, if any, for obtaining security clearances. The Contractor shall comply with all security requirements in task orders awarded under OASIS SB.

H.7.1. Facility Clearance Level

A facility clearance level (FCL) is when a Contractor's facility is eligible for access to classified information at the Confidential, Secret, or Top Secret level. The FCL includes the execution of a Department of Defense (DoD) Security Agreement (DD Form 441 and DD Form 441-1) and Certificate Pertaining to Foreign Interests (SF 328).

Under the terms of a FCL agreement, the Government agrees to issue the FCL and inform the Contractor as to the security classification of information to which the Contractor will have access. The Contractor, in turn, agrees to abide by the security requirements set forth in the National Industrial Security Program Operating Manual, commonly referred to as the NISPOM.

There are no mandatory levels of facility security clearance for Contractors under OASIS; however, task orders may require an FCL at any level, under OASIS SB.

The Contractor, at its own expense, must maintain their FCL by the Defense Security Service (DSS) for the entire term of OASIS SB. The Contractor shall notify the OASIS SB CO and designated OCO for affected task orders, in writing, if there are any changes in the status of their FCL and provide the reasons for the change. If only part of a Contractor's organization has a FCL, the Contractor shall make the distinction between which business units or sites and geographic locations have a FCL.

Only those Contractors that meet a required FCL level on task order solicitations shall be eligible to compete.

H.7.2. Employee Security Clearance

Security clearances for Contractor employees, including Subcontractor employees, may require Confidential, Secret, Top Secret, Agency-Specific Clearances, and/or Special Background Investigations for Sensitive Compartmented Information or Special Access Programs. In such cases, the Contractor, at its own expense, is responsible for providing and maintaining personnel with the appropriate security clearances to ensure compliance with Government security regulations, as specified in the individual task order.

The Contractor shall fully cooperate on all security checks and investigations by furnishing requested information to verify the Contractor employee's trustworthiness and suitability for the position. Task orders containing classified work may also include a Contract Security Classification Specification, (i.e., DD Form 254 or civilian agency equivalent).

The Government has full and complete control over granting, denying, withholding or terminating security clearances for employees. The granting of a clearance shall not prevent, preclude, or bar the withdrawal or termination of any such clearance by the Government.

H.7.3. HSPD-12

When a Contractor or their Subcontractors are required to have physical access to a Federal controlled facility or access to a Federal information system, the Contractor shall comply with agency personal identity verification procedures in task orders that implement Homeland Security Presidential Directives-12 (HSPD-12).

H.8. SUSTAINABILITY

OASIS SB seeks to benefit from the use of sustainable management practices by Contractors including tracking and seeking continual reductions in energy usage, greenhouse gas emissions, water consumption, solid waste and hazardous waste, and other relevant environmental impacts and associated costs.

Use of these sustainable management practices results in lower environmental impacts of delivered products and services, helping customers meet sustainable acquisition requirements under Executive Order 13514: Federal Leadership in Environmental, Energy and Economic Performance, and its precursors, successors and related regulations.

Public disclosures of environmental impacts and sustainable management practices have been associated with increased operational efficiency, lower overhead costs, and reduced supply chain and other business risks for disclosing companies.

Sustainability disclosures can help OASIS SB customers understand the major environmental impacts of procured products and services, familiarize themselves with the available strategies for reducing these impacts, and design projects and task order requirements which incorporate these strategies.

GSA encourages Contractors to provide the location(s) (Internet URL or URLs) of one or more sources of publicly available information regarding its company-wide environmental impacts and sustainable management practices (sustainability disclosures) on the Contractor's OASIS SB webpage. In making sustainability disclosures, the Contractor is requested to utilize existing, widely recognized third-party sustainability reporting portals and services such as the Global Reporting Initiative (GRI) Sustainability Disclosure Database (database of corporate social responsibility (CSR) reports) and the Carbon Disclosure Project (CDP) Climate Change and Water Disclosure Questionnaires. Additionally, it is strongly encouraged that all sustainability disclosures be kept up-to-date and accurate.

These sustainability-related standards, including estimates of the lifecycle costs and environmental impacts of proposed solutions, may apply at the task order level.

H.9. PROPRIETARY SOLUTIONS

Contractors are discouraged from proposing proprietary solutions in response to OASIS SB task order requirements that necessitate the Contractor's proprietary process, system, maintenance, and/or solution that would prevent competition at a future point or require sustained and non-competitive support.

If a proprietary solution is proposed by a Contractor for a given task order requirement, the Contractor shall mark their proposal accordingly and make it clear to the OCO all limitations and costs associated with the solution.

H.10. LIMITATIONS ON SUBCONTRACTING

In performance of services awarded under OASIS SB, Limitations on Subcontracting, will be monitored and strictly enforced by the OASIS SB CO.

The Contractor shall invoice to the customer the Total Labor Dollars Subcontracted under each task order. The amount of Labor Dollars Subcontracted must be based on invoiced or actual payments to subcontractors, **NOT** on proposed or estimated amounts.

The Contractor's Limitations on Subcontracting performance will be monitored in accordance with the following criteria for each type of set-aside:

Total Small Business Set-Aside: In performance of all task orders combined as a Total Small Business Set-Aside, at least 50% of the cumulative average of all task order performance incurred for personnel shall be expended by the OASIS SB Prime Contractor. This requirement applies for each Pool the Contractor has an award under. (**Note:** For Total Small Business Set-Asides, each task order does not have to meet 50% unless otherwise specified by the OCO in their individual task order)

8(a) Set-Aside: In performance of each task order awarded as an 8(a) Set-Aside, at least 50 percent of the cost of contract performance incurred for personnel shall be expended for employees of the OASIS SB Prime Contractor.

EDWOSB Set-Aside: In performance of services each task order awarded as an EDWOSB Set-Aside, the OASIS SB Prime Contractor will perform at least 50 percent of the cost of the task order incurred for personnel with its own employees.

WOSB Set-Aside: In performance of services each task order awarded as a WOSB Set-Aside, the OASIS SB Prime Contractor will perform at least 50 percent of the cost of the task order incurred for personnel with its own employees.

HUBZone Set-Aside: In performance of each task order awarded as a HUBZone Set-Aside, at least 50 percent of the cost of personnel for contract performance will be spent for employees of the OASIS SB Prime Contractor or employees of other HUBZone small business concerns under the NAICS Code assigned to the task order.

SDVOSB Set-Aside: In performance of each task order awarded as a SDVOSB Set-Aside, at least 50 percent of the cost of personnel for contract performance will be spent for employees of the OASIS SB Prime Contractor or employees of other service-disabled veteran-owned small business concerns under the NAICS Code assigned to the task order.

In the event any Limitations on Subcontracting regulations change during the duration of OASIS SB, the OASIS SB CO reserves the right to unilaterally modify OASIS SB to reflect the change at no additional cost to the Government.

The Contractor shall report Limitations on Subcontracting Data in the CPRM in accordance with Section G.3.2.1.4.

H.11. PARTNERING

GSA intends to encourage the foundation of a cohesive partnership between the OASIS SB Contractors, GSA OASIS SB personnel, and Federal agency customers to identify and achieve reciprocal goals, with effective and efficient customer-focused service, in accordance with the terms of the OASIS SB contract.

Failure to attend meetings, maintain a Contractor OASIS SB webpage, or otherwise not comply with this section may result in activation of Dormant Status and/or result in a Contractor being Off-Ramped (See Sections H.16. and H.17.).

H.11.1. Meetings

From time to time, the Government may require Contractor attendance, including the attendance of Contractor Key Personnel, at meetings at various locations.

Meetings may be via web-casting, in-person at a government facility, a commercial conference center, or a mutually agreed-upon Contractor facility on a rotational basis, as determined by the Government. Follow-up meetings may be held periodically throughout the duration of OASIS SB in order to assess performance against the goals and to reinforce partnering principles.

GSA may require up to four OASIS SB Program Management Review (PMR) meetings per year. The goal of the PMR meetings are to provide a platform for OASIS SB Contractors, OASIS SB staff, and other agency representatives to communicate current issues, resolve potential problems, discuss business and marketing opportunities, review future and ongoing GSA and Government-wide initiatives, and address OASIS SB fundamentals. Any Contractor costs associated to PMR Meetings shall be at no direct cost to the Government.

H.11.2. GSA OASIS SB Webpage

GSA will establish an OASIS SB website for the purposes of informing our customers, stakeholders, and the general public of the attributes and procedures for OASIS SB.

The GSA OASIS SB webpage will include, but not be limited to, the following:

1. General overview of the attributes of OASIS SB
2. The OASIS SB conformed contract through the latest modification (Sections B through J)
3. GSA Key Personnel point of contact (POC) information (Names, Titles, Phone Numbers, E-mail Addresses)
4. Contractor Key Personnel POC information (Names, Titles, Phone Numbers, E-mail Addresses)
5. List of Contractor Numbers, Company Names by NAICS Pools and MA-IDIQ task order contracts, and direct POC for issuing task order solicitations by an OCO
6. Delegation of Procurement Authority (DPA) process for the OCO
7. OASIS SB Training and Ordering Guides
8. Sample procurement templates for the OCO
9. Scope review process for the OCO
10. Statistical information by Agency and Contractor
11. Links to other mandatory websites for reporting purposes or ordering procedures
12. List of Contractors not eligible for solicitations and awards due to Dormant Status or Off-Ramped, if necessary.
13. List of Contractors eligible for Socio-Economic set-asides by type of category
14. Frequently Asked Questions

H.11.3. Contractor OASIS SB Webpage

Within 30 days of the Notice to Proceed, the Contractor shall develop and maintain a current, publicly available webpage accessible via the Internet throughout the term of OASIS SB and task orders awarded under OASIS SB. The Contractor shall make their OASIS SB webpage Rehabilitation Act Section 508 compliant.

The purpose of the webpage is for the Contractor to communicate with potential customers regarding the Contractor's ability to provide professional support services under OASIS SB.

At a minimum, this webpage must include, but is not limited to the following:

1. Link to the GSA OASIS SB webpage
2. General Overview of OASIS
3. OASIS SB related marketing materials and news releases
4. Contractor Capabilities for OASIS
5. Contractor Key Personnel POC information (Names, Titles, Phone Numbers, E-mail Addresses)
6. The OASIS SB conformed contract through the latest modification (Sections B through J) in Adobe format
7. The OASIS SB Contract's Awarded DUNS Number and CAGE Code
8. Sustainability Disclosures, if any

H.11.4. Marketing

The Contractor must maintain participation by actively pursuing work and competing for task order solicitations under OASIS SB.

The Contractor may develop company specific OASIS SB brochures for distribution at trade shows, conferences, seminars, etc., and distribute printed materials to enhance awareness of OASIS SB.

The Contractor may participate in various conferences and trade shows to facilitate outreach efforts for federal agency customers and to aid in the marketing of OASIS SB.

All marketing, promotional materials, and news releases in connection with OASIS SB or task order awards under OASIS SB, including information on the Contractor's OASIS SB webpage, may be co-branded with marks owned or licensed by the Contractor and GSA, as long as the Contractor complies with GSAM 552.203-71, Restriction on Advertising.

GSA reserves the right to review, and must approve, any marketing, promotional materials, or news releases by a Contractor that is OASIS SB related, including information on the Contractor's OASIS SB webpage.

H.11.5. Minimum Task Order Awards or Estimated Value

Starting from the date of the OASIS SB Notice-to-Proceed, the Contractor shall attain a minimum of 3 task order awards or a total task order estimated value of \$20M (total estimated value of all task orders inclusive of all options) prior to the exercise of Option I under OASIS SB.

This requirement applies to the OASIS program as a whole (e.g. this requirement is cumulative across all task orders awarded under the Pool(s) the Contractor has been awarded OASIS SB contracts under).

In the event a Contractor is on-ramped to the contract after original contract award, the number of expected task order awards to be attained shall be proportionate with the amount of time spent on the contract in the base period. For example, if the Contractor is on-ramped to the contract in Year 1, the Contractor would be expected to attain a minimum of 2 task order awards or total task order estimated value of \$13.3M prior to the exercise of Option I.

Failure to attain the expected number of task order awards or estimated value prior to the exercise of Option I may result in a Contractor being Off-Ramped (See Section H.16.).

H.12. TRAINING AND PERMITS

The Contractor shall provide fully trained and experienced personnel required for performance under task orders awarded under OASIS SB. The Contractor shall train Contractor personnel, at its own expense, except when the OCO has given prior approval for specific training to meet special requirements that are peculiar to a particular task order.

Except as otherwise provided in an individual task order, the Contractor shall, at its own expense, be responsible for obtaining any and all licenses, certifications, authorizations, approvals, and permits, and for complying with any applicable Federal, national, state, and municipal laws, codes, and regulations, and any applicable foreign work permits, authorizations, and/or visas in connection with the performance of any applicable task order issued under OASIS SB.

H.13. ETHICS AND CONDUCT

Personal services are not authorized under OASIS SB. OASIS SB is strictly a non-personal services contract which means the personnel rendering the services are not subject, either by the contract's terms or by the manner of its administration, to the supervision and control usually prevailing in relationships between the Government and its employees.

The Contractor and its employees must conduct themselves with the highest degree of integrity and honesty and adhere to the policies and procedures as specified in FAR Part 3 and GSAM Part 503 Improper Business Practices and Personal Conflicts of Interest.

Failure to adhere to proper ethics and conduct may result in activation of Dormant Status and/or result in a Contractor being Off-Ramped (Sections H.16. and H.17.).

H.13.1. Supervision

The Contactor shall not supervise, direct, or control the activities of Government personnel or the employee of any other Contractor under OASIS SB and the Government will not exercise any supervision or control over the Contractor in the performance of contractual services under OASIS SB. The Contractor is accountable to the Government for the actions of its personnel.

Contractor employees shall not represent themselves as Government employees, agents, or representatives or state orally or in writing at any time that they are acting on behalf of the Government.

In all communications with third parties in connection with OASIS SB, the Contractor must ensure that all Contractor employees identify themselves as Contractor employees and identify the name of the company for which they work and, must not carry out any direction that violates the terms and conditions of OASIS SB.

The Contactor shall ensure that all of its employees, including Subcontractor employees, working under OASIS SB are informed of the substance of this Section.

If the Contractor believes any action or communication has been given that would create a personal services relationship between the Government and any Contractor employee or any other potential supervision or duty violation, the Contractor must notify the OCO and OASIS SB CO immediately of this communication or action.

H.13.2. Conduct

The Contactor shall not discuss with unauthorized persons any information obtained in the performance of work under OASIS; conduct business other than that which is covered by OASIS SB during periods funded by the Government; conduct business not directly related to OASIS SB on Government premises; use Government computer systems and/or other Government facilities for company or personal business; recruit on Government premises; or otherwise act to disrupt official Government business.

The Contactor shall ensure that all of its employees, including Subcontractor employees, working under OASIS SB are informed of the substance of this clause.

If the Contractor believes any action or communication has been given that would create a business ethic or conduct violation, the Contractor must notify the OCO and OASIS SB CO immediately of this communication or action.

H.13.3. Conflicts of Interest

The guidelines and procedures of FAR Subpart 9.5 and GSAM Subpart 509.5, Organizational and Consultant Conflicts of Interest, and FAR Part 3 and GSAM Part 3, Improper Business Practices and Personal Conflicts of Interest, will be used in identifying and resolving any issues of a conflict of interest under OASIS SB. The FAR and other applicable agency specific regulatory supplements will govern task orders awarded under OASIS SB.

Assuming no real or potential conflict of interest, an OASIS SB Prime Contractor may be a Subcontractor to another Prime Contractor on task orders solicited and awarded under OASIS or OASIS SB; however, the OCO may require that the Contractor sign an Organizational Conflict of Interest (OCI) Statement in which the Contractor (and any Subcontractors or teaming partners) agree not to submit any proposal or provide any support to any firm which is submitting (as Prime or Subcontractor) any proposal for any solicitation resulting from the work on a specific task order under OASIS SB.

All Contractor personnel (to include Subcontractors and Consultants) who will be personally and substantially involved in the performance of any task order issued under OASIS SB which requires the Contractor to act on behalf of, or provide advice with respect to any phase of an agency procurement shall execute and submit an "Employee/Contractor Non-Disclosure Agreement" Form. The OCO will provide the appropriate nondisclosure form specific to the procurement. This form shall be required prior to the commencement of any work on such task order and whenever replacement personnel are proposed under an ongoing task order.

The Contractor shall be responsible for identifying and preventing personal conflicts of interest of their employees. The Contractor shall prohibit employees who have access to non-public information by reason of performance on a Government contract from using that information for personal gain.

In the event that a task order requires activity that would create an actual or potential conflict of interest, the Contractor shall immediately notify the OCO of the conflict, submit a plan for mitigation, and not commence work until specifically notified by the OCO to proceed; or, identify the conflict and recommend to the OCO an alternate approach to avoid the conflict.

The OCO or OASIS SB CO, if necessary, will review the information provided by the Contractor and make a determination whether to proceed with the task order and process a request for waiver, if necessary.

H.13.4. Cooperation with other Contractors on Government Sites

The Government may undertake or award other contracts or task orders for work at or in close proximity to the site of the work under OASIS SB. The Contractor shall fully cooperate with the other Contractors and with Government employees and shall carefully adapt scheduling and performing the work under OASIS SB to accommodate the working environment, heeding any direction that may be provided by the OCO. The Contractor shall not commit or permit any act that will interfere with the performance of work by any other Contractor or by Government employees.

H.14. GOVERNMENT PROPERTY

For task orders awarded under OASIS SB, Government property matters shall follow the same policies and procedures for Government property under FAR Part 45, Government Property and other applicable agency specific regulatory supplements.

FAR Part 45 does not apply to Government property that is incidental to the place of performance, when the task order requires Contractor personnel to be located on a Government site or installation, and when the property used by the Contractor within the location remains accountable to the Government.

Unless otherwise specified in a task order, the Contractor shall provide all office equipment and consumable supplies at the Contractor's sole and exclusive expense, including computers/workstations used in daily operation in support of OASIS SB.

The OCO must tailor property clauses, provisions, and other applicable terms and conditions specific to each task order solicitation and award.

H.14.1. Leasing of Real and Personal Property

The Government contemplates that leases may be part of a task order solution offered by a Contractor, but the Government, where the Contractor's solution includes leasing, must not be the Lessee. Under no circumstances on any task order awarded under OASIS SB shall the Government be deemed to have privity-of-contract with the Owner/Lessor of the Leased Items; or, the Government be held liable for early Termination/Cancellation damages if the Government decides not to exercise an option period under a task order unless the Contractor has specifically disclosed the amount of such damages (or the formula by which such damages would be calculated) as part of its proposal and the OCO for the task order has specifically approved/allowed such damages as part of the task order terms and conditions.

H.14.2. Government Facilities

The Contactor shall arrange with the OCO or other designated representative for means of access to premises, delivery and storage of materials and equipment, use of approaches, use of corridors, stairways, elevators, and similar matters.

A Contractor working in a government facility shall be responsible for maintaining satisfactory standards of employee competency, conduct, appearance, and integrity and shall be responsible for taking disciplinary action with respect to their employees as necessary.

The Contractor is responsible for ensuring that their employees do not disturb papers on desks, open desk drawers or cabinets, or use Government telephones, except as authorized. Each employee is expected to adhere to standards of behavior that reflect favorably on their employer and the Federal Government.

The Contactor shall ensure that all of its employees, including Subcontractor employees, working under OASIS SB are informed of the substance of this clause.

H.14.3. Rights of Ingress and Egress

The rights of ingress to, and egress from, Government facilities for the Contractor's personnel must be specified in the task order. Specific federally-controlled facilities or those areas located within a given facility may have additional security clearance requirements must be specified in the task order.

Contractor employees, including Subcontractor employees, shall have in their possession, at all times while working, the specific Government identification credential issued by the Government. The identification credential shall be displayed and be visible at all times while on Government property.

During all operations on Government premises, the Contractor's personnel shall comply with the rules and regulations governing the facility access policies and the conduct of personnel. The Government reserves the right to require Contractor personnel to "sign-in" upon entry and "sign-out" upon departure from the Government facilities.

The Contactor shall be responsible for ensuring that all identification credentials are returned to the issuing agency whenever contract employees leave the contract, when the task order has been completed, employees leave the company, or employees are dismissed or terminated. The Contractor shall notify the issuing agency whenever employee badges are lost.

H.15. ON-RAMPING

The total number of Contractors within any of the 7 OASIS SB Pools may fluctuate due to any number of reasons including but, not limited to, competition levels on task orders, mergers & acquisitions; the Government's exercise of the off-ramp process; and OASIS SB Contractors outgrowing their small business size status under their existing OASIS SB Contract.

It is in the Government's best interest that there remain an adequate number of Contractors eligible to compete for task orders in each OASIS SB Contract to meet the Government's professional service mission requirements.

Contractors are hereby notified that utilization of any on-ramping procedure below does not obligate the Government to perform any other on-ramping procedure. Furthermore, any on-ramping procedure may be performed for any single OASIS SB Pool at any time.

H.15.1. Lateral Pool Ramping

In accordance with Section G.3.10., Contractors under OASIS SB will be required to recertify their business size standard under their existing NAICS Pool(s).

For those OASIS SB Contractors who no longer certify as a small business for their respective Pool(s), the OASIS SB Contractor may elect to be considered for an OASIS SB Pool with a higher size standard if they qualify as a small business for that size standard and were not already included in that Pool.

Additionally, for those OASIS SB Contractors who now certify as a small business for other OASIS Pool(s) that they did not previously fit the size standard, the OASIS SB Contractor may elect to be considered for an OASIS SB Pool with a lower size standard if they qualify as a small business for that size standard and were not already included in that Pool.

For example, if Contractor X in OASIS SB Pool 1 (\$15M size standard) only has a contract in Pool 1 and no longer qualifies as a small business for that Pool after recertification, Contractor X may elect to be considered for Pools 2 through 6 assuming they can qualify as a small business for each of those respective Pools.

Example 2: Contractor X in OASIS SB Pool 2 (\$20.5M size standard) experiences reduced business volume and now qualifies as a small business for Pool 1 after recertification. Contractor X may now elect to be considered for Pool 1 assuming they can qualify as a small business for that Pools.

In order to obtain a Lateral Pool Ramp, the Contractor must:

1. Have outgrown their Pool size standard on the basis of natural growth, not on the basis of a merger, acquisition or novation agreement in recognition of a successor in interest when Contractor assets are transferred during the term of OASIS SB OR certify as a lower size standard than originally proposed.
2. Qualify as a small business for the Pool(s) being applied for
3. Demonstrate successful performance under the OASIS SB contract
4. Submit a proposal in response to a solicitation materially identical to the original version of the OASIS SB solicitation and,
5. Receive a proposal score equal to or higher than the lowest scoring Contractor within the Pool being applied for. Note: The lowest scoring Contractor is based on the lowest evaluated numerical score within a given Pool in accordance with the scoring table in Section M.6. of the OASIS SB solicitation at the time of the original OASIS SB awards.

The lateral Pool ramping solicitation will include the same evaluation factors/sub-factors as the original OASIS SB solicitation. The terms and conditions of the resulting award will be materially identical to the existing version of OASIS SB. The period of performance term will be coterminous with the existing term of all other OASIS SB Contractors.

Immediately upon lateral Pool ramping to OASIS SB, the Contractor is eligible to submit a proposal in response to any task order solicitation and receive task order awards with the same rights and obligations as any other Contractor within the new Pool(s); however, the Contractor will be placed on Dormant Status under the OASIS SB Pool(s) the Contractor is no longer eligible under (if applicable). The Contractor must continue performance on active task orders under their dormant OASIS SB Pool(s), including the exercise of options at the task order level at the discretion of the OCO, until all active task orders are closed-out.

The OASIS SB CO may conduct a lateral pool on-ramp without conducting any other on-ramp.

H.15.2. Vertical Contract On-Ramping

The OASIS Program is a family of OASIS Pools and OASIS Small Business (SB) Pools with identical scopes. Each OASIS Pool is unrestricted and each OASIS SB Pool is a 100% Small Business Set Aside contract

For those OASIS SB Contractors who no longer certify as a small business for their respective OASIS SB Pool, the OASIS SB Contractor may elect to be considered to be placed on the corresponding OASIS unrestricted Pool. In order to be eligible to do this, the recertification as a large business of the company must not have been achieved on the basis of a merger or acquisition; or novation agreement in recognition of a successor in interest when Contractor assets are transferred during the term of OASIS SB.

For example, if Contractor X in OASIS SB Pool 1 (\$15M size standard), can no longer certify as a small business under the \$15M size standard, Contractor X may elect to be considered for OASIS Pool 1 as a large business.

In order to obtain a Vertical Contract Ramp, the Contractor must:

1. Have outgrown their small business sized standard on the basis of natural growth, not on the basis of a merger, acquisition or novation agreement in recognition of a successor in interest when Contractor assets are transferred during the term of OASIS SB
2. Demonstrate successful performance under OASIS SB
3. Submit a proposal in response to a solicitation materially identical to the original version of the OASIS unrestricted solicitation
4. Meet all of the Criteria of the original OASIS unrestricted solicitation and,
5. Receive a proposal score equal to or higher than the lowest scoring Contractor within the Pool being applied for. Note: The lowest scoring Contractor is based on the lowest evaluated numerical score within a given OASIS Pool in accordance with the scoring table in Section M.6. of the OASIS unrestricted solicitation at the time of the original OASIS unrestricted Pools.

The vertical Pool ramping solicitation will include the same evaluation factors/sub-factors as the original OASIS unrestricted solicitation. The terms and conditions of the resulting award will be materially identical to the existing version of OASIS unrestricted. The period of performance term will be coterminous with the existing term of all other OASIS unrestricted Contractors.

Immediately upon vertical ramping to OASIS unrestricted, the Contractor is eligible to submit a proposal in response to any task order solicitation and receive task order awards with the same rights and obligations as any other Contractor; however, the Contractor will be placed on Dormant Status under their OASIS SB Pool. The Contractor must continue performance on active task orders under their dormant OASIS SB Pool, including the exercise of options at the task order level at the discretion of the OCO, until all active task orders are closed-out.

The OASIS SB CO may conduct a vertical pool on-ramp without conducting any other form of on-ramp.

H.15.3. Open Season On-Ramping

GSA will determine whether it would be in the Government's best interest to initiate an open season to add additional Contractors to any of the OASIS SB Pools at any time, subject to the following conditions.

1. An open season notice is published in Federal Business Opportunities in accordance with FAR Part 5, Publicizing Contract Action
2. An open season solicitation is issued under current Federal procurement law

3. The solicitation identifies the total anticipated number of new contracts that GSA intends to award
4. Any Offeror that meets the eligibility requirements set forth in the open season solicitation may submit a proposal in response to the solicitation
5. The award decision under the open season solicitation is based upon substantially the same evaluation factors/sub-factors as the original solicitation
6. An Offeror's proposal must meet all of the Criteria of the original solicitation
7. If the intent of the on-ramp is to "replace" OASIS SB contractors acquired, merged, off-ramped, etc., an Offeror's proposal must receive a proposal score equal to or higher than the lowest scoring Contractor within the OASIS SB Pool being applied for Note: The lowest scoring Contractor is based on the lowest evaluated numerical score within a given OASIS SB Pool in accordance with the scoring table in Section M.6. of the solicitation at the time of the original awards.
8. If the intent of the on-ramp is to "add" OASIS SB contractors such as SubPool development or to increase the total number of contractors in a given pool beyond the original number of awards for competition purposes, a number of contracts to be added will be announced and the highest technically rated Offerors will receive those awards regardless of how their score compared to the original awardees.
9. The terms and conditions of any resulting awards are materially identical to the existing version of the OASIS SB Pool and,
10. The period of performance term for any new awards is coterminous with the existing term for all other Contractors

Immediately upon on-ramping, the Contractor is eligible to submit a proposal in response to any task order solicitation and receive task order awards with the same rights and obligations as any other Contractor.

H.15.4. Focused On-Ramping (SubPool Creation)

GSA will determine whether it would be in the Government's best interest to initiate an open season to create a SubPool within established OASIS SB Pools. This may be done in response to client needs, competition levels, or other factors. For example, Pool 2 consists of 5 different NAICS codes. Over time, the OASIS Program Office notices that competition levels for all NAICS are healthy except for NAICS Code 541720. In response to this and based on anticipated demand, a SubPool for NAICS Code 541720 could be created through this on-ramping procedure.

Implementation of this form of on-ramping would be subject to the following conditions.

1. An open season notice is published in Federal Business Opportunities in accordance with FAR Part 5, Publicizing Contract Action
2. An open season solicitation is issued under current Federal procurement law
3. The solicitation identifies the total anticipated number of new contracts that GSA intends to award
4. Any Offeror already possessing a contract in the affected Pool will automatically be included in the newly formed SubPool if the Offeror can provide Pool Qualification projects for the new SubPool.
5. Any Offeror that meets the eligibility requirements set forth in the open season solicitation may submit a proposal in response to the solicitation. This SubPool would require Pool Qualification projects associated with the NAICS Code/exception of the new SubPool.
6. The award decision under the open season solicitation is based upon substantially the same evaluation factors/sub-factors as the original solicitation. The newly formed SubPool will become a new MA-IDIQ contract in the family of OASIS SB contracts.
7. An Offeror's proposal must meet all of the Criteria of the original solicitation
8. The terms and conditions of any resulting awards are materially identical to the existing version of the OASIS SB Pool and,
9. The period of performance term for any new awards is coterminous with the existing term for all other Contractors

H.16. DORMANT STATUS

GSA is responsible for ensuring performance and compliance with the terms of OASIS SB and safeguarding the interests of the Government and the American taxpayer in its contractual relationships. Additionally, GSA must ensure that Contractors receive impartial, fair, and equitable treatment. OASIS SB must be reserved for high performing OASIS SB Contractors. Accordingly, if the OASIS SB CO determines that any requirement of OASIS SB is not being met an OASIS SB Contractor may be placed into Dormant Status. Dormant status may be activated for a given OASIS SB Pool that a Contractor has been awarded or Dormant Status may be activated for all OASIS SB Pools.

If Dormant Status is activated, the Contractor shall not be eligible to participate or compete in any subsequent task order solicitations while the Contractor is in Dormant Status; however, Contractors placed in Dormant Status shall continue performance on previously awarded and active task orders, including the exercise of options and modifications at the task order level.

Dormant Status is not a Debarment, Suspension, or Ineligibility as defined in FAR Subpart 9.4 or a Termination as defined in FAR Part 49. Dormant Status is a condition that applies to the OASIS SB contract only. Grounds for being placed in Dormant Status specifically include, but are not limited to, trends or patterns of behavior associated with the failure to meet the deliverables and compliances specified under Section F.4.

Dormant status will only be imposed after careful consideration of the situation and collaboration with the Contractor to resolve the issues. To place a Contractor in Dormant Status, the OASIS SB CO must first send a letter, in writing, to the Contractor regarding the poor performance or non-compliance issue. The Contractor shall have reasonable time, at the discretion of the OASIS SB CO, to provide the OASIS SB CO with a remediation plan to correct the deficiencies/issues. If the OASIS SB CO is satisfied with the Contractor's response, the Contractor will not be placed in Dormant Status. If the OASIS SB CO is not satisfied with the response, or the remediation plan is not effective, the OCO may issue a final decision, in writing, placing the Contractor in a Dormant Status. The OASIS SB CO final decision may be appealed to the OASIS SB Ombudsman under Alternative Disputes Resolution (ADR), as defined in FAR Subpart 33.201 and GSAM 533.214. Using ADR does not waive the Contractor's right to appeal to the Agency Board of Contract Appeals or United States Court of Federal Claims.

H.17. OFF-RAMPING

GSA reserves the unilateral right to Off-Ramp non-performing Contractors. Contractors that are Off-Ramped have no active task orders under their OASIS SB Pool at the time of the Off-Ramping. Contractors under more than one OASIS SB Pool will only be off-ramped from the OASIS SB Pool where the non-performing issues have occurred.

Off-ramping methods may result from one of the following conditions:

1. Permitting the Contractor's OASIS SB Contract term to expire instead of exercising Option I
2. After a Contractor is placed in Dormant Status and the Contractor has completed all previously awarded task orders under OASIS
3. Debarment, Suspension, or Ineligibility as defined in FAR Subpart 9.4.
4. Termination as defined in FAR Part 49
5. Contractors who fail to meet the standards of performance, deliverables, or compliances
6. Taking any other action which may be permitted under the OASIS SB terms and conditions

(END OF SECTION H)

PART II – CONTRACT CLAUSES

SECTION I – CONTRACT CLAUSES

I.1. TASK ORDER CLAUSES

In accordance with FAR 52.301, Solicitation Provisions and Contract Clauses (Matrix), the OASIS SB master contracts cannot predetermine all the contract provisions/clauses for future individual task orders.

Representation and Certification Provisions from the OASIS SB master contracts automatically flow down to all OASIS SB task orders.

All “Applicable” and “Required” provisions/clauses set forth in FAR 52.301 automatically flow down to all OASIS SB task orders based on their specific contract type (e.g. cost, fixed price, etc.), statement of work, competition requirements, commercial or not commercial, and dollar value as of the date the task order solicitation is issued. (**Note:** Any Applicable and/or Required provisions/clauses that require fill-in information must be provided by the OCO in full text).

The OCO must identify any “Optional” provisions/clauses set forth in FAR 52.301 and/or any of the ordering agency’s “Supplemental” provisions/clauses for each individual task order solicitation and subsequent award. (**Note:** For Optional and/or agency Supplemental provisions/clauses, the OCO must provide the Provision/Clause Number, Title, Date, and fill-in information (if any), as of the date the task order solicitation is issued)

The OCO must identify in the task order solicitation whether FAR Part 12 commercial clauses/provisions apply or do not apply.

For T&M and/or L-H task orders **ONLY**, the OCO must identify one of the following provisions in the task order solicitation.

1. FAR 52.216-29 Time-and-Materials/Labor-Hour Proposal Requirements—Non-Commercial Item Acquisition With Adequate Price Competition. (**Note:** For organizations within DoD, when selecting FAR 52.216-29, the OCO must also identify DFARs 252.216-7002, Alternate A).
2. FAR 52.216-30 Time-and-Materials/Labor-Hour Proposal Requirements—Non-Commercial Item Acquisition Without Adequate Price Competition
3. FAR 52.216-31 Time-and-Materials/Labor-Hour Proposal Requirements—Commercial Item Acquisition

I.2. OASIS SB MASTER CONTRACT CLAUSES

The following clauses apply only to the OASIS SB MA-IDIQ master task order contracts. The clauses and dates remain unchanged throughout the term of OASIS SB unless changed through a bi-lateral modification to OASIS SB.

I.2.1. FAR 52.252-2 CLAUSES INCORPORATED BY REFERENCE

This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this address: <https://acquisition.gov>

1.2.2. GSAR 52.252-6 AUTHORIZED DEVIATIONS IN CLAUSES (DEVIATION FAR 52.252-6)(SEP 1999)

(a) *Deviations to FAR clauses.*

(1) This solicitation or contract indicates any authorized deviation to a Federal Acquisition Regulation (48 CFR Chapter 1) clause by the addition of "(DEVIATION)" after the date of the clause, if the clause is not published in the General Services Administration Acquisition Regulation (48 CFR Chapter 5).

(2) This solicitation indicates any authorized deviation to a Federal Acquisition Regulation (FAR) clause that is published in the General Services Administration Acquisition Regulation by the addition of "(DEVIATION (FAR clause no.))" after the date of the clause.

(b) *Deviations to GSAR clauses.* This solicitation indicates any authorized deviation to a General Services Administration Acquisition Regulation clause by the addition of "(DEVIATION)" after the date of the clause.

(c) *"Substantially the same as" clauses.* Changes in wording of clauses prescribed for use on a "substantially the same as" basis are not considered deviations.

(End of clause)

I.4. FAR AND GSAR CLAUSES IN FULL TEXT

I.4.1. Reserved

I.4.2. FAR 52.216-18 Ordering (OCT 1995)

(a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders or task orders by the individuals or activities designated in the Schedule. Such orders may be issued from ordering period start date through the ordering period end date.

(b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.

(c) If mailed, a delivery order or task order is considered “issued” when the Government deposits the order in the mail. Orders may be issued orally, by facsimile, or by electronic commerce methods only if authorized in the Schedule.

(End of clause)

I.4.3. FAR 52.216-19 Order Limitations (OCT 1995)

(a) *Minimum order.* When the Government requires supplies or services covered by this contract in an amount of less than the Simplified Acquisition Threshold, as amended, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

- (b) *Maximum order.* The Contractor is not obligated to honor—
- (1) Any order for a single item in excess of N/A per year
 - (2) Any order for a combination of items in excess of N/A per year
 - (3) A series of orders from the same ordering office within 365 days that together call for quantities exceeding the limitation in paragraph (b)(1) or (2) of this section.
- (c) If this is a requirements contract (*i.e.*, includes the Requirements clause at subsection 52.216-21 of the Federal Acquisition Regulation (FAR)), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) of this section.
- (d) Notwithstanding paragraphs (b) and (c) of this section, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within 5 days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

(End of clause)

I.4.4. FAR 52.216-22 Indefinite Quantity (OCT 1995)

- (a) This is an indefinite-quantity contract for the supplies or services specified and effective for the period stated, in the Schedule. The quantities of supplies and services specified in the Schedule are estimates only and are not purchased by this contract.
- (b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. The Contractor shall furnish to the Government, when and if ordered, the supplies or services specified in the Schedule up to and including the quantity designated in the Schedule as the "maximum." The Government shall order at least the quantity of supplies or services designated in the Schedule as the "minimum."
- (c) Except for any limitations on quantities in the Order Limitations clause or in the Schedule, there is no limit on the number of orders that may be issued. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.
- (d) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; *provided*, that the Contractor shall not be required to make any deliveries under this contract in accordance with Section F.4.

(End of clause)

I.4.5. FAR 52.217-8 Option to Extend Services (NOV 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within 30 days.

(End of clause)

I.4.6. FAR 52.217-9 Option to Extend the Term of the Contract (MAR 2000)

- (a) The Government may extend the term of this contract by written notice to the Contractor within 30 days provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the contract expires. The preliminary notice does not commit the Government to an extension.
- (b) If the Government exercises this option, the extended contract shall be considered to include this option clause.
- (c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 15 years.

(End of clause)

I.4.7. GSAR 552.216-74 Task-Order and Delivery-Order Ombudsman (JAN 2016)

(a) GSA has designated a Task-Order and Delivery-Order Ombudsman who will review complaints from contractors and ensure that they are afforded a fair opportunity for consideration in the award of task or delivery orders under Indefinite Delivery/Indefinite Quantity (ID/IQ) contracts, consistent with the procedures in the contract. Written complaints shall be submitted to the Ombudsman, with a copy to the Contracting Officer.

(b) In the case that the contractor is not satisfied with the resolution of the complaint by the GSA Task-Order and Delivery-Order Ombudsman, the contractor may follow the procedures outlined in subpart 33.1.

(c) The GSA Ombudsman is located at the General Services Administration (GSA), Office of Government-wide Policy (OGP), Office of Acquisition Policy (MV). Contact information for the GSA Ombudsman can be found at: <http://www.gsa.gov/ombudsman>.

(End of Clause)

 - * *Only applicable in accordance with Section L.5.1.2.(d)(7) or L.5.3.2.1.(e)*

(END OF SECTION J)

PART IV – REPRESENTATIONS AND INSTRUCTIONS

SECTION K – REPRESENTATIONS, CERTIFICATIONS, AND OTHER STATEMENTS OF OFFERORS

Section K Representations and Certifications are provided in Section J.11. Attachment (11) in Microsoft Word. The Offeror shall electronically or manually check all the boxes and fill out Section K in its entirety. Submit Section K in accordance with Section J.11. Attachment (11).

SECTION L - INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS OR RESPONDENTS

L.1. FAR 52.252-1 SOLICITATION PROVISIONS INCORPORATED BY REFERENCE (FEB 1998)

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. In lieu of submitting the full text of those provisions, the Offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer. Also, the full text of a solicitation provision may be accessed electronically at this address:

<https://www.acquisition.gov>

FAR	TITLE	DATE
52.204-6	Data Universal Numbering System (DUNS) Number	JUL 2013
52.204-7	System for Award Management	JUL 2013
52.204-16	Commercial and Government Entity Code Reporting	JUL 2016
52.214-34	Submission of Offers in the English Language	APR 1991
52.214-35	Submission of Offers in U.S. Currency	APR 1991
52.215-1	Instructions to Offerors-Competitive Acquisition	JAN 2004
52.222-24	Preaward On-Site Equal Opportunity Compliance Evaluation	FEB 1999
52.222-46	Evaluation of Compensation for Professional Employees	FEB 1993

L.2. FAR PROVISIONS IN FULL TEXT

The following FAR provisions are applicable to this solicitation and are provided in full text.

L.2.1. FAR 52.215-20 Requirements for Cost or Pricing Data or Information Other Than Cost or Pricing Data (OCT 2010) Alternate IV (OCT 2010)

Submission of certified cost or pricing data is not required.

(End of provision)

L.2.2. FAR 52.216-1 Type of Contract (APR 1984)

The Government contemplates award of a Government-Wide, Multiple Award, Indefinite Delivery, Indefinite Quantity (MA-IDIQ) Task Order Contract resulting from this solicitation.

(End of provision)

L.2.3. Multiple Awards

The Government elects to award 31 MA-IDIQ Task Order Contracts for professional services under Pool 2 of this solicitation. If there are ties at 31, all ties will receive an award. Furthermore, additional Socio-Economic Offerors may be awarded in accordance with Section M.3.(j).

(End of provision)

L.2.4. Reserved

L.2.5. FAR 52.233-2 - Service of Protest (SEP 2006)

- (a) Protests, as defined in section 33.101 of the Federal Acquisition Regulation, that are filed directly with an agency, and copies of any protests that are filed with the Government Accountability Office (GAO), shall be served on the Contracting Officer (addressed as follows) by obtaining written and dated acknowledgment of receipt from:

General Services Administration (GSA)
Federal Acquisition Service (FAS)
Fritz G. Lanham Federal Building
OASIS Program Office
Attn: Valerie Bindel (Contracting Officer)
819 Taylor Street
Suite 13A33
Ft. Worth, TX 76102

E-mail: oasisSB@gsa.gov

- (b) The copy of any protest shall be received in the office designated above within one day of filing a protest with the GAO.

(End of provision)

L.2.5. Hours of Operation

GSA's hours of operation are 8:00 a.m. to 4:30 p.m. Central Standard Time (CST). Requests for pre-award debriefings postmarked or otherwise submitted after 4:30 p.m. will be considered submitted the following business day. Requests for post-award debriefings delivered after 4:30 p.m. will be considered received and filed the following business day.

(End of provision)

L.3. PROPOSAL SUBMISSION INSTRUCTIONS

- (a) The following instructions are for the preparation and submission of proposals. The purpose of this section is to establish requirements for the format and content of proposals so that proposals contain all essential information and can be evaluated equitably.
- (b) Offerors are instructed to read the entire solicitation document, including all the attachments in Section J, prior to submitting questions and preparing your offer.

- (c) A Pool 2 MA-IDIQ Task Order Contract will result from this solicitation. When an Offeror is sharing resources from other entities by way of a Meaningful Relationship within a Corporate Structure, only one Offer (e.g., proposal) from that Corporate Structure shall be submitted (See Section L.5.1.9)
- (d) All information within the page limitations of the proposal is subject to evaluation. The Government will evaluate proposals in accordance with the information requested set forth in Section L and the evaluation criteria set forth in Section M of this solicitation. Omission of any information to the proposal submission requirements may result in rejection of the offer. The Offeror shall highlight each section/paragraph that corresponds to the evaluation element taking credit for minimum requirements and/or additional points. Although not mandatory, Offeror's are encouraged to use Adobe Sticky Notes to point out each evaluation element taking credit for.
- (h) Without changing its contents, Offerors may make minor formatting changes to Section K and Section J templates used in proposal submission. For example, minor formatting changes include such things as adjusting page breaks, adding corporate identification logos, identifying proposal volume identifiers in the headers and footers, including disclaimers of proprietary information, and adjusting the Cost/Price template based on an Offeror's actual indirect rate structure, etc.
- (i) This solicitation instructs Offerors to provide verifiable supporting documentation for all acceptable and scored evaluation criteria. While some sub-sections of Section L may indicate an Offeror shall provide a particular form of documentation for validation purposes, Offerors may provide official and verifiable documentation as necessary to validate any acceptable or scored evaluation criteria being claimed, however, NAICS Code/PSC Code documents shall be in accordance with Section L.5.1.2. and L.5.3.2.1. instructions, Past Performance documents shall be in accordance with Sections L.5.4. through L.5.4.3.1., and Systems, Certifications, and Clearance documents shall be in accordance with Sections L.5.5.1 through L.5.5.10.
- (j) The electronic solicitation documents, as posted on <https://www.fbo.gov>, shall be the "official" documents for this solicitation.
- (k) The Government will not reimburse Offerors for any cost incurred for the preparation and submission of a proposal in response to this solicitation.
- (l) All proposal information is subject to verification by the Government. Falsification of any proposal submission, documents, or statements may subject the Offeror to civil or criminal prosecution under Section 1001 of Title 18 of the United States Code.

L.3.1. Official Legal Entity

- (a) All the evaluation elements an Offeror is submitting a proposal for and taking credit for in accordance with Section L.5., Volumes 1 through 6, must be in the Offeror's name as submitted in Block 15A on the Standard Form (SF) 33, Solicitation, Offer and Award, with a corresponding CAGE Code and DUNS Number in System for Award Management (SAM) at <https://www.sam.gov> that matches the Offeror name on the SF 33, Block 15A.
- (b) The only exceptions to the above paragraph is if the Offeror is claiming an evaluation element from a qualifying Meaningful Relationship Commitment Letter in accordance with the instructions in Section L.5.1.9. or Merger, Acquisition, Novation and/or Change-of-Name Agreement in accordance with Section L.3.2.

L.3.2. Mergers, Acquisitions, Novations, and Change-of-Name Agreements

- (a) By the closing date of this solicitation, if there was a Merger, Acquisition, Novation, and/or Change-of-Name Agreement, the transferor and transferee company may claim credit for the same Pool Qualification Projects under Section L.5.1.2., the Acceptable Requirements for Relevant Experience (Primary) Projects under Section L.5.3.1., the Additional Points for Relevant Experience (Primary) Projects under Section L.5.3.2., the Relevant Experience (Secondary) Projects under Section L.5.3.3., and the Past Performance Projects under Section L.5.4.
- (b) In the event of a Government approved novation of a U.S. Federal contract from one Contractor to another, the transferor Contractor may claim credit for the above mentioned Projects from that contract up to the date that the Government approves the novation (the "Approval Date"), while the transferee Contractor may claim credit for the above mentioned Projects from that contract from and after the approval date of the novation. For example, Company XYZ performed a Relevant Experience (Primary) Project under their Subsidiary, ABC Inc. under Contract Number 12345. Company XYZ sells ABC Inc. to BLANCO Company and Contract Number 12345 is officially novated to BLANCO Company by a Contracting Officer on May 1, 2014. Company XYZ (and only Company XYZ) may claim credit for the Relevant Experience (Primary) Project under Contract Number 12345 from the date of award through April 30, 2014, and BLANCO Company (and only BLANCO company) can claim credit for the Relevant Experience (Primary) Project under Contract Number 12345 from and after May 1, 2014.
- (c) If this Section applies, the Offeror shall provide a copy of the modification confirming the date the changes took for any Pool Qualification Projects under Section L.5.1.2., Acceptable Requirements for Relevant Experience (Primary) Projects under Section L.5.3.1., Additional Points for Relevant Experience (Primary) Projects under Section L.5.3.2., and/or Relevant Experience (Secondary) Projects under Section L.5.3.3. in accordance with the Proposal Format Table in Section L.4.

L.3.3. Inverted Domestic Corporations

- (a) Inverted Domestic Corporations are not eligible for award under this solicitation.
- (b) "Inverted Domestic Corporation", as defined in FAR 52.209-10, means a foreign incorporated entity which is treated as an inverted domestic corporation under 6 U.S.C. 395(b), i.e., a corporation that used to be incorporated in the United States, or used to be a partnership in the United States, but now is incorporated in a foreign country, or is a subsidiary whose parent corporation is incorporated in a foreign country, that meets the criteria specified in 6 U.S.C. 395(b), applied in accordance with the rules and definitions of 6 U.S.C. 395(c). An inverted domestic corporation as herein defined does not meet the definition of an inverted domestic corporation as defined by the Internal Revenue Code at 26 U.S.C. 7874.

L.3.4. Proposal Due Date and Address Location

(a) This solicitation closes and proposals are due on Date/Time To Be Determined

- (b) Proposals may be mailed or hand delivered to:

General Services Administration
Federal Acquisition Service
Fritz G. Lanham Federal Building
OASIS Program Office
Attn: Tommy Thomas, Valerie Bindel, or Todd Richards
819 Taylor Street, Suite 13A33
Ft. Worth, TX 76102

L.3.5. Solicitation Questions

- (a) The OASIS SB CO is the sole point of contact for all questions under this solicitation. Offerors shall address all questions via e-mail to the OASIS SB CO at oasisSB@gsa.gov. The Offeror must include the company name and solicitation number in the subject line of the email. The question(s) must include the page number, section number, and paragraph number that pertains to the Offeror's question(s).
- (b) Questions not submitted via oasisSB@gsa.gov will not be answered. Questions can be e-mailed any time after the solicitation is posted at <https://www.fbo.gov>; however, all questions must be received via e-mail at oasisSB@gsa.gov no later than **Date/Time To be Determined**.
- (c) Questions will be answered under an amendment to the solicitation posted at <https://www.fbo.gov> prior to the solicitation closing date. Questions received after 4:30 P.M. CST on **Date To Be Determined** will only be answered at the discretion of the OASIS SB CO by amendment to the solicitation posted at <https://www.fbo.gov> prior to the solicitation closing date.
- (d) Acknowledgement of receipt of questions will not be made. Please thoroughly review the entire solicitation, including all the attachments in Section J, prior to submitting questions.

L.4. PROPOSAL FORMAT

- (a) The Offeror's proposal shall be formatted into 6 separate electronic folders by Volume Number and Title as follows:
 - Volume 1 – General
 - Volume 2 – Responsibility
 - Volume 3 – Relevant Experience for Primary and Secondary Projects
 - Volume 4 – Past Performance
 - Volume 5 – Systems, Certifications, and Clearances
 - Volume 6 – Cost/Price
- (b) Offerors shall include all 6 electronic folders and proposal documents on to a single DVD+R disk so that an entire proposal resides on a single disk.
- (c) Offerors shall submit a total of 3 copies of the proposal disk (3 disks total). All proposal disks shall be identical. Nothing may be included on the disks except the proposal files in accordance with the instructions in Section L.5. See Section L.4., Proposal Format Table.
- (d) Each DVD+R shall be labeled with the Solicitation Number and Company Name.
- (e) No paper version of your proposal shall be submitted.
- (f) It is the sole responsibility of the Offeror to ensure that the electronic files submitted are virus free and can be opened and read by the government. Proposal submissions shall not be locked, encrypted, or otherwise contain barriers to opening.
- (g) All proposal documents shall be submitted in Adobe (.pdf) format except for the Self-Scoring Worksheet in Section J.5.1., Attachment (5A) and Cost/Price Template in Section J.9., Attachment (9). The Self-Scoring Worksheet and Cost/Price Template shall be in Microsoft Office Excel - format.

(h) PROPOSAL FORMAT TABLE

The following Proposal Format Table is to assist Offerors in organizing their proposal submission documents to ensure the government can easily identify which documents apply to which criteria for evaluation purposes. Offerors must adhere to the Volume Numbers, Format and/or Templates, and Page Limitations (if any) provided in the Proposal Format Table. Offerors must include their company name or company name abbreviation and Volume Number in the filename. For example, ABC Incorporated filename for Volume 1, SF-33 is ABC.VOL.SF33.pdf. Offerors may make minor adjustments to the file naming methodology so long as the resulting file names and organization are clearly understood. Additionally, the Offeror may provide a Table of Contents that serves as an overall guide to what files are included, where they are located and brief descriptions of what the documents are. Inclusion of a Table of Contents is optional.

Volume	Section #	Title	Format or Template	Page Limit	Example File Name
1	L.4.	Table of Contents	Free Format	No Page Limit	ABC.VOL1.TOC.pdf
	L.5.1.1.	SF 33	SF 33	Limited to the SF 33 Form provided as Page 1 of this solicitation in fbo.gov	ABC.VOL1.SF33.pdf
	L.5.1.2.(a)	Pool Qualification and Certification	Section J.3., Att. (3)	Limited to the template	ABC.VOL1.J3.pdf
	L.5.1.2.(d)(1) and L.5.1.2.(d)(3) <i>See Vol 4 for Past Performance submission</i>	Pool Qualification Projects	Contract or Task Order Award Form, contract value, period of performance documentation for each Pool Qualification Project.	No Page Limitations Validation information shall be highlighted. Only submit highlighted pages necessary for validation purposes.	ABC.VOL1.PQ.CD.P2.P1.pdf (Company, Volume, Pool Qualification, Contract Documentation, Pool 2, Project 1) ABC.VOL1.PQ.CD.P2.P2.pdf
	L.5.1.2.(d)(5) or L.5.1.2.(d)(6) or L.5.1.2.(d)(7)	NAICS Code or PSC Code for Pool Qualification Projects	NAICS Code or PSC Code Validation for each Pool Qualification Project.	Limited to FPDS-NG report, or other documentation, or Contracting Officer Letters, <u>as applicable</u>	ABC.VOL1.PQ.CODE.P2.P1.pdf (Company, Volume, Pool Qualification, NAICS or PSC Code, Pool 2, Project 1) ABC.VOL1.PQ.CODE.P2.P2.pdf
	L.3.2. and L.5.1.2.	Mergers, Acquisitions, Novations, Change of Name for Pool Qualification Projects, <u>as applicable</u>	Standard Form (SF) 30 Mod Agreement or other verifiable documentation for the purposes of crediting performance for each Pool Qualification Project. If not applicable to a particular Project, no file need be submitted.	No page Limitations.	ABC.VOL1.PQ.A.P2.P1.pdf (Company, Volume, Pool Qualification, Mod, Pool 2, Project 1) ABC.VOL1.PQ.A.P2.P2.pdf
	L.5.1.3.	Proposal Checklist	Section J.4., Att. (4)	Limited to the template.	ABC.VOL1.J4.pdf
	L.5.1.4.	Self-Scoring Worksheet	Section J.5.1., Att. (5A)	Limited to the template.	ABC.VOL1.J5.xls
	L.5.1.5.	Professional Employee Compensation Plan	Pages should be 8.5 x 11 inches; font type and size (10 to 12) point Arial; Margins of 1 inch	No page limitations	ABC.VOL1.CP.pdf
	L.5.1.6.	Uncompensated Overtime Policy	Pages should be 8.5 x 11 inches; font type and size (10 to 12) point Arial; Margins of 1 inch	Not-to-Exceed 5 pages	ABC.VOL1.UOP.pdf
	L.5.1.7.	Modified Pre-Award Survey (SF 1408)	Section J.6., Att. (6)	Limited to the template and audit reports, if applicable. No page limitations.	ABC.VOL1.SF1408.pdf ABC.VOL1.SF1408.AD1.pdf (Company Name, Volume, SF 1408, Audit Document 1) Repeat as many times necessary: ABC.VOL1.SF1408.AD2.pdf Etc.

	L.5.1.8.	Subcontracting Plan, <u>as applicable</u>	Section J.12., Att. (12) If not submitting a Subcontracting Plan, no file need be submitted.	Limited to the template. No page limitations.	ABC.VOL1.SP.pdf
	L.3.2. and L.5.1.9.	Meaningful Relationship Commitment Letters (MRCL), for each Pool 2 Qualification Project, Relevant Experience (Primary) Project and Relevant Experience (Secondary) Project, <u>as applicable</u>	Pages should be 8.5 x 11 inches; font type and size (10 to 12) point Arial; Margins of 1 inch If not submitting an MRCL no file need be submitted.	Each MRCL must be separate and distinct. No page limitations.	ABC.VOL1.MRCL1.pdf (Company, Volume, Meaningful Relationship Commitment Letter 1) Repeat as many times necessary: ABC.VOL1.MRCL2.pdf Etc.
	L.5.1.10.	Existing Joint Venture or Partnership, <u>as applicable</u>	Pages should be 8.5 x 11 inches; font type and size (10 to 12) point Arial; Margins of 1 inch If not submitting as an existing JV, no file need be submitted.	No page limitations.	ABC.VOL1.CTA.pdf
2	L.5.2.1.	Financial Resources	Section J.13., Att. (13)	Limited to the GSA Form 527 and financial statements.	ABC.VOL2.527.pdf ABC.VOL2.527.FS.pdf (Company Name, Volume, GSA Form 527, Financial Statements)
	L.5.2.2.	Reps & Certs	Section J.11., Att. (11)	Limited to Section K template	ABC.VOL2.RC.pdf
3	L.5.3.(b)(1) <i>See Vol 4 for Past Performance submission</i>	Relevant Experience (Primary) Projects	Section J.7. Att. (7)	Limited to the template. No page limitations.	ABC.VOL3.J7.pdf
	L.5.3.1. through L.5.3.2.8., <i>except L.5.3.2.1. NAICs or PSC Code below</i>	Relevant Experience (Primary) Projects	Minimum of 3 and Maximum of 5 Relevant Experience (Primary) Project documents validating the information submitted in Section J.7. Att. (7) All Information in a contractual document for meeting each minimum requirement and each scoring element taking credit for.	No Page Limitations Validation information shall be highlighted. Only submit highlighted pages necessary for validation purposes.	ABC.VOL3.REPP.CD.P1.pdf (Company Name, Volume, Relevant Experience (Primary) Project, Contract Documents, Project 1) Repeat as follows: ABC.VOL3.REPP.CD.P2.pdf ABC.VOL3.REPP.CD.P3.pdf ABC.VOL3.REPP.CD.P4.pdf * ABC.VOL3.REPP.CD.P5.pdf *If using a "Collection of Task Orders" for Project 5 under Project 5 – Alternate, use the following format: ABC.VOL3.REPP.CD.P5A.SAC.pdf (Company Name, Volume, Relevant Experience (Primary) Project, Contract Documents, Project 5 Alternate, Single-Award Contract (IDIQ or BPA) ABC.VOL3.REPP.TO1.P5A.SAC.pdf (Company Name, Volume, Relevant Experience (Primary) Project, Task Order 1 Documentation, Project 5 Alternate, Single-Award Contract (IDIQ or BPA) Repeat as many times necessary: ABC.VOL3.REPP.TO2.P5A.SAC.pdf ABC.VOL3.REPP.TO3.P5A.SAC.pdf Etc.

L.5.3.2.1.(c) or L.5.3.2.1.(d) or L.5.3.2.1.(e)	NAICS Code or PSC Code for Relevant Experience (Primary) Projects, <u>as applicable</u> .	NAICS Code or PSC Code Validation for each Relevant Experience (Primary) Project submitted. If not applying for these additional points under a particular Project, no file need be submitted.	Limited to FPDS-NG report, or other documentation, or Contracting Officer Letters, <u>as applicable</u> .	ABC.VOL3.REPP.CODE.P1.pdf (Company, Volume, Relevant Experience (Primary) Project, NAICS or PSC Code, Project 1) Repeat as many times necessary: ABC.VOL3.REPP.CODE.P2.pdf ABC.VOL3.REPP.CODE.P3.pdf ABC.VOL3.REPP.CODE.P4.pdf ABC.VOL3.REPP.CODE.P5.pdf or ABC.VOL3.REPP.CODE.P5A.pdf
L.5.3.1. through L.5.3.3.2 and L.3.2.	Mergers, Acquisitions, Novations, Change of Name for Relevant Experience (Primary) Projects, <u>as applicable</u> .	Standard Form (SF) 30 Mod Agreement or other verifiable documentation for the purposes of crediting performance for each Relevant Experience (Primary) Project. If not applicable to a particular Project, no file need be submitted	No page Limitations.	ABC.VOL3.REPP.A.P1.pdf (Company Name, Volume, Relevant Experience (Primary) Project, Mod, Project 1) Repeat as many times necessary: ABC.VOL3.REPP.A.P2.pdf ABC.VOL3.REPP.A.P3..pdf ABC.VOL3.REPP.A.P4.pdf ABC.VOL3.REPP.A.P5 pdf or ABC.VOL3.REPP.A.P5A.pdf
L.5.3.3.	Relevant Experience (Secondary) Projects	Section J.10. Att. (10)	Limited to the template.	ABC.VOL3.J10.pdf
L.5.3.3.1.	Relevant Experience (Secondary) Projects with Mission Spaces, <u>as applicable</u>	Contract or Task Order Award Form with identifiable awarding agency, contract value, period of performance documentation for each Relevant Experience (Secondary) Project with Mission Spaces. If not applying for these additional points, no file need be submitted.	No Page Limitations Validation information shall be highlighted. Only submit highlighted pages necessary for validation purposes.	ABC.VOL3.RESP.CD.MS1.pdf (Company, Volume, Relevant Experience (Secondary) Project. Contract Documentation, Mission Space 1) Repeat as many times necessary: ABC.VOL3.RESP.CD.MS2.pdf ABC.VOL3.RESP.CD.MS3.pdf ABC.VOL3.RESP.CD.MS4.pdf ABC.VOL3.RESP.CD.MS5.pdf
L.5.3.3.1. and L.3.2.	Mergers, Acquisitions, Novations, Change of Name for Relevant Experience (Secondary) Projects with Mission Spaces, <u>as applicable</u> .	Standard Form (SF) 30 Mod Agreement or other verifiable documentation for the purposes of crediting performance for each Relevant Experience (Secondary) Project with Mission Spaces. If not applicable to a particular Project, no file need be submitted	No page Limitations.	ABC.VOL3.RESP.A.MS1.pdf (Company, Volume, Relevant Experience (Secondary) Project. Mod, Mission Space 1) Repeat as many times necessary: ABC.VOL3.RESP.A.MS2.pdf ABC.VOL3.RESP.A.MS3.pdf ABC.VOL3.RESP.A.MS4.pdf ABC.VOL3.RESP.A.MS5.pdf
L.5.3.3.2.	Relevant Experience (Secondary) Projects with Multiple Award Contracts/BPAs and Task Orders, <u>as applicable</u>	Multiple Award Contract Forms and associated Task Order Award Forms with identifiable awarding agency, contract value, period of performance documentation for each Relevant Experience (Secondary) Project with Multiple Award Contracts/BPAs and Task Orders, If not applying for these additional points, no file need be submitted.	No Page Limitations Validation information shall be highlighted. Only submit highlighted pages necessary for validation purposes.	Multiple Award Contract 1 and associated Task Orders: ABC.VOL3.RESP.CD.MAC1.pdf (Company, Volume, Relevant Experience (Secondary) Project, Contract Documentation, Multiple Award IDIQ or BPA Contract 1) ABC.VOL3.RESP.TO1.MAC1.pdf (Company, Volume, Relevant Experience (Secondary) Project, Task Order 1 Documentation, Multiple Award IDIQ or BPA Contract 1) Repeat as many times necessary: ABC.VOL3.RESP.TO2.MAC1.pdf ABC.VOL3.RESP.TO3.MAC1.pdf Etc.

5	L.5.5.1.	Approved Purchasing System, <u>as applicable</u>	Copy of the Offeror's official Contractor Purchasing System Review (CPSR) report, if available and/or official letterhead from DCMA or CFA verifying the approval of the purchasing system. If not applying for these additional points, no file need be submitted.	Limited to the CPSR report, DCMA or CFA Letter <i>and</i> NTE 1 page for POC information, page numbers and paragraph references, if not already apparent in a DCMA or CFA letter.	ABC.VOL5.APS.pdf <i>and</i> ABC.VOL5.APSref.pdf
	L.5.5.2.	FPRA/FPRR/ABR, <u>as applicable</u>	Copy of FPRA/FPRR/ABR If not applying for these additional points, no file need be submitted.	Limited to the FPRA/FPRR/ABR <i>And</i> NTE 1 page for POC information, page numbers and paragraph references	ABC.VOL5.FPRA.pdf ABC.VOL5.FPRR.pdf ABC.VOL5.ABR.pdf <i>and</i> ABC.VOL5.FPRAref.pdf ABC.VOL5.FPRRref.pdf ABC.VOL5.ABRref.pdf
	L.5.5.3.	EVMS, <u>as applicable</u>	Copy of EVMS verification/approval If not applying for these additional points, no file need be submitted.	Limited to the EVMS verification requirements <i>and</i> NTE 1 page for POC information, page numbers and paragraph references	ABC.VOL5.EVMS.pdf <i>and</i> ABC.VOL5.EVMSref.pdf
	L.5.5.4.	Acceptable Estimating System, <u>as applicable</u>	Copy of Acceptable Estimating System verification/approval If not applying for these additional points, no file need be submitted.	Limited to the Estimating System verification requirements <i>and</i> NTE 1 page for POC information, page numbers and paragraph references.	ABC.VOL5.AES.pdf <i>and</i> ABC.VOL5.AESref.pdf
	L.5.5.5.	CMMI Maturity Level 2 or higher, <u>as applicable</u>	Copy of Certification Body verification/approval If not applying for these additional points, no file need be submitted.	Limited to the CMMI Maturity Level 2 or higher verification requirements <i>and</i> NTE 1 page for POC information, page numbers and paragraph references.	ABC.VOL5.CMMIcert.pdf <i>and</i> ABC.VOL5.CMMIref.pdf
	L.5.5.6.	ISO 9001:2008, <u>as applicable</u>	Copy of Certification Body verification/approval If not applying for these additional points, no file need be submitted.	Limited to the ISO 9001:2008 verification requirements <i>and</i> NTE 1 page for POC information, page numbers and paragraph references.	ABC.VOL5.9001cert.pdf <i>and</i> ABC.VOL5.9001ref.pdf
	L.5.5.7.	ISO 17025, <u>as applicable</u>	Copy of Certification Body verification/approval If not applying for these additional points, no file need be submitted.	Limited to the ISO 17025 verification requirements <i>and</i> NTE 1 page for POC information, page numbers and paragraph references.	ABC.VOL5.17025cert.pdf <i>and</i> ABC.VOL5.17025ref.pdf
	L.5.5.8.	ISO 14001:2004, <u>as applicable</u>	Copy of Certification Body verification/approval If not applying for these additional points, no file need be submitted.	Limited to the ISO 14001:2004 verification requirements <i>and</i> NTE 1 page for POC information, page numbers and paragraph references	ABC.VOL5.14001cert.pdf <i>and</i> ABC.VOL5.14001ref.pdf
	L.5.5.9.	AS9100, <u>as applicable</u>	Copy of Certification Body verification/approval	Limited to the AS9100 verification requirements <i>and</i> NTE 1 page for POC information, page numbers and paragraph references.	ABC.VOL5.AS9100cert.pdf <i>and</i> ABC.VOL5.AS9100ref.pdf

6	L.6.	Cost/Price Template	Section J.9., Att. (9)	Limited to the template	ABC.VOL6.COSTPRICE.xls
	L.6.1. and L.6.2.	Cost/Price Rationale, <u>only if necessary</u> See Cautions in Section L.6.1. and L.6.2.	Rationale for any Direct Labor Rate that is not in-line with the ranges in Section J.2. Rational for any Profit Rate that exceeds 7%	NTE 1 page per labor category disputed. If each labor rate is in-line with Section J.2. ranges, no file need be submitted. NTE 1 pate for any Profit Rate that exceeds 7%. If Profit Rate is 7% or less, no file need be submitted.	ABC.VOL6.RAT1.pdf (Company Name, Volume, Rationale 1) Repeat as follows, if necessary. ABC.VOL6.RAT2.pdf ABC.VOL6.RAT3.pdf Etc.

L.5. PRIME CONTRACTOR PROJECTS

- (a) Except for allowances provided in Section L.5.1.9., Meaningful Relationship Commitment Letters, all Projects and Past Performance submitted in response to this solicitation shall have been performed as a Prime Contractor.
- (b) “Prime” Contractor means the Contractor has privity-of-contract with the Government for all contractual obligations under a mutually binding legal relationship with the Government. In other words, when the Government awards a Contract to a Contractor, the Contractor is considered the “Prime” Contractor. For example, “Prime” Contractors are identified as such on the cover page of contracts or task orders such as:
1. Standard Form (SF) 1449 – Solicitation/Contract/Order for Commercial Items – (Block 17a identifies the Prime Contractor)
 2. SF 26 – Award/Contract – (Block 7 identifies the Prime Contractor)
 3. SF 33 – Solicitation, Offer, and Award – (Block 15A identifies the Prime Contractor)
 4. Department of Defense (DD) 1155 – Order for Supplies or Services (Block 9 identifies the Prime Contractor)
 5. Optional Form 307 – Contract Award (Block 7 identifies the Prime Contractor)
 6. GSA Form 300 – Order for Supplies and Services (Block 6 identifies the Prime Contractor)
 7. Other Official Government Award Form from a Cognizant Federal Office. (Must explicitly identify the Contractor and U.S. Federal Government Agency)
- (c) When a Prime Contractor awards a contract to a Contractor, the Contractor is considered a “Subcontractor”. Any evaluation element under Section L.5., Volume 1 through 6, for which an Offeror was identified as a “Subcontractor” will be rejected.
- (d) There are 3 types of Prime Contractor Projects eligible for proposal submission identified herein. Projects are Contracts or Task Orders submitted in accordance with Section L.5.1. (Pool Qualification) and Section L.5.3. (Relevant Experience (Primary) Projects and Relevant Experience (Secondary) Experience, if applicable. The Offeror has the sole discretion to choose any Project for each type. Each Project may or may not be the same Projects submitted in accordance with Section L.5.1. and L.5.3. If an Offeror chooses any of the same Pool Qualification, Primary, or Secondary Projects, the Offeror shall re-submit the Project again for validation purposes in accordance with Section L.5.1. and L.5.3. See Section L.4. Proposal Format Table.
- (e) Past Performance rating methodology for Section L.5.1. (Pool Qualification) and Section L.5.3. (Relevant Experience (Primary) Projects is set forth in Section L.5.4. and M.5.2.

L.5.1. VOLUME 1 – GENERAL

- (a) To be eligible for award, the Offeror must adhere to the directions and submit the following information under Volume 1 – General.
- (b) See Section M.4.1. for how Volume 1 - General will be evaluated.

L.5.1.1. Standard Form (SF) 33

- (a) "Offeror" means the official legal entity identified in Block 15A on the Standard Form (SF) 33, Solicitation, Offer and Award.
- (b) Using the SF 33 form, Solicitation, Offer and Award, posted as page 1 of the solicitation in <https://www.fbo.gov>, the Offeror shall fill out blocks 12 through blocks 18 accordingly.
 - 1. The Government requires a minimum acceptance period of not less than 365 calendar days. The Offeror shall complete Block 12 of each SF 33 submitted with full cognizance of the minimum acceptance period of 365 calendar days. "Acceptance Period" means the number of calendar days available to the Government for awarding a Contract from the date specified in this solicitation for receipt of your offer. Your offer may only specify a longer acceptance period than the Government's minimum requirement
 - 2. If any amendments to the solicitation are issued, the Offeror must acknowledge each amendment number and date in Block 14 of the SF 33
 - 3. The Offeror's Legal Name and Address in Block 15A on the SF33 must match the information for the Offeror in System for Award Management (SAM) at <https://www.sam.gov>, including the corresponding Commercial and Government Agency (CAGE) Code Number and Data Universal Numbering Systems (DUNS) Number (Note: the address listed in Block 15A will be the official mailing address used by the Government for letter correspondence, if necessary)
 - 4. The Name, Title, Signature and Date identified in Block 16, 17, 18, must be an authorized representative with authority to commit the Offeror to contractual obligations.

L.5.1.2. Pool Qualification and Certification

- (a) The Offeror is instructed to complete Section I, Background, Section II, Pool Qualification, Section III, Certification, and Section IV, Authorized Signature, using Section J.3., Attachment (3), titled, "POOL QUALIFICATION AND CERTIFICATION". No other format will be considered.
- (b) A Pool 2 MA-IDIQ task order contract will result from this solicitation.
- (c) For an Offeror to be eligible for consideration under Pool 2, the Offeror shall have performed 2 Pool Qualification Projects under a NAICS Code or Product Service Code (PSC) that corresponds directly to a NAICS Code or NAICS Code or PSC Code listed as follows:

ELIGIBLE NAICS CODES UNDER POOL 2	
NAICS CODE	NAICS TITLE
541211	Offices of Certified Public Accountants
541213	Tax Preparation Services
541214	Payroll Services
541219	Other Accounting Services
541720	Research and Development in the Social Sciences and Humanities

ELIGIBLE PSC CODES UNDER POOL 2	
PSC CODE	DESCRIPTION
R703	Support- Management: Accounting
R704	Support- Management: Auditing
R705	Support- Management: Debt Collection
R710	Support- Management: Financial
	Includes: Credit Card Services
R711	Support- Management: Banking
	Includes: Accepting and Cashing Government Checks and Other Payment Instruments, Accepting Direct Deposits, Accepting Payments to The Government From The Public
R712	Support- Management: Coin Minting
R713	Support- Management: Banknote Printing
Multiple	All Research and Development Codes under the following Categories:
	Category AB R&D- Community Service/Development
	Category AE R&D- Economic Growth
	Category AF R&D- Education
	Category AL R&D- Income Security
	Category AM R&D- International Affairs and Cooperation
	Category AQ R&D- Social Services

(d) Each Pool Qualification Project :

1. Must be ongoing or have been completed within the past 5 years prior to the solicitation closing date.
2. Must have a Past Performance rating of 3.00 or higher.
3. Annual Project Value must exceed \$150,000 per year.
4. The Offeror must provide a copy of the Contract or Task Order Award form as follows:
 - a. Standard Form (SF) 1449 – Solicitation/Contract/Order for Commercial Items – (Block 17a identifies the Prime Contractor, Block 9 identifies the U.S. Federal Government Agency, Block 3 identifies the Award/Effective Date, and Block 31c. identifies the date the Contracting Officer signed)
 - b. SF 26 – Award/Contract – (Block 7 identifies the Prime Contractor, Block 5 identifies the U.S. Federal Government Agency, Block 3 identifies the Effective date, and Block 20C identifies the date the Contracting Officer signed)
 - c. SF 33 – Solicitation, Offer, and Award – (Block 15A identifies the Prime Contractor, Block 7 identifies the U.S. Federal Government Agency, and Block 28 identifies the date the Contracting Officer awarded/signed)
 - d. Department of Defense (DD) 1155 – Order for Supplies or Services (Block 9 identifies the Prime Contractor, Block 6 identifies the U.S. Federal Government Agency, Block 3 identifies the date of Order, and Block 24 identifies the Contracting Officer signature)
 - e. Optional Form 307 – Contract Award (Block 7 identifies the Prime Contractor, Block 5 identifies the U.S. Federal Government Agency, Block 2 identifies the Effective date, and Block 15C identifies the date the Contracting Officer signed)
 - f. GSA Form 300 – Order for Supplies and Services (Block 6 identifies the Prime Contractor, Block 10 identifies the U.S. Federal Government Agency, Block 1 identifies the Date of Order, and Block 26C identifies the date the Contracting Officer signed)

- g. Other Official Government Award Form from a Cognizant Federal Office. (Must explicitly identify the Contractor, U.S. Federal Government Agency, and the date the Contracting Officer awarded/signed)
5. To validate the NAICS Code or PSC Code for that Project, the Offeror must provide evidence from the Federal Procurement Data System – Next Generation (FPDS-NG) report, if available. If the FPDS-NG is not available, the Offeror must provide other verifiable evidence from an official government document (For example, NAICS or PSC Codes explicitly identified in the solicitation, contract award, or other official government document)

CAUTION: If an FPDS-NG report exists, the Offeror must submit the FPDS-NG report. In the event there is a contradiction between the FPDS-NG report and the Offeror's submitted documentation, the FPDS-NG report takes precedence unless evidence from a warranted contracting officer responsible for the Project indicates that the FPDS-NG report or other documentation is inaccurate in accordance with the following paragraphs.

6. If an Offeror has a legitimate reason that the NAICS Code or PSC Code for any Pool Qualification Project was erroneously reported in FPDS-NG with the incorrect NAICS Code or PSC Code associated to that Project, the Government will allow the Offeror the opportunity to request and submit correspondence from a Warranted Contracting Officer from the awarding agency to properly identify the correct NAICS Code or PSC Code.

CAUTION: Only a Warranted Contracting Officer authorizing a NAICS Code or PSC Code correction is acceptable. If this paragraph applies, the Offeror shall submit Section J.14., Attachment (14), titled, "NAICS CODE OR PSC CODE CORRECTION LETTER". No other format or additional proposal documentation will be considered.

7. This paragraph only applies to Pool Qualification Task Orders awarded under an Indefinite Delivery, Indefinite Quantity Contract (IDIQ) (FAR 16.5). This paragraph does not apply to Task Orders awarded under the GSA Multiple Award Schedules (MAS) program (FAR 8.4).

If an Offeror is submitting a Pool Qualification Task Order Project that was performed under the Master IDIQ contract and the Offeror feels that the NAICS code assigned to the Master IDIQ contract does not properly represent the predominance of work being performed on the Task Order Project, the Government will allow the Offeror the opportunity to request and submit correspondence from a Warranted Contracting Officer from the awarding agency to identify a more appropriate NAICS Code for the Task Order Project.

For Example: A master IDIQ contract was created that includes managerial support, engineering services, and financial services as part of its overall scope. However, only a single NAICS code (Engineering Services 541330) was selected for the master IDIQ contract based on the predominance of work expected to be performed under the IDIQ contract. This single NAICS code applies to all Task Orders placed under that master IDIQ contract, but may not accurately represent the specific work performed on a given Task Order performed within scope (like financial services).

CAUTION: Only a Warranted Contracting Officer authorizing a NAICS Code change is acceptable. If this paragraph applies, the Offeror shall submit Section J.15., Attachment (15), titled, "TASK ORDER NAICS CODE CHANGE LETTER". No other format or additional proposal documentation will be considered.

L.5.1.3. Proposal Checklist

The Offeror shall submit answers to all the questions in accordance with Section J.4., Attachment (4), titled, "PROPOSAL CHECKLIST". No other format or additional proposal documentation will be considered.

L.5.1.4. Self-Scoring Worksheet

- (a) The Offeror shall submit Section J.5.1., Attachment (5A), titled, "SELF SCORING WORKSHEET". No other format or additional proposal documentation will be considered.
- (b) The Self-Scoring Worksheet does not include minimum requirements since minimum requirements are evaluated on an Acceptable/Unacceptable basis only. See Sections L.3. through L.5.3.1.
- (c) Do not alter any rows or columns of the Self-Scoring Worksheet. Column E will automatically calculate the Offeror's score for each row and the overall total points scored.
- (d) Enter Offeror Name
- (e) The Relevant Experience (Primary) Project Numbers 1 through 5 in the Self-Scoring Worksheet must mirror the same Relevant Experience (Primary) Project Numbers 1 through 5 in the Relevant Experience (Primary) Project Template found in Section J.7., Attachment (7). See Sections L.5.3.2.1. through L.5.3.2.8.
- (f) The Relevant Experience (Secondary) Project Numbers 1 through 5 in the Self-Scoring Worksheet must mirror the same Relevant Experience (Secondary) Project Numbers 1 through 5 in the Relevant Experience (Secondary) Project Template found in Section J.10., Attachment (10). See Sections L.5.3.3.1. through L.5.3.3.2.
- (g) The Relevant Experience (Primary) Projects Past Performance Numbers 1 through 5 in the Self-Scoring Worksheet must mirror the same Relevant Experience (Primary) Project Numbers 1 through 5 in the Relevant Experience (Primary) Project Template found in Section J.7., Attachment (7). See Sections L.5.3.2.1. through L.5.3.2.8 and Section L.5.4.
- (h) The Offeror must only fill in Column D by entering a Yes or No for each element as Applicable. Do not leave any Rows under Column D blank.
- (i) Under Section L.5.3.2.7., for Cost Reimbursement Projects and under Section L.5.3.2.8., OCONUS Projects, the Offeror must fill in the Project Number(s) in Column B that mirrors the Project Number(s) for Relevant Experience (Primary) Project(s) if there is a Yes in Column D. The Offeror only needs to identify up to a Maximum of 2 Projects, if applicable.
- (j) Each Project's evaluation element is scored a maximum of one time. See Section J.5.2. Attachment (5B), Self-Scoring Worksheet (Sample Only), as an example of how to fill out the Offeror's Self-Scoring Worksheet in Section J.5.1. Attachment (5A) properly. None of the numerical scoring elements are minimum requirements.
- (k) Caution: See Section M.2.(f) regarding exaggerated Self-Scoring Worksheets

L.5.1.5. Professional Employee Compensation Plan

- (a) The Government is concerned with the quality and stability of the work force to be employed on this contract. Professional compensation that is unrealistically low or not in reasonable relationship to the various job categories may impair the Contractor's ability to attract and retain competent professional service employees or may be viewed as evidence of failure to comprehend the complexity of future Task Order requirements.
- (b) Task Orders under this contract may be subject to FAR 52.222-46, Evaluation of Compensation for Professional Employees.

- (c) For the OASIS SB MA-IDIQ, the Offeror shall submit a Professional Employee Compensation Plan that addresses the Offeror's methodology for determining salaries and fringe benefits for their professional employees in preparation of future Task Order requirements under the OASIS SB MA-IDIQ.
- (d) The professional employee compensation plan will be incorporated by reference into any resulting OASIS SB MA-IDIQ.

L.5.1.6. Uncompensated Overtime Policy

- (a) "Uncompensated overtime" means the hours worked without additional compensation in excess of an average of 40 hours per week by direct charge employees who are exempt from the Fair Labor Standards Act. Compensated personal absences such as holidays, vacations, and sick leave shall be included in the normal work week for purposes of computing uncompensated overtime hours.
- (b) Task Orders may be subject to FAR 52.237-10, Identification of Uncompensated Overtime when services to be required are on the basis of the number of hours to be provided.
- (c) For the OASIS SB MA-IDIQ, the Offeror shall submit their policy for addressing uncompensated overtime consistent with its cost accounting practices used to accumulate and report uncompensated overtime hours in preparation of future Task Order requirements under this contract.
- (d) The uncompensated overtime policy will be incorporated by reference into any resulting OASIS SB MA-IDIQ.

L.5.1.7. Modified Pre-Award Survey (SF 1408)

- (a) The Offeror shall answer questions, using the template provided in Section J.6, Attachment (6) titled, "MODIFIED PRE-AWARD SURVEY (SF 1408)". No other format or additional proposal documentation will be considered. There are no page limitations to the template or support documentation.
- (b) The template must be signed by the individual responsible for the design of the Offeror's Accounting System.
- (c) If an Offeror's Accounting System has been audited by the Defense Contract Audit Agency (DCAA), CPA/Consultant, or other Cognizant Federal Agency other than DCAA, the Offeror must provide their most current audit of their Accounting System or whatever documentation the Offeror has regarding DCAA review of their accounting system.
- (d) If an Offeror's Accounting System has been audited by DCAA within the past 1 year prior to this solicitation closing date and DCAA determined the Accounting System acceptable for award of prospective contracts and there have been no changes to the Accounting System since the last DCAA audit, the Offeror is not required to answer Questions 3 through 21; otherwise, the Offeror must answer all 21 questions.
- (e) CAUTION: If the answer to Question 6 is "NO", (Is your organization's Accounting System ready for a DCAA audit?), the Offeror may be ineligible for award.
- (f) The Offeror must not contact DCAA in regards to this solicitation. The Offeror does not need a DCAA audit prior to the solicitation closing date, but must have an acceptable accounting system ready for DCAA audit. For apparent successful Offerors, GSA will provide DCAA the Modified Pre-Award Survey (SF 1408) document and the Offeror's support documentation. DCAA will schedule Pre-Award surveys of the Offeror's Accounting System, if necessary, prior to award.
- (g) For further information, please review Defense Contract Audit Agency (DCAA) Manual No. 7641.90, Information for Contractors, dated June 26, 2012, located at http://www.dcaa.mil/DCAAM_7641.90.pdf

L.5.1.8. Subcontracting Plan, if applicable

- (a) A small business concern as defined in FAR 52.219-28 is not required to submit a Subcontracting Plan, however, small business concerns that may outgrow their small business size status during the term of OASIS SB may choose to submit a Subcontracting Plan for the purposes of acquiring points for On-Ramping to OASIS Unrestricted.
- (b) If an Offeror chooses to submit a Subcontracting Plan, the Offeror shall submit an Individual Subcontracting Plan in accordance with Section L.5.1.8.1. and Section J.12., Attachment (12), titled, "SUBCONTRACTING PLAN TEMPLATE". No other format or additional proposal documentation will be considered.

L.5.1.8.1. Preparation, Submission, and Negotiation of Subcontracting Plans, if applicable

- (a) An Offeror choosing to submit a subcontracting plan shall submit a subcontracting plan with its initial offer.
- (b) Maximum practicable utilization of small, HUBZone small, small disadvantaged, women-owned, veteran-owned, and service-disabled veteran owned small business concerns as Subcontractors is a matter of national interest with both social and economic benefits. The General Services Administration (GSA) expects that an Offeror's subcontracting plan will reflect a commitment to assuring that small, HUBZone small, small disadvantaged, women-owned, veteran-owned, and service-disabled veteran owned small business concerns are provided the maximum practicable opportunity, consistent with efficient contract performance, to participate as Subcontractors in the performance of the resulting contract.
- (c) GSA believes that this potential contract provides significant opportunities for the use of small, HUBZone small, small disadvantaged, women-owned, veteran-owned, and service-disabled veteran owned small business concerns as Subcontractors. Consequently, in addressing the eleven elements described at FAR 52.219-9(d) of the clause entitled Small Business Subcontracting Plan, the Offeror shall:
 - 1. Demonstrate that its subcontracting plan represents a creative and innovative program for involving small, HUBZone small, small disadvantaged, women-owned, veteran-owned, and service-disabled veteran owned small business concerns in performing the contract.
 - 2. Include a description of the Offeror's subcontracting strategies used in any previous contracts, significant achievements, and how this plan will build upon those earlier achievements.
 - 3. Demonstrate through its plan that it understands the small business subcontracting program's objectives and GSA's expectations, and it is committed to taking those actions necessary to meet these goals or objectives.
- (d) In determining the acceptability of any subcontracting plan, the Contracting Officer will take each of the following actions:
 - 1. Review the plan to verify that the Offeror demonstrates an understanding of the small business subcontracting program's objectives and GSA's expectations with respect to the program and has included all the information, goals, and assurances required by FAR 52.219-9.
 - 2. Consider previous goals and achievements of Contractors in the same industry.
 - 3. Consider information and potential sources obtained from agencies administering national and local preference programs and other advocacy groups in evaluating whether the goals stated in the plan adequately reflect the anticipated potential for subcontracting to small, HUBZone small, small disadvantaged, women-owned, veteran-owned, and service-disabled veteran owned small business concerns.

4. Review the Offeror's description of its strategies, historical performance and significant achievements in placing subcontracts for the same or similar products or services with small, HUBZone small, small disadvantaged, women-owned, veteran-owned, and service-disabled veteran owned small business concerns.
5. The Offeror's Subcontracting Plan should only contain realistic goals that are attainable to the Offeror's individual circumstances. The minimum GSA goals are identified as follows:

Small Business	23%
Small Disadvantaged Business	5%
Women-Owned Small Business	5%
HUBZone Small Business	3%
Veteran-Owned Small Business	3%
Service-Disabled Veteran-Owned Small Business	3%

(e) The Offeror must accurately calculate the subcontracting dollars and percentages as follows:

1. The total estimated subcontracting dollars planned to all types of business concerns must be provided, then *separately* state the dollars that will be subcontracted to each category. All percentages for each category will be expressed as a percentage of the total subcontracting dollars to all concerns (both large and small added together).
2. Do not include your small business Prime company in the subcontracting plan dollars and percentages planned for Subcontracting dollars and percentages
3. The small business dollar amount must include all sub-group category amounts; *i.e.*, SDB, WOSB, HubZone, VOSB, SDVOSB (plus any "other small" businesses that do not fall within one of these specified subgroups). Note that Alaskan Native Corporations (ANCs) and Indian tribes are included in the SDB and total small business amounts.
4. Only the large plus small should equal the total in both dollars and percentages. Do not add together subgroups to reach the total small figure, as the same dollars can be double and triple counted for each group as applicable. Dollars and percentages to large and total small businesses (all inclusive) must equal the total subcontracted to all categories in both dollars and percentages.
5. For example, the total dollars to be subcontracted in the table below is provided for example purposes only to show proper math calculations only.

Categories	Sample Dollars	Percentage
Total dollars to be subcontracted Base Period and Option I:	\$1,000,000	100%
To: Large Business	\$770,000	77%
To all: Small Businesses (includes all the sub-categories listed below)	\$230,000	23%
Small Disadvantaged Businesses	\$50,000	5%
Women-Owned Small Businesses	\$50,000	5%
HUBZone Small Businesses	\$30,000	3%
Veteran-Owned Small Businesses	\$30,000	3%
Service-Disabled Veteran-Owned Small Businesses	\$30,000	3%

- (f) The subcontracting plan will be incorporated by reference into any resulting OASIS SB MA-IDIQ.

L.5.1.9. Meaningful Relationship Commitment Letters, if applicable

- (a) Within a corporate structure, an Offeror may utilize resources from a Parent Company, Affiliate, Division, and/or Subsidiary. GSA will allow an Offeror to take credit for any evaluation element, including Relevant Experience Project(s), System(s), Certifications, and/or Clearances from a Parent Company, Affiliate, Division, and/or Subsidiary so long as there is a meaningful relationship to the Offeror and commitment letters are provided to the Government.
- (b) Outside a corporate structure, such as a "Subcontractor" performance under a "Prime" Contractor, GSA will not allow an Offeror to take credit for any evaluation element, including relevant experience Project(s), system(s), or certification(s) as a "Subcontractor" in accordance with the following definition. "Prime" Contractor means the Contractor has privity-of-contract with the Government for all contractual obligations under a mutually binding legal relationship with the Government. In other words, when the Government awards a Contract to a Contractor, the Contractor is considered the "Prime" Contractor. For example, "Prime" Contractors are identified as such on the cover page of contracts or Task Orders such as:
1. Standard Form (SF) 1449 – Solicitation/Contract/Order for Commercial Items – (Block 17a identifies the Prime Contractor)
 2. SF 26 – Award/Contract – (Block 7 identifies the Prime Contractor)
 3. SF 33 – Solicitation, Offer, and Award – (Block 15A identifies the Prime Contractor)
 4. Department of Defense (DD) 1155 – Order for Supplies or Services (Block 9 identifies the Prime Contractor)
 5. Optional Form 307 – Contract Award (Block 7 identifies the Prime Contractor)
 6. GSA Form 300 – Order for Supplies and Services (Block 6 identifies the Prime Contractor)
- (c) When a Prime Contractor awards a contract to a Contractor, the Contractor is considered a "Subcontractor". Any evaluation element under Section L.5., Volume 1 through 6, for which an Offeror was identified as a "Subcontractor" will be rejected.
- (d) "Affiliates" are business concerns that are affiliates of each other if, directly or indirectly, either one controls or has the power to control the other, or another concern controls or has the power to control both.
- (e) "Division" is a separate business unit of a company representing a specific business function.
- (f) "Subsidiary" means an entity in which more than 50 percent of the entity is owned directly by a parent corporation; or through another subsidiary of a parent corporation.
- (g) For the purposes of OASIS SB, a "meaningful relationship" exists within a corporate structure when at least 1 of the following conditions exists:
1. An entity is a wholly owned subsidiary of a parent organization.
 2. An entity is a parent of a wholly owned subsidiary.
 3. An entity operates under a single internal operational unit.
 4. An entity operates under a consolidated accounting system.

5. An entity operates under a consolidated purchasing system.
 6. An entity operates under a consolidated human resources or personnel system.
 7. An entity operates under common policy and corporate guidelines.
 8. Operating structure between the entities includes internal organizational reporting lines and management chains for "lines of business" that operate across the formal corporate subsidiaries.
- (h) When an Offeror is sharing resources from other entities by way of a Meaningful Relationship within a Corporate Structure, only 1 Offer (e.g., proposal) from that Corporate Structure shall be submitted.
- (i) For each meaningful relationship identified for OASIS SB proposal elements, the Offeror must provide a Meaningful Relationship Commitment Letter that includes the following:
1. Clear and legal identification of the meaningful relationship between the Offeror and entity identified.
 2. A statement of commitment as to the performance and utilization of the identified entity's resources on OASIS SB Task Orders.
 3. Each applicable proposal element must be clearly and specifically identified
 4. Signatures of both the Offeror and Meaningful Relationship Entity.
- (j) In the event that a parent organization has complete and full control over all meaningful relationship entities, the parent entity may prepare a single Meaningful Relationship Commitment Letter that identifies all elements required above.

For example, if ABC Inc. is the official legal entity and ABC Inc. is taking credit for their subsidiary, Best R&D L.L.C.'s DCMA approved "Purchasing System"; ABC Inc. must show how OASIS SB Task Orders will be processed through Best R&D L.L.C.'s Purchasing System. Furthermore, ABC Inc. must submit a "commitment letter", between ABC Inc. and Best R&D L.L.C. that they will, in fact, process ABC Inc.'s OASIS SB Task Orders through Best R&D L.L.C.'s Purchasing System. This example applies to all the proposal submission documents that involve resources/experience from other than the official legal entity.

- (k) Meaningful relationship commitment letters will be incorporated by reference into any resulting contract award.

L.5.1.10. Existing Joint Venture or Partnership, if applicable

- (a) "Contractor Team Arrangement" means an arrangement in which two or more companies form a Partnership or Joint Venture to act as a potential Prime Contractor (See FAR 9.601(1)); or, a potential Prime Contractor agrees with one or more other companies to have them act as its Subcontractors under a specified Government contract or acquisition program (See FAR 9.601(2)). For the purposes of submitting an Offer under this solicitation, an existing CTA as defined in FAR 9.601(1) is allowable in accordance with the following paragraphs. Any Prime/Subcontractor CTA as defined in FAR 9.601(2) is not allowable and will be rejected.
- (b) An Offeror must have proven experience and performance as an existing CTA in the form of a Partnership or Joint Venture in accordance with the proposal submission requirements in Section L.5., Volumes 1 through 6.

- (c) An Offeror may submit a proposal under an existing CTA in the form of a Partnership or Joint Venture only if the existing Partnership or Joint Venture has a corresponding DUNS Number in <https://www.sam.gov> and all the proposal submission documents are in the name of the existing Partnership or Joint Venture, not the individual members of the Partnership or Joint Venture.
- (d) Section L.5., Volume 1 through 6 proposal documents must have been performed by the existing Partnership or Joint Venture. For example, Company A, Company B Company, and Company C formed a Joint Venture called, ABC Incorporated. A Relevant Experience (Primary) Project in the name of Company A only, is not an eligible Project under this solicitation. All Pool Qualification and Relevant Experience Projects and other proposal submission documents must be in the name of ABC Incorporated.
- (e) Offerors who are an existing Joint Venture or Partnership may submit a proposal under this solicitation subject to the following conditions:
1. The Joint Venture or Partnership is registered in <https://www.sam.gov> and has a corresponding DUNS Number.
 2. The Joint Venture or Partnership meets the definition of a Joint Venture for size determination purposes (FAR 19.101(7)(i)).
 3. The Joint Venture or Partnership fills out and submits the Representations and Certifications in Section K.
 4. The Joint Venture or Partnership, not the individual team members, must represent all proposal submission documents required under Section L.5., including all Relevant Experience, Past Performance, Systems, Certifications, and Clearances, as applicable, under this solicitation.
 5. The Offeror must submit a complete copy of the Joint Venture or Partnership agreement that established the CTA relationship, disclosing the legal identity of each team member of the Joint Venture or Partnership, the relationship between the team members, the form of ownership of each team member, any limitations on liability or authority for each team member, and a specific statement of what resources each team member provides the teaming agreement. In addition, the existing Joint Venture or Partnership must:
 - a. Clearly identify the entities which make up the Joint Venture or Partnership relationship, including disclosure of the primary point of contact for each of the members of the team.
 - b. Disclose whether or not the Joint Venture or Partnership designates a particular entity as the “team lead,” and if so, the Joint Venture or Partnership must clearly explain the specific duties/responsibilities of the “team lead” to the other members of the team and to the Government.
 - c. Describe the specific duties/responsibilities of each member of the team as they relate to each other and explain the specific duties/responsibilities that each team member will have for purposes of contract performance under OASIS SB and meeting the performance standards in Section F.4.
 - d. Address the circumstances and procedures for replacement of team members, including the team lead, and whether or not the approval of the Government is required prior to replacing any team members
 - e. Address the duration of the Joint Venture or Partnership, including when it became effective, when it expires, and the basis for termination.
- (f) Failure to provide the Government with the requested documentation establishing the CTA relationship shall result in the Offer being rejected as being non-conforming.

L.5.2. VOLUME 2 – RESPONSIBILITY

- (a) To be eligible for award, the Offeror must adhere to the directions and submit the following information under Volume 2 – Responsibility.
- (b) See Section M.4.2. for how Volume 2 – Responsibility will be evaluated

L.5.2.1. Financial Resources

- (a) To be determined responsible, a prospective Contractor must have adequate financial resources to perform the contract, or the ability to obtain them.
- (b) The Offeror shall complete and submit a GSA Form 527 in accordance with Section J.13, Attachment (13), titled, “GSA FORM 527 CONTRACTOR’S QUALIFICATIONS AND FINANCIAL INFORMATION”. No other format will be considered. If the fill in portion of the form does not accommodate your information, please manually write in the required information. All forms must be signed by an authorized official at the bottom of page 6.
- (c) The OASIS PMO will provide the information to GSA financial analysts who may contact an Offeror after their initial financial review for clarification or additional information, if necessary.
- (d) GSA Form 527 Instructions:

1. Section I – General Information

- a. Complete all applicable sections
- b. Block 1A: This is the full name of the legal entity that will be signing the contract with GSA as submitted on the SF Form 33
- c. Block 6: This is asking whether the legal entity uses a DBA, trade name, fictitious name trademark, etc., for business purposes.
- d. Block 13: Non-disclosure of this information is a more significant negative factor than not reporting the items listed.

2. Section II - Government Financial Aid and Indebtedness

- a. Please complete all applicable sections.
- b. You must answer 14A, 14B, 15A and 16.

3. Section III – Financial Statements and Section IV Income Statements

- a. Block 18: Check “No”.
- b. Block 20: Check the applicable boxes to show whether the figures are in "Actual", “Thousands” or “Millions.”
- c. Blocks 24-28: Submit the last full fiscal year statement and subsequent interim statements. You must attach the financial and interim statements rather than write the figures on the GSA Form 527 – Page 2. Make sure that the full name of the legal entity or parent is in the heading of the financial statements. In addition, the completed Balance Sheet dates and the complete dates of the period covered by the Income Statement must correspond to the Offeror’s fiscal year cycle.

d. *NOTE: To those who use QuickBooks software*

The Income Statement defaults to a month/year format for all versions of this software. The complete dates of the period covered by the Income Statement must be submitted (i.e. January 1, 2015 to December 31, 2016). In addition, the older versions show an account called "Opening Bal Equity" in the Balance Sheet's Equity section. Please determine what accounts those funds belong in and transfer them to the correct account.

4. Section V – Banking and Finance Company Information

- a. Please complete all applicable sections; however, if your company has a prepared list of bank and trade references, you may attach it to the GSA Form 527 instead of completing this section.

5. Section VI – Principal Merchandise or Raw Material Supplier Information

- a. Leave this Section Blank

6. Section VII – Construction/Service Contracts Information

- a. Leave this Section Blank

7. Section VIII – Remarks

- a. Provide remarks as applicable.

8. Certification

- a. The Name of Business must correspond to the official legal entity on the SF 33
- b. Provide Name, Title, Signature, and Date of Authorized Official.

L.5.2.2. Representations and Certifications

The Offeror shall complete and submit all Representations and Certifications in accordance with the instructions in Section K.

L.5.3. VOLUME 3 – RELEVANT EXPERIENCE FOR PRIMARY AND SECONDARY PROJECTS

- (a) To be eligible for award, the Offeror must pass all the minimum requirements in Section L.5.3.1.
- (b) Relevant Experience is divided into two separate categories, Primary Projects and Secondary Projects as follows:
 1. The Primary category of Relevant Experience is tied solely to the Projects submitted under Section L.5.3.1. The criteria in Sections L.5.3.1. through L.5.3.2.8. apply to the same Projects submitted under Section L.5.3.1. The Offeror shall submit verifiable documents along with Section J.7., Attachment (7), titled "RELEVANT EXPERIENCE (PRIMARY) PROJECT TEMPLATE". Additional instructions for filling out the Relevant Experience (Primary) Project Template are found in Section J.7., Attachment (7). No other format will be considered. The Offeror must substantiate the minimum requirements and additional points by providing enough evidence within a Contract or Task Order document or other verifiable contractual documents to support each evaluation criteria. The Offeror shall highlight each section/paragraph that corresponds to the evaluation element taking credit for.

2. The Secondary category of Relevant Experience applies to scoring criteria associated with Mission Spaces and Multiple Award Contracting. These Projects can be based on any set of Projects the Offeror chooses to submit in accordance with Section L.5.3.3. The criteria in Sections L.5.3.3. through L.5.3.3.2. apply to the second category. The Offeror shall submit verifiable documents along with Section J.10., Attachment (10), titled "RELEVANT EXPERIENCE (SECONDARY) PROJECT TEMPLATE". Additional instructions for filling out the Relevant Experience (Secondary) Project Template are found in Section J.10., Attachment (10). No other format will be considered. The Offeror must substantiate the additional points by providing enough evidence within a Contract or Task Order document or other verifiable contractual documents to support each evaluation criteria. The Offeror shall highlight each section/paragraph that corresponds to the evaluation element taking credit for.

L.5.3.1. Acceptable Requirements for Relevant Experience (Primary) Projects

- (a) A Relevant Experience (Primary) Project is defined as a Single Contract; or, a Single Task Order placed under a Master Single Award or Multiple Award Indefinite Delivery, Indefinite Quantity (IDIQ) Task Order Contract (FAR 16.501-1 and 16.504); or a Single Task Order placed under a GSA Multiple Award Schedule (MAS) (FAR 8.405-2), or, a Single Task Order placed under a Master Single Award or Multiple Award Blanket Purchase Agreement (BPA)(FAR 8.405-3 or FAR 13.303). However, one of the required Relevant Experience (Primary) Projects may be a "Collection of Task Orders" placed under a Single-Award IDIQ Task Order Contract or Single-Award BPA in accordance with the following paragraph.
- (b) One of the required Relevant Experience (Primary) Projects may, at the discretion of the Offeror, be a Collection of Task Orders placed under a Single-Award IDIQ Task Order Contract or Single-Award BPA. For the purposes of determining the minimum acceptable requirements for Total Project Value and Total Number of Core Disciplines, the combination of Task Orders submitted under the Single-Award IDIQ or BPA will be used.
- (c) Any combination of U.S. Federal Government, U.S. State Government, International Public Sector, and Non-U.S. Federal Government/Commercial Projects can be submitted. A Subcontract under a U.S. Federal or State Government Prime Contract is not considered a "Commercial" Project and will be rejected if submitted as a Commercial Project.
- (d) If the Offeror is submitting a U.S. Federal Government Project, the Offeror must provide a copy of the Contract or Task Order Award form as follows:
 1. Standard Form (SF) 1449 – Solicitation/Contract/Order for Commercial Items – (Block 17a identifies the Prime Contractor, Block 9 identifies the U.S. Federal Government Agency, Block 3 identifies the Award/Effective Date, and Block 31c. identifies the date the Contracting Officer signed)
 2. SF 26 – Award/Contract – (Block 7 identifies the Prime Contractor, Block 5 identifies the U.S. Federal Government Agency, Block 3 identifies the Effective date, and Block 20C identifies the date the Contracting Officer signed)
 3. SF 33 – Solicitation, Offer, and Award – (Block 15A identifies the Prime Contractor, Block 7 identifies the U.S. Federal Government Agency, and Block 28 identifies the date the Contracting Officer awarded/signed)
 4. Department of Defense (DD) 1155 – Order for Supplies or Services (Block 9 identifies the Prime Contractor, Block 6 identifies the U.S. Federal Government Agency, Block 3 identifies the date of Order, and Block 24 identifies the Contracting Officer signature)
 5. Optional Form 307 – Contract Award (Block 7 identifies the Prime Contractor, Block 5 identifies the U.S. Federal Government Agency, Block 2 identifies the Effective date, and Block 15C identifies the date the Contracting Officer signed)

6. GSA Form 300 – Order for Supplies and Services (Block 6 identifies the Prime Contractor, Block 10 identifies the U.S. Federal Government Agency, Block 1 identifies the Date of Order, and Block 26C identifies the date the Contracting Officer signed)
 7. Other Official Government Award Form from a Cognizant Federal Office. (Must explicitly identify the Contractor, U.S. Federal Government Agency, and the date the Contracting Officer awarded/signed)
- (e) In accordance with the Relevant Experience (Primary) Project template (Section J.7, Attachment (7)) and the instructions herein, the Offeror must submit a minimum of 3 up to a maximum of 5 distinct Relevant Experience (Primary) Projects (each as a Prime Contractor or existing Joint Venture/Partnership in accordance with the definitions in Sections L.5.1.9. and L.5.1.10) that meet the following minimum conditions:
1. Each Relevant Experience (Primary) Project:
 - a. Must be ongoing or have been completed within the past 5 years prior to the solicitation closing date. For the purposes of determining acceptable requirements for a Collection of Task Orders, the period of performance of the Single-Award IDIQ or BPA will be used for meeting this requirement.
 - b. Must have at least 1 year of performance unless one of the following situations exist:
 1. The Project has a completed CPARS.
 2. The Project has a completed Award Fee Determination.
 3. The Project had a base period of performance less than 1 year and that period of performance is complete.
 - c. Must have a Past Performance rating of 3.00 or higher.
 - d. The combined annual value of the Projects must be equal to or greater than \$750 Thousand per year times the number of Projects submitted. For example, if three Projects are submitted, the combined annual value must be equal to or greater than \$2.25 Million per year; if four Projects are submitted, the combined annual value must be equal to or greater than \$3.00 Million per year; if five Projects are submitted, the combined annual value must be equal to or greater than \$3.75 Million per year.

No Individual Annual Project Value shall be less than \$150,000 per year. Annual Project Value for completed Projects is determined as follows: total obligated dollars divided by the total number of months of performance multiplied by 12. Annual Project value for ongoing Projects is determined as follows: total estimated value (inclusive of all option periods) divided by the total number of months of performance (inclusive of all option periods) multiplied by 12. If 1 of the Projects is a "Collection of Task Orders" placed under a Single-Award IDIQ Task Order contract or Single-Award BPA, each Task Order will be calculated based on the formulas above.

For example:

Projects 1 through 4 are stand-alone Projects (Task Orders or Contracts) that are not tied to a Collection of Task Orders under a Single Award IDIQ or BPA as follows:

- Project 1 is completed with an annual obligated value of: \$1,000,000
- Project 2 is ongoing with an annual estimated value of: \$2,000,000
- Project 3 is ongoing with an annual estimated value of: \$3,000,000
- Project 4 is completed with an annual obligated value of: \$4,000,000

Each of the 4 stand-alone Projects exceeds the 150K per year minimum requirement.

Project 5 Alternate is a single Project that is tied to a "Collection of Task Orders" under a Single Award IDIQ or BPA. Add up the obligated or estimated value of every Task Order award under the IDIQ or BPA and divide the total by the total of months awarded. For example, the IDIQ or BPA has 10 total Task Orders placed against it as follows:

• Task Order 1: January 2014 - December 2014	\$1,000,000
• Task Order 2: March 2014 - December 2014	\$ 250,000
• Task Order 3: April 2014 – December 2014	\$ 750,000
• Task Order 4: June 2014 – December 2014	\$1,500,000
• Task Order 5: August 2014 – December 2014	\$ 500,000
• Task Order 6: September 2014 - December 2014	\$ 800,000
• Task Order 7: January 2015 - September 2015	\$ 200,000
• Task Order 8: January 2015 - December 2015	\$3,000,000
• Task Order 9: August 2015 - July 2015	\$1,500,000
• Task Order 10: January 2015 - December 2016	<u>\$ 500,000</u>

The total cumulative value of the 10 Task Orders is: \$10,000,000

The total cumulative period of performance began at Task Order 1 in January 2014 and goes through Task Order 10 in December 2016. This equals 36 months.

\$10,000,000 divided by 36 months multiplied by 12 yields an average annual value of \$3,333,333.33.

Project 5 Alternate exceeds the \$150K per year minimum requirement.

The Total Combined Annual Value of Projects 1 through 5 exceeds the minimum requirement of \$3.75 Million per year.

L.5.3.2. Additional Points for Relevant Experience (Primary) Projects

- (a) For each of the Projects submitted for Relevant Experience (Primary) Projects in accordance with Section L.5.3.1., the Offeror will be rated more favorably for the following Sections L.5.3.2.1. through L.5.3.2.8 and Section M.5.1.1. through M.5.1.11.
- (b) If one of the required Relevant Experience (Primary) Projects is a Collection of Task Orders placed under a Single-Award IDIQ Task Order Contract or Single-Award BPA, the NAICS Code or PSC Code will be determined at the master IDIQ/BPA level. Total Project Value, Additional Core Disciplines, Multiple Locations, Subcontracting/Teaming, Ancillary Support Services and/or Products, Cost Reimbursement, and OCONUS will be determined based on the "Collection of Task Orders" as a whole submitted under the Single-Award IDIQ or BPA. There is no predetermined limit to the number of Task Orders that an Offeror can submit when the single Project includes a "Collection of Task Orders" under a Single-Award IDIQ/BPA; however, the Offeror may limit the number of Task Orders submitted as a single Project to only the number of Task Orders necessary to achieve the total maximum amount of points for that Project. For example, for Core Disciplines, if an Offeror theoretically has 1 Task Order under a Single-Award IDIQ that covers all 6 Core Disciplines, the Offeror only needs to submit that 1 Task Order validating the 6 separate Core Disciplines in order to claim the maximum points for all 6 Core Disciplines. On the other hand, if an Offeror theoretically has a different Core Discipline under 6 different Task Orders, the Offeror would need to submit all 6 Task Orders for validation purposes, but no more than 6.

In addition, the same Task Order can be used to validate other scoring elements in Sections L.5.3.2.1. through L.5.3.2.8. as well (e.g., “theoretically” 1 Task Order submission meeting the definition of a “Collection of Task Orders” under a Single-Award IDIQ could potentially achieve the maximum total number of points for that single Relevant Experience (Primary) Project).

L.5.3.2.1. Relevant Experience (Primary) Projects under an OASIS SB NAICS Code or PSC Code

- (a) The Offeror will be rated more favorably if the Relevant Experience (Primary) Project has any reported NAICS Code or PSC Code that correlates to the NAICS / PSC Code Table in Section L.5.1.2.
- (b) The Offeror will receive additional points regardless if the same NAICS Code or PSC Code is duplicated across different Projects. For example, if all 5 Projects have the same NAICS Code, the Offeror receives the maximum number of points. Note: If 1 of the required relevant experience primary Projects is a Collection of Task Orders placed under a Single-Award IDIQ Task Order contract or Single-Award BPA, the NAICS Code or PSC Code will be determined at the master IDIQ/BPA level.
- (c) In order to receive additional points under a NAICS Code or PSC Code for each Relevant Experience (Primary) Project, the Offeror must provide evidence of the NAICS Code or Product Service Code from the Federal Procurement Data System – Next Generation (FPDS-NG) report, if available. If the FPDS-NG is not available, the Offeror must provide other verifiable evidence from an official government document (For example, NAICS or PSC Codes explicitly identified in the solicitation, contract award, or other official government document)

CAUTION: If an FPDS-NG report exists, the Offeror must submit the FPDS-NG report. In the event there is a contradiction between the FPDS-NG report and the Offeror’s submitted documentation, the FPDS-NG report takes precedence unless evidence from a warranted contracting officer responsible for the Project indicates that the FPDS-NG report or other documentation is inaccurate in accordance with paragraph (d) or paragraph (e) below.

- (d) If an Offeror has a legitimate reason that the NAICS Code or PSC Code for any Relevant Experience (Primary) Project was erroneously reported in FPDS-NG with the incorrect NAICS Code or PSC Code associated to that Project, the Government will allow the Offeror the opportunity to request and submit correspondence from a Warranted Contracting Officer from the awarding agency to properly identify the correct NAICS Code or PSC Code.

CAUTION: Only a Warranted Contracting Officer authorizing a NAICS Code or PSC Code correction is acceptable. If this paragraph applies, the Offeror shall submit Section J.14., Attachment (14), titled, “NAICS OR PSC CODE CORRECTION LETTER”. NO other format or additional proposal documentation will be considered.

- (e) This paragraph only applies to Relevant Experience (Primary) Task Orders awarded under an Indefinite Delivery, Indefinite Quantity Contract (IDIQ) (FAR 16.5). This paragraph does not apply to Task Orders awarded under the Multiple Award Schedules (MAS) program.

If an Offeror is submitting a Relevant Experience (Primary) Task Order Project that was performed under the Master IDIQ contract and the Offeror feels that the NAICS code assigned to the Master IDIQ contract was not applicable for the work being performed on the Task Order Project, the Government will allow the Offeror the opportunity to request and submit correspondence from a Warranted Contracting Officer from the awarding agency to identify a more appropriate NAICS Code for the Task Order Project.

For Example: A master IDIQ contract was created that includes managerial support, engineering services, and financial services as part of its overall scope. However, only a single NAICS code (Engineering Services 541330) was selected for the master IDIQ contract based on the predominance of work expected to be performed under the IDIQ contract. This single NAICS code applies to all Task Orders placed under that master IDIQ contract, but may not accurately represent the specific work performed on a given Task Order performed within scope (like financial services).

CAUTION: Only a Warranted Contracting Officer authorizing a NAICS Code change is acceptable. If this paragraph applies, the Offeror shall submit Section J.15., Attachment (15), titled, "NAICS CODE CHANGE LETTER". No other format or additional proposal documentation will be considered.

- (f) See Section M.5.1.1. for how Relevant Experience (Primary) Projects under an OASIS SB NAICS or PSC Code is evaluated.

L.5.3.2.2. Relevant Experience (Primary) Project Value

- (a) For each Relevant Experience (Primary) Project submitted, using the same calculation methods in Section L.5.3.1.(e)(1)(d), the Offeror will receive additional points if the annual value meets or exceeds the following:
 - 1. Project averages \$750 Thousand or more on an annual basis, but less than \$2 Million on an annual basis including options.
 - 2. Project averages \$2 Million or more on an annual basis but, less than \$4 Million on an annual basis, including options.
 - 3. Project averages \$4 Million or more on an annual basis but, less than \$6 Million on an annual basis, including options.
 - 4. Project averages greater than \$6 Million on an annual basis
- (b) If an Offeror submits a single Project as "Collection of Task Orders" under a Single-Award IDIQ/BPA, Project Value is based on the cumulative value of the entire Task Order collection submitted as a whole under the Single-Award IDIQ/BPA. (If the maximum Project value is achieved without submitting all the Task Orders that have been awarded, then only submit those Task Orders that achieve the maximum results).
- (c) See Section M.5.1.2. for how Relevant Experience (Primary) Project Value is evaluated.

L.5.3.2.3. Relevant Experience (Primary) Projects with Performance/Integration of Additional Core Disciplines

- (a) The OASIS SB Statement of Work allows for the Performance/Integration across 6 Core Disciplines in accordance with Section C.2.1.5., OASIS SB Program Architecture. These 6 Core Disciplines include Program Management, Management Consulting, Scientific, Engineering, Logistics, and Financial.
- (b) For each Relevant Experience (Primary) Project submitted, the Offeror will receive additional points if the Project involves the Performance and/or Integration of:
 - 1. 4 out of the 6 OASIS SB Core Disciplines.
 - 2. 5 out of the 6 OASIS SB Core Disciplines.
 - 3. 6 out of the 6 OASIS SB Core Disciplines.
- (c) If an Offeror submits a single Project as "Collection of Task Orders" under a Single-Award IDIQ/BPA, Core Disciplines is based on the entire Task Order collection submitted as a whole under the Single-Award IDIQ/BPA. (If the maximum Core Disciplines is achieved without submitting all the Task Orders that have been awarded, then only submit those Task Orders that achieve the maximum results).

- (d) See Section M.5.1.3. for how Relevant Experience (Primary) Projects with Performance/Integration of Additional Core Disciplines is evaluated.

L.5.3.2.4. Relevant Experience (Primary) Projects with Multiple Locations

- (a) For each Relevant Experience (Primary) Project submitted, the Offeror will receive additional points if the Project involves performance in Multiple Locations as follows:
 - 1. Project performed in at least 2 and up to 4 different locations.
 - 2. Project performed in 5 or more different locations.
- (b) If an Offeror submits a single Project as "Collection of Task Orders" under a Single-Award IDIQ/BPA, Multiple Locations is based on the entire Task Order collection submitted as a whole under the Single-Award IDIQ/BPA. (If the maximum Multiple Locations is achieved without submitting all the Task Orders that have been awarded, then only submit those Task Orders that achieve the maximum results).
- (c) Temporary duty locations and/or travel locations or meetings less than 30 days do not count towards the number of locations.
- (e) See Section M.5.1.4. for how Relevant Experience (Primary) Projects with Multiple Locations is evaluated.

L.5.3.2.5. Relevant Experience (Primary) Projects with Subcontracting/Teaming

- (a) For each Relevant Experience (Primary) Project submitted, the Offeror will receive additional points if the Project involves Subcontracting/Teaming for services with at least 3 separate and distinct entities or consultants.
- (b) The Offeror shall provide documented evidence of the Subcontract/Teaming agreement that directly corresponds to Contract or Task Order Number of the Relevant Experience (Primary) Project. For example, a Contract or Task Order Number on the Subcontract/Teaming Agreement that correlates to the Relevant Experience (Primary) Project or the highlighted section within the Relevant Experience (Primary) Project that lists the entity or consultant names of the Subcontractors or Team members.
- (c) If an Offeror submits a single Project as "Collection of Task Orders" under a Single-Award IDIQ/BPA, Subcontracting/Teaming is based on the entire Task Order collection submitted as a whole under the Single-Award IDIQ/BPA. (If the maximum Subcontracting/Teaming is achieved without submitting all the Task Orders that have been awarded, then only submit those Task Orders that achieve the maximum results).
- (d) See Section M.5.1.5. for how Relevant Experience (Primary) Projects with Subcontracting/Teaming is evaluated.

L.5.3.2.6. Relevant Experience (Primary) Projects with Ancillary Support Services and/or Products

- (a) Ancillary Support Services are defined as services that are not included in the primary scope of work of the Project, but are integral and necessary to the performance of the overall requirement.
- (b) Ancillary Support Products are considered Government Property in the form of Equipment, Materials, Special Test Equipment, Special Tooling, and/or Property as defined in FAR 52.245-1, Government Property that has been purchased by the contractor in support of a services Project.

- (c) For each Relevant Experience (Primary) Project submitted, the Offeror will receive additional points if the Project involves Ancillary Support Services and/or Products.
- (d) If an Offeror submits a single Project as "Collection of Task Orders" under a Single-Award IDIQ/BPA, Ancillary Support Services and/or Products is based on the entire Task Order collection submitted as a whole under the Single-Award IDIQ/BPA. (If the maximum Ancillary Support Services and/or Products are achieved without submitting all the Task Orders that have been awarded, then only submit those Task Orders that achieve the maximum results).
- (e) See Section M.5.1.6. for how Relevant Experience (Primary) Projects with Ancillary Support Services and/or Products is evaluated.

L.5.3.2.7. Relevant Experience (Primary) Projects with Cost-Reimbursement (any type)

- (a) For a maximum of 2 Relevant Experience (Primary) Projects submitted, the Offeror will receive additional points if the Projects are Cost-Reimbursement, including any of the Cost type definitions under FAR Subpart 16.3.
- (b) If an Offeror submits a single Project as "Collection of Task Orders" under a Single-Award IDIQ/BPA, Cost Reimbursement is based on the entire Task Order collection submitted as a whole under the Single-Award IDIQ/BPA. (Only 1 Task Order submission is necessary to fulfill the maximum Cost-Reimbursement points for a single Project under a Single-Award IDIQ/BPA)
- (c) See Section M.5.1.7. for how Relevant Experience (Primary) Projects with Cost-Reimbursement (any type) is evaluated.

L.5.3.2.8. Relevant Experience (Primary) Project with OCONUS Locations

- (a) For a maximum of 2 Relevant Experience (Primary) Projects submitted, the Offeror will receive additional points if the Projects involve work at a location Outside the Continental United States (OCONUS).
- (b) If an Offeror submits a single Project as "Collection of Task Orders" under a Single-Award IDIQ/BPA, OCONUS Locations is based on the entire Task Order collection submitted as a whole under the Single-Award IDIQ/BPA. (Only 1 Task Order submission is necessary to fulfill the maximum OCONUS points for a single Project under a Single-Award IDIQ/BPA)
- (c) Temporary duty locations and/or travel locations less than 30 days do not count towards OCONUS locations.
- (d) See Section M.5.1.8. for how Relevant Experience (Primary) Projects with OCONUS is evaluated.

L.5.3.3. Relevant Experience (Secondary) Projects

- (a) Relevant Experience (Secondary) Projects demonstrate an Offeror's experience in managing multiple customers in a multiple award contracting environment similar to the OASIS SB Program. Mission Spaces and Multiple Award Contracts/Task Orders, as defined below, are not minimum or mandatory requirements. However, Offeror's who have performed in multiple Mission Spaces and have executed Multiple Award Contracts/Task Orders are considered more favorably.
- (b) In accordance with the Relevant Experience (Secondary) Project template (Section J.10, Attachment (10)) and the instructions herein, the Offeror may submit Relevant Experience (Secondary) Projects (each as a Prime Contractor or existing Joint Venture or Partnership) in accordance with the definitions in Sections L.5.1.9. and L.5.1.10) that meet the following minimum conditions:

1. Each Relevant Experience (Secondary) Project:

- a. Must be ongoing or have been completed within the past 5 years prior to the solicitation closing date. For the purposes of determining acceptable requirements for a Collection of Task Orders, the period of performance of the Single-Award or Multiple-Award IDIQ or BPA will be used for meeting this requirement.
- b. Must have at least 1 year of performance unless one of the following situations exist:
 1. The Project has a completed CPARS.
 2. The Project has a completed Award Fee Determination.
 3. The Project had a base period of performance less than 1 year and that period of performance is complete.
- c. Annual Project Value must exceed \$150,000 per year.

L.5.3.3.1. Relevant Experience (Secondary) Projects with Mission Spaces

- (a) For the purposes of Section L.5.3.3.1., a Relevant Experience (Secondary) Project is defined as a Single Contract; or, a Single Task Order placed under a master Single Award or Multiple Award Indefinite Delivery, Indefinite Quantity (IDIQ) Task Order contract (FAR 16.501-1 and 16.504); or a Single Task order placed under a GSA Multiple Award Schedule (MAS) (FAR 8.405-2), or, a single Task Order placed under a master Single Award or Multiple Award Blanket Purchase Agreement (BPA)(FAR 8.405-3)(FAR 13.303). Any Relevant Experience (Secondary) Project(s) must be a Contract or Task Order awarded by the U.S. Federal Government.
- (b) "Mission Spaces" include any U.S. Federal Government Agency that awarded the Contract/Task Order/Single Award IDIQ or BPA for any U.S. Federal Government Project. There are 5 distinct Mission Spaces defined below. If a particular agency is not listed within a particular Mission Space, the umbrella agency takes precedence (e.g., Department of Air Force and all its Commands would fall under Department of Defense or Mission Space #1). If a particular agency is not listed and does not fall under an umbrella agency, then the Project would be given credit under Mission Space #5 only (e.g., Federal Deposit Insurance Corporation would fall under Mission Space #5).
- (c) The Offeror will receive additional points if the Project submitted were awarded to at least 2 different Mission Spaces up to a maximum of 5 different Mission Spaces.
- (d) Each Project will only be given credit for a single Mission Space, based upon the awarding agency unless the awarding agency conducted the procurement on behalf of a customer agency. If the procurement has been conducted and awarded on behalf of a customer agency, credit for a single Mission Space will be based upon the customer agency. For example, GSA awarded a Task Order on behalf of the Department of State; therefore, the Department of State gets the credit under Mission Space #1, not GSA under Mission Space #3.
- (e) To receive credit for a Mission Space when the awarding agency is the same as the customer agency, the Project must have exceeded the Simplified Acquisition Threshold in total award value and the Offeror must submit a copy of the Official Government Award Form in the format of any of the following forms:
 1. Standard Form (SF) 1449 – Solicitation/Contract/Order for Commercial Items – (Block 17a identifies the Prime Contractor, Block 9 identifies the U.S. Federal Government Agency, Block 3 identifies the Award/Effective Date, and Block 31c. identifies the date the Contracting Officer signed)
 2. SF 26 – Award/Contract – (Block 7 identifies the Prime Contractor, Block 5 identifies the U.S. Federal Government Agency, Block 3 identifies the Effective date, and Block 20C identifies the date the Contracting Officer signed)

3. SF 33 – Solicitation, Offer, and Award – (Block 15A identifies the Prime Contractor, Block 7 identifies the U.S. Federal Government Agency, and Block 28 identifies the date the Contracting Officer awarded/signed)
 4. Department of Defense (DD) 1155 – Order for Supplies or Services (Block 9 identifies the Prime Contractor, Block 6 identifies the U.S. Federal Government Agency, Block 3 identifies the date of Order, and Block 24 identifies the Contracting Officer signature)
 5. Optional Form 307 – Contract Award (Block 7 identifies the Prime Contractor, Block 5 identifies the U.S. Federal Government Agency, Block 2 identifies the Effective date, and Block 15C identifies the date the Contracting Officer signed)
 6. GSA Form 300 – Order for Supplies and Services (Block 6 identifies the Prime Contractor, Block 10 identifies the U.S. Federal Government Agency, Block 1 identifies the Date of Order, and Block 26C identifies the date the Contracting Officer signed)
 7. Other Official Government Award Form from a Cognizant Federal Office. (Must explicitly identify the Contractor, U.S. Federal Government Agency, and the date the Contracting Officer awarded/signed)
- (f) To receive credit for a Mission Space when the awarding agency is not the same as the customer agency, the Project must have exceeded the Simplified Acquisition Threshold in total award value and the Offeror must submit a copy of both the Government Award Form (identified above) and page identifying the name of the customer-agency (e.g., Statement of Work, etc.)
- (g) Once a Mission Space is covered, additional credit for the same Mission Space is not given. The combination of all Projects will determine how many Mission Spaces are given credit for. For example, 3 Projects are submitted. Of those 3 Projects, 1 Project was awarded by the Air Force Materiel Command (AFMC), 1 Project was awarded by the Naval Air Systems Command (NAVAIR), and 1 Project was awarded by the Federal Deposit Insurance Corporation (FDIC). The total credit for these 3 Projects is 2 Mission Spaces (i.e., Mission Space #1 under Department of Defense for both AFMC and NAVAIR and Mission Space #5 for FDIC).
- (h) See Section M.5.1.10. for how Relevant Experience (Secondary) Projects with Mission Spaces is evaluated.

L.5.3.3.2. Relevant Experience (Secondary) Projects with Multiple Award Contracts/BPAs and Task Orders

- (a) For the purposes of defining Multiple Award Contracts/BPAs in Section L.5.3.3.2., a Relevant Experience (Secondary) Project at the Master Contract Level is defined only as Multiple Award (MA) Indefinite Delivery, Indefinite Quantity (IDIQ) Task Order contract in accordance with FAR 16.501-1 and FAR 16.504; or a Multiple Award (MA) Blanket Purchase Agreement (BPA) in accordance with FAR 8.405-3 or FAR 13.303.
- (b) Any Relevant Experience (Secondary) Project(s) must be a MA-BPA or MA-IDIQ Contract awarded by the U.S. Federal Government.
- (c) MA-BPAs and subsequent Task Orders placed against GSA Multiple Award Schedules (MAS) are eligible under the section; however, GSA MAS in of themselves are not considered Multiple Award Contracts and are not eligible under this Section. For example, Company A holds a GSA MOBIS Schedule and has been awarded 12 Task Orders against this GSA MAS. This example is not eligible under this Section for additional points. Another example: Company A is awarded a MA-BPA under their GSA MOBIS Schedule and has been awarded 12 Task Orders under that BPA agreement. This example is eligible under this Section for additional points.

- (d) For the purposes of defining Task Orders in Section L.5.3.3.2. A Relevant Experience (Secondary) Project is defined only as a single Task Order placed under a master MA-IDIQ Task Order Contract (FAR 16.501-1 and 16.504); or, a single Task Order placed under a master MA-BPA (FAR 8.405-3 or FAR 13.303). Any Relevant Experience (Secondary) Project(s) must be a Task Order awarded by the U.S. Federal Government.
- (e) The Offeror will receive additional points if the Projects submitted were awarded to at least 2 different Multiple Award Contracts (MACs) with at least 2 Task Orders under each MAC up to a maximum of 10 different MACs with at least 2 Task Orders under each MAC.
- (f) To receive credit for Multiple Award Contracts and Task Orders, the Offeror must submit a copy of the Official Government Award Form in the format of any of the following forms:
1. For the MA-IDIQ or MA-BPA Multiple Award Contract itself the Offeror must submit a copy of each Award Forms as follows:
 - a. Standard Form (SF) 1449 – Solicitation/Contract/Order for Commercial Items – (Block 2 identifies the Multiple Award Contract No., Block 17a identifies the Contractor, Block 9 identifies the U.S. Federal Government Agency, Block 3 identifies the Award/Effective Date, and Block 31c. identifies the date the Contracting Officer signed)
 - b. SF 26 – Award/Contract – (Block 2 identifies the Multiple Award Contract No., Block 7 identifies the Contractor, Block 5 identifies the U.S. Federal Government Agency, Block 3 identifies the Effective date, and Block 20C identifies the date the Contracting Officer awarded/signed)
 - c. SF 33 – Solicitation, Offer, and Award – (Block 2 identifies the Multiple Award Contract No., Block 15A identifies the Contractor, Block 7 identifies the U.S. Federal Government Agency, and Block 28 identifies the date the Contracting Officer awarded/signed)
 - d. Optional Form 307 – Contract Award (Block 1 identifies the Multiple Award Contract No., Block 7 identifies the Contractor, Block 5 identifies the U.S. Federal Government Agency, Block 2 identifies the Effective date, and Block 15C identifies the date the Contracting Officer signed)
 - e. Other Official Government Award Form from a Cognizant Federal Office (Must explicitly identify the Multiple Award Contract No., Contractor, U.S. Federal Government Agency, and the date the Contracting Officer awarded/signed)
 2. For each Task Order awarded under a MA-IDIQ or MA-BPA Multiple Award Contract, the Offeror must submit a copy of the following Award Forms: (Note: the Task Order Award Form(s) must also identify the Multiple Award Contract No. from the form(s) submitted above)
 - a. Standard Form (SF) 1449 – Solicitation/Contract/Order for Commercial Items – (Block 2 identifies the Multiple Award Contract No., Block 4 identifies the Task Order No., Block 17a identifies the Contractor, Block 9 identifies the U.S. Federal Government Agency, Block 3 identifies the Award/Effective Date, and Block 31c. identifies the date the Contracting Officer signed)
 - b. Department of Defense (DD) 1155 – Order for Supplies or Services (Block 1 identifies the Multiple Award Contract No., Block 2 identifies the Task Order No., Block 9 identifies the Contractor, Block 6 identifies the U.S. Federal Government Agency, Block 3 identifies the date of Order, and Block 24 identifies the Contracting Officer signature)

- c. GSA Form 300 – Order for Supplies and Services (Block 3 identifies the Multiple Award Contract No., Block 2 identifies the Task Order No., Block 6 identifies the Contractor, Block 10 identifies the U.S. Federal Government Agency, Block 1 identifies the date of Order, Block 26C identifies the date the Contracting Officer awarded/signed)
- d. Other Official Government Award Form from a Cognizant Federal Office not (Must explicitly identify the Multiple Award Contract No., Task Order No., Contractor, U.S. Federal Government Agency, and the date the Contracting Officer awarded/signed)
- (g) See Section M.5.1.11. for how Relevant Experience (Secondary) Projects with Multiple Award Contracts/BPAs and Task Orders is evaluated.

L.5.4. VOLUME 4 – PAST PERFORMANCE

- (a) Offeror's shall provide a record of Past Performance in accordance with the following paragraph for each Pool Qualification Project submitted in accordance with Section L.5.1.2. and for each Relevant Experience (Primary) Projects submitted in accordance with Section L.5.3.
- (b) The following sources must be used for Past Performance in order of precedence:
 - 1. If an interim or final PPIRS/CPARS report is available, the Offeror must use PPIRS/CPARS as the basis for their past performance, regardless if an Award Fee determination (in accordance with FAR 16.401) was done on the Project
 - 2. If an interim or final PPIRS/CPARS report is not available and an Award Fee determination is available, the Offeror must use the Award Fee determination as the basis for their past performance.
 - 3. If an interim or final PPIRS/CPARS report is not available and an Award Fee Determination is not available or not applicable, the Offeror must use a Past Performance Rating Plan in accordance with Section L.5.4.3.
- (c) If any of the Projects are either an individual Task Order; or part of a Collection of Task Orders placed under a Single-Award IDIQ Task Order contract or Single-Award BPA, the following sources must be used for Past Performance in order of precedence:
 - 1. If the Single Award IDIQ/BPA has an interim or final PPIRS/CPARS report at the master contract level that covers either the individual Task Order or the Collection of Task Orders as a whole, then PPRIS/CPARS at the master IDIQ/BPA level must be used for the basis of past performance.
 - 2. If the Single Award IDIQ/BPA does not have an interim or final PPIRS/CPARS at the master contract level that covers either the individual Task Order or the Collection of Task Orders as a whole, but does have a PPRIS/CPARS report for each individual Task Orders, then the PPIRS/CPARS report at the individual Task Order level must be used for the basis of past performance for each Task Order. For a Collection of Task Orders, the Past Performance must be limited to only those Task Orders that are used for validating core disciplines.
 - 3. If neither the Single Award IDIQ/BPA nor the individual Task Orders have an interim or final PPIRS/CPARS report, then the Offeror must submit a Past Performance Rating Plan in accordance with Section L.5.4.3. that covers each individual Task Order at the Task Order level only. For a Collection of Task Orders, the Past Performance survey must be limited to only those Task Orders that are used for validating Core Disciplines.

- (d) To determine whether each Project submitted meets the minimum Acceptability score of 3.00, the rating methodology under Section M.5.2.4. will be used. Only Relevant Experience (Primary) Projects are eligible for additional points for Past Performance as set forth in Section M.5.2.4.

L.5.4.1. Past Performance ((PPIRS) information exists)

- (a) If the Government has entered interim or final ratings in PPIRS, the Offeror shall provide a copy of this rating with their proposal. The Government will retrieve past performance information from the PPIRS database that links to the Contractor Performance Assessment Reporting System (CPARS) in order to validate the Offeror's submission. If a final rating is not available, the most current interim past performance information will be used. Offerors are responsible for verifying whether past performance ratings exist in the PPIRS database prior to using Past Performance Rating Plans.
- (b) See Section M.5.2.1. for how Past Performance when PPIRS exists is evaluated.

L.5.4.2. Past Performance (Award Fee Determination exists)

- (a) If the Government has not entered interim or final ratings in PPIRS but, the Government has performed an Award Fee determination in accordance with TABLE 16-1 under FAR 16.401 in lieu of interim or final past performance ratings in PPIRS, the Award Fee determination from the Government agency must be submitted. For the purposes of this solicitation, the most current Award Fee Determination will be used. Offerors are responsible for verifying whether past performance ratings exist in the PPIRS database or an Award Fee Determination exists prior to using Past Performance Rating Plans.
- (b) See Section M.5.2.2. for how Past Performance when Award Fee Determinations exists is evaluated.

L.5.4.3. Past Performance (PPIRS information or Award Fee Determination does not exist)

- (a) If the Government has not entered interim or final ratings in PPIRS and the Government has not performed an Award Fee determination in accordance with TABLE 16-1 under FAR 16.401 or, if the Project(s) are considered Non-U.S. Federal Projects; the Offeror must submit a Past Performance Rating Plan using the template in Section J.8., Attachment (8), "PAST PERFORMANCE RATING FORM". No other format or additional proposal documentation will be considered.
 - 1. Using the PAST PERFORMANCE RATING FORM in accordance with Section J.8., Attachment (8), the Offeror shall provide the Past Performance survey directly to each of the references, as applicable, and instruct each rater to send a completed form directly back to the Offeror;
 - 2. The rater must be a Contracting Officer, Contracting Officer Representative, or Program Manager with direct knowledge of the performance under the project being rated. The Offeror must follow up with each rater to ensure the Past Performance Rating Forms were received and completed prior to the proposal closing date;
 - 3. The Offeror must submit all Past Performance Rating Forms, as applicable, with their proposal submission
- (b) In the event the evaluation team discovers misleading, falsified, and/or fraudulent past performance ratings, the Offeror shall be eliminated from further consideration for award. Falsification of any proposal submission, documents, or statements may subject the Offeror to civil or criminal prosecution under Section 1001 of Title 18 of the United States Code.
- (c) See Section M.5.2.3. for how Past Performance when PPIRS or Award Fee Determinations does not exist is evaluated.

L.5.5. VOLUME 5 – SYSTEMS, CERTIFICATIONS, AND CLEARANCES

- (a) The following Systems, Certifications, and Clearances are not minimum or mandatory requirements; however, Offeror's who have these Systems, Certifications, and Clearances in place are considered more favorably.
- (b) All Systems, Certifications, and Clearances must be in the name of the Official Legal Entity in accordance with Section L.3.1. unless a Meaningful Relationship Commitment Letter is provided in accordance with Section L.5.1.9.
- (c) See Section M.5.3. for how Systems, Certifications, and Clearances is evaluated.

L.5.5.1. Approved Purchasing System

- (a) If claiming credit for this scoring element, the Offeror must provide verification from the Defense Contract Management Agency (DCMA), or any Cognizant Federal Agency (CFA) of an approved purchasing system for compliance in the efficiency and effectiveness with which the Contractor spends Government funds and compliance with Government policy when subcontracting.
- (b) Verification requirements include a copy of the Offeror's official Contractor Purchasing System Review (CPSR) report, if available and/or official letterhead from DCMA or CFA verifying the approval of the purchasing system.
- (c) The Offeror shall provide POC information that includes the name, address, phone number, and email of the representative at their Cognizant DCMA or CFA that determined approval.
- (d) The offer shall make reference to the page number and paragraph of the CPSR audit or letter that determined the approval of the purchasing system.

L.5.5.2. Forward Pricing Rate Agreements, Forward Pricing Rate Recommendations, and/or Approved Billing Rates

- (a) If claiming credit for this scoring element, the Offeror must provide current verification from the Defense Contract Audit Agency (DCAA), or Defense Contract Management Agency (DCMA), or any Cognizant Federal Agency (CFA) of Forward Pricing Rate Agreements (FPRA), Forward Pricing Rate Recommendations, and/or Approved Billing that have been audited and determined acceptable for generating estimates of costs and other data included in proposals submitted to customers.
- (b) Verification requirements include a copy of the Offeror's official FPRA, FPRR, Approved Billing Rates, audit report and audit report number from DCAA, DCMA, or CFA identifying the rates in the FPRA, FPRR, and/or Approved Billing Rates.
- (c) The Offeror shall provide POC information that includes the name, address, phone number, and email of the representative at their Cognizant DCAA, DCMA, or CFA that determined approval.
- (d) The offer shall make reference to the page number and paragraph of the audit report or letter that sets forth the FPRA, FPRR, and/or Billing Rates.

L.5.5.3. Earned Value Management Systems (EVMS)

- (a) If claiming credit for this scoring element, the Offeror must provide verification of their EVMS ANSI/EIA Standard-748.

- (b) Verification requirements include a copy of the Offeror's official audit report from Defense Contract Management Agency (DCMA) or other Cognizant Federal Agency (CFA), as applicable. If only part of a Contractor's organization is EVMS ANSI/EIA Standard-748 certified, the Offeror shall make the distinction between which business units or sites and geographic locations have been certified.
- (c) The Offeror shall provide POC information that includes the name, address, phone number, and email of the representative at DCMA or CFA that determined approval.
- (d) The offer shall make reference to the page number and paragraph of the audit report or letter that determined the approval of the EVMS ANSI/EIA Standard-748.

L.5.5.4. Acceptable Estimating System

- (a) If claiming credit for this scoring element, the Offeror must provide verification from the Defense Contract Audit Agency (DCAA), or Defense Contract Management Agency (DCMA), or Cognizant Federal Agency (CFA) of an estimating system that has been audited and determined acceptable for budgeting and planning controls, and generating estimates of costs and other data included in proposals submitted to customers in the expectation of receiving contract awards.
- (b) Verification requirements include a copy of the Offeror's official audit report, if available and/or official letterhead from DCAA, DCMA, or CFA verifying the acceptability of the estimating system.
- (c) The Offeror shall provide POC information that includes the name, address, phone number, and email of the representative at DCAA, DCMA, or CFA that determined approval.
- (d) The offer shall make reference to the page number and paragraph of the audit report or letter that verifies the adequacy of the estimating system.

L.5.5.5. CMMI Maturity Level 2 Certification (or higher)

- (a) If claiming credit for this scoring element, the Offeror must provide verification of a CMMI Maturity Level 2 or higher. The certification can be for any model (Development, Acquisition, or Services). If an Offeror has multiple CMMI certifications, the Offeror shall only receive points for 1 certification at Level 2 or higher, and must provide the certification that the Offeror wants to be credited for and wishes to maintain in accordance with Section H.6.11.
- (b) Verification requirements include a copy of the Offeror's official certification from a CMMI Instituted Certified Lead Appraiser. If only part of a Contractor's organization is CMMI certified, the Offeror shall make the distinction between which business units or sites and geographic locations have been certified.
- (c) The Offeror shall provide POC information that includes the name of the Certification body and name, address, phone number, and email of the representative who provided the CMMI Maturity Level.
- (d) The offer shall make reference to the page number and paragraph of the certification or letter that determined the approval of the CMMI Maturity Level.

L.5.5.6. ISO 9001:2008 Certification

- (a) If claiming credit for this scoring element, the Offeror must provide verification of ISO-9001:2008 Certification.

- (b) Verification requirements include a copy of the Offeror's official certification from an approved ISO 9001:2008 certification body. If only part of a Contractor's organization is ISO 9001:2008 certified, the Offeror shall make the distinction between which business units or sites and geographic locations have been certified.
- (c) The Offeror shall provide POC information that includes the name of the Certification body and name, address, phone number, and email of the representative who provided the ISO-9001:2008 Certification.
- (d) The offer shall make reference to the page number and paragraph of the certification or letter that determined the approval of the ISO 9001:2008 Certification.

L.5.5.7. ISO 17025 Certification

- (a) If claiming credit for this scoring element, the Offeror must provide verification of ISO 17025 Certification.
- (b) Verification requirements include a copy of the Offeror's official certification from an approved ISO 17025 certification body. If only part of a Contractor's organization is ISO 17025 certified the Offeror shall make the distinction between which business units or sites and geographic locations have been certified.
- (c) The Offeror shall provide POC information that includes the name of the Certification body and name, address, phone number, and email of the representative who provided the ISO 17025 Certification.
- (d) The offer shall make reference to the page number and paragraph of the certification or letter that determined the approval of the ISO 17025 Certification.

L.5.5.8. ISO 14001:2004 Certification

- (a) If claiming credit for this scoring element, the Offeror must provide verification of ISO 14001:2004 Certification.
- (b) Verification requirements include a copy of the Offeror's official certification from an approved ISO 14001:2004 certification body. If only part of a Contractor's organization is ISO 14001:2004 certified, the Offeror shall make the distinction between which business units or sites and geographic locations have been certified.
- (c) The Offeror shall provide POC information that includes the name of the Certification body and name, address, phone number, and email of the representative who provided the ISO 14001:2004 Certification.
- (d) The offer shall make reference to the page number and paragraph of the certification or letter that determined the approval of the ISO 14001:2004 Certification.

L.5.5.9. AS9100 Certification

- (a) If claiming credit for this scoring element, the Offeror must provide verification of AS9100 Certification.
- (b) Verification requirements include a copy of the Offeror's official certification from an approved AS9100 certification body. If only part of a Contractor's organization is AS9100 certified, the Offeror shall make the distinction between which business units or sites and geographic locations have been certified.
- (c) The Offeror shall provide POC information that includes the name of the Certification body and name, address, phone number, and email of the representative who provided the AS9100 Certification.
- (d) The offer shall make reference to the page number and paragraph of the certification or letter that determined the approval of the AS9100 Certification.

L.5.5.10. Facility Clearance Level (FCL)

- (a) If claiming credit for this scoring element, the Offeror must identify their Government Facility Clearance Level (FCL) on the Proposal Checklist in Section J.4. Attachment (4) and assigned the appropriate score, if any, in Section J.5.1. Attachment (5A).
- (b) For each Offeror claiming credit for an FCL, verification will be done by the OASIS SB PMO contacting the Defense Security Service (DSS).

L.6. VOLUME 6 – COST/PRICE

- (a) For Cost/Price proposals, Offerors shall use the Microsoft Excel Spreadsheet in Section J.9., Attachment (9), entitled, “COST/PRICE TEMPLATE”, which consists of Government-Site (Tab 1) and Contractor-Site (Tab 2) Loaded Hourly Labor Rates through June 19, 2029.
- (b) In accordance with Section B.2.5.1, OASIS SB only establishes ceiling rates for T&M/L-H Task Orders/CLINs placed on a Sole Source basis or when adequate price competition is not anticipated, therefore, the proposed Sole-Source T&M/LH ceiling rates do not apply to fixed-price, cost-reimbursement, or T&M/LH Task Orders when adequate price competition is anticipated.
- (c) Competition at the Task Order level will establish fair and reasonable pricing for Task Orders placed under OASIS SB for all contact types. For those relatively rare instances when competition does not exist for T&M/L-H Task Orders, these ceiling rates shall apply. The OCO has the flexibility to exceed these rates, but are cautioned only to do so when justified, such as for requirements requiring special security clearance or OCONUS related work.
- (d) The Offeror shall propose ceiling rates for Sole-Source T&M/L-H Task Orders by completing Columns H through Y of the Section J.9., Cost/Price Template for all 104 Labor Categories for both Government-Site and Contractor-Site
- (e) These Sole-Source T&M/LH ceiling rates are to be based upon the highest qualified employee within a given labor category or group, working in the highest paid area within CONUS, on a highly complex requirement, excluding Secret/Top Secret/SCI and OCONUS work.
- (f) The OASIS SB contract is currently in Year 3 (June 20, 2016 through June 19, 2017). Because this is an on-ramp, Sole-Source T&M/LH ceiling rates will encompass Year 3 through Year 15. Year 3 of the contract will be a partial year from the date of the Notice-to-Proceed through June 19, 2017. The remaining years 4 through 15 will be based on the yearly cycle of June 20 through June 19.
- (g) Offerors shall only provide the Sole-Source ceiling rates for Year 3 of the contract only. Ceiling rates for the remaining years 4 through 15 will automatically be calculated for each labor category by an escalation factor embedded in the spreadsheet. Offerors shall not change the escalation factor in the spreadsheet. This escalation factor is determined by the Bureau of Labor Statistics (BLS) Economic Cost Index (ECI) and is based on the average annual BLS ECI for the previous three years from the date the OASIS SB solicitation is issued.

L.6.1. Direct Labor Rates

- (a) Direct Labor Rates are labor rates that are not burdened with indirect rates such as Fringe Benefits, Overhead, General and Administrative expenses, and/or Profit.

- (b) OASIS SB labor categories were mapped to the Department of Labor Standard Occupational Classification (SOC). Within each SOC, The Bureau of Labor Statistics (BLS) provides a National 50th Percentile estimate, a National 75th Percentile estimate, and a National 90th Percentile estimate for direct labor rates. Also identified are the States where each occupation is paid the highest. The BLS also provides a State 50th Percentile estimate, a State 75th Percentile estimate, and a State 90th Percentile estimate for each SOC in each state in the United States. See Section J.1., Attachment (1), "LABOR CATEGORIES AND DEFINITIONS".
- (c) Section J.2, Attachment (2), "DIRECT LABOR RATE RANGES", provides direct labor rate ranges. The "low" end of the direct labor rate range is the National estimate and the "high" end of the direct labor rate range is the estimate data for the State identified as the highest paid.
- (d) While Offerors are free to submit whatever direct labor rates they see fit, Offerors are strongly encouraged to propose a direct labor rate for each OASIS SB labor category within the ranges provided in Section J.2.

Caution: Offerors are strongly advised to provide clear and convincing rationale to support a lower or higher direct labor rate within the ranges in Section J.2., otherwise the proposed direct labor rate will not be considered fair and reasonable and the Offeror would not be eligible for award regardless of technical score.

L.6.2. Indirect Rates/Profit

- (a) For each Indirect rate, Offeror's shall propose indirect rates according to their most current DCAA/DCMA approved billing rates and/or forward pricing rate recommendations and/or agreements, if available. If an Offeror does not have DCAA/DCMA approved billing rates and/or forward pricing rate recommendations and/or agreements, Offerors shall provide indirect rates generated from their acceptable accounting system.
- (b) For Profit, Offeror's shall consider the risk under a sole-source T&M/L-H type Task Order and propose a profit rate that does not exceed 7%. Caution: Offerors are strongly advised to provide clear and convincing rationale to support a profit rate that exceeds 7% otherwise the proposed profit rate may not be considered fair and reasonable and the Offeror would not be eligible for award regardless of technical score.

L.6.3. Cost/Price Template Instructions

- (a) Using the Microsoft Excel Spreadsheet in Section J.9., Attachment (9), entitled, "COST/PRICE TEMPLATE", which consists of Government-Site (Tab 1) and Contractor-Site (Tab 2) Loaded Hourly Labor Rates through June 19, 2029, enter the Offeror Name. For each labor category, the Offeror shall provide a cost element breakdown of Direct Labor, Fringe Benefits, Overhead, General and Administrative (G&A), and Profit that provides a single loaded hourly labor ceiling rate. All percentages and rates shall be rounded to two decimal places.
- (b) The following table provides further instruction as follows:

Column A	This column is restricted. Offerors shall not make entries in this column. This column contains the Labor ID# for Government-Site work and for Contractor-Site work.
Column B	This column is restricted. Offerors shall not make entries in this column. This column contains the Labor Category Description. Definitions to these labor categories are provided in Section J.1., Attachment (1).
* Column C	Enter direct labor rates that best fit the definitions of each labor category listed in Column B. Direct labor rate ranges are provided in Section J.2., Attachment (2).
* Column D	Enter the Fringe Benefits percentage under Column D, Row 7.
* Column E	Enter the Overhead percentage under Column E, Row 7.
* Column F	Enter the G&A percentage under Column F, Row 7.

* Column G	Enter the Profit percentage under Column G, Row 7.
* Column's H through Y	These columns are restricted. Offeror's shall not make entries in this column. The escalation factor is based on the average annual Bureau of Labor Statistics Economic Cost Index for the previous three years at the time the final solicitation is posted in fbo.gov. The Offeror shall not make any changes to the cost index (See Section B.2.5.1.)

- (c) Offeror's with a different indirect rate structure than that identified in Columns D through F may adjust their columns accordingly. Furthermore, Offeror's with a different indirect structure for certain labor categories may adjust the rows and columns accordingly. For example, if an Offeror adds Facilities Capital Cost of Money to their indirect structure and columns H through Y becomes columns I through X that is acceptable.
- (d) See Section M.7. for how Cost/Price is evaluated.

(END OF SECTION L)

SECTION M - EVALUATION FACTORS FOR AWARD

M.1. FAR 52.252-1 SOLICITATION PROVISIONS INCORPORATED BY REFERENCE (FEB 1998)

This solicitation incorporates 1 or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. In lieu of submitting the full text of those provisions, the Offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer. Also, the full text of a solicitation provision may be accessed electronically at this address:

<https://www.acquisition.gov>

FAR	TITLE	DATE
52.217-5	Evaluation of Options	JUL 1990

M.2. BASIS FOR AWARDS

- (a) The source selection process on OASIS SB will neither be based on the Lowest Price Technically Acceptable (LPTA) nor Tradeoffs. Within the best value continuum, FAR 15.101 defines best value as using any 1 or a combination of source selection approaches. For OASIS SB, the best value basis for awards will be determined by the Highest Technically Rated Offerors with a Fair and Reasonable Price.
- (b) The Highest Technically Rated, Fair and Reasonable Price approach will best achieve the objective of awarding contracts to Offerors of varying core expertise in a variety of professional services disciplines with qualities that are most important to GSA and our customers, such as Past Performance, Relevant Experience, and Systems, Certifications, and Clearances.
- (c) OASIS SB currently consists of 7 MA-IDIQ Task Order contracts, referred to as Pools 1, 2, 3, 4, 5A, 5B, and 6. This on-ramp solicitation is for OASIS SB Pool 2 only. For this on-ramp solicitation, 31 multiple awards (for a total of 40 including an existing 11 contractors with awards) are anticipated in Pool 2. In the event of a tie at the number 31 position, all Offerors tied will receive an award. Furthermore, additional Socio-Economic Offerors may be awarded in accordance with Section M.3.(j).
- (d) The Government intends to award contracts without discussions. Initial proposals must contain the best offer. The Government may conduct clarifications, as described in FAR 15.306(a). The Government reserves the right to conduct discussions if determined necessary.
- (e) The Government intends to strictly enforce all of the proposal submission requirements outlined in Section L. Failure to comply with these requirements may result in an Offeror's proposal being rejected as being non-conforming to solicitation requirements.
- (f) In the event the evaluation team discovers an exaggerated Self-Scoring Worksheet (Section J.5.1. Attachment 5A) with numerous point deductions based on a lack of information/supporting documentation or and/or deceptive, ambiguous, misleading, falsified, and/or fraudulent proposal information/supporting documentation, the Offeror shall immediately be eliminated from further consideration for award. Falsification of any proposal submission, documents, or statements may subject the Offeror to civil or criminal prosecution under Section 1001 of Title 18 of the United States Code.

M.3. SCREENING AND EVALUATION PROCESS

- (a) The OASIS SB evaluation team will perform a two-step screening process for all offers received. First, the team will verify that a support document exists for all the evaluation elements in accordance with the Offeror's proposal checklist submitted in accordance with Section J.4., Attachment (4) and compare it to the Offeror's Self Scoring Worksheet submitted in accordance with Section J.5.1. Attachment (5A). Any discrepancies will be treated as clarifications.
- (b) Once the screening process is complete, the OASIS SB evaluation team will assign preliminary score in accordance with the evaluation methodology set forth in Section M.
- (c) Once the preliminary scoring is complete for all offers, the OASIS SB evaluation team will sort the offers by highest score to lowest score for each Pool.
- (d) The OASIS SB evaluation team will then verify that the Top 31 awards for Pool 2 have successfully passed all of the Acceptability Review requirements in Section M.4. of the solicitation.
- (e) Any Offeror in the Top 31 based upon score, who fails any of the criteria listed in the Acceptability Review in Section M.4., will be removed from consideration for award and notified, in writing, as soon as practicable. The next highest rated Offeror(s) (based upon score) who passes the Acceptability Review shall be added in the eliminated Offerors place. Only Offerors who initially pass all the criteria in the Acceptability Review in accordance with Section M.4. shall be considered eligible for award.
- (f) Following the Acceptability Review screening, the evaluation team will then evaluate and verify the support documentation for each and every evaluation element that the Top 31 has stated in the Offeror's Proposal Checklist (See Section J.4.) and Self Scoring Worksheet (See Section J.5.1.)
- (g) In the event that an evaluation element claimed is unsubstantiated or otherwise not given credit for, the Offeror's preliminary score shall have the point value of the refuted evaluation element deducted and the Offeror will be re-sorted based upon the revised preliminary score. If the Offeror remains in the Top 31 the evaluation of the offer shall continue. If the Offeror does not remain in the Top 31, the next highest rated Offeror (based upon score) who passes the Acceptability Review shall be added to the Top 31 and evaluation shall begin on that offer.
- (h) Once the Top 31 highest scored offers have been evaluated and validated, the evaluation team will then check to verify that these Offerors have proposed fair and reasonable pricing. In the event that an Offeror has not provided fair and reasonable pricing, the Offeror shall be eliminated from further consideration for award unless discussions are conducted. However, the OASIS SB CO plans on basing award on initial proposals and does not intend on conducting discussions as stated in Section M.2.
- (i) The evaluation process shall continue this cycle until the Top 31 successful Offerors are identified in OASIS SB Pool 2 that represent the highest technically rated offers (based on scores) with a fair and reasonable price. In the event of a tie at the position of number 31, all Offerors tied for this position shall receive a contract award.

- (j) Once the Top 31 successful Offerors have been identified, Socio-Economic examination of the Top 31 Offerors in each Pool shall be made. Currently there are a total of 3 8(a) Small Businesses and 1 Small Disadvantaged Veteran-Owned Small Businesses (SDVOSB) in Pool 2. The Government intends to have at least 3 representatives from each socio-economic subgroup in Pool 2 to ensure competitive set-aside capability. Based on the existing socio-economic representatives in Pool 2, the Government intends to award at least 3 HUBZone Small Businesses, 2 Small Disadvantaged Veteran-Owned Small Businesses (SDVOSB), 3 Women-Owned Small Businesses (WOSB), and 3 Economically Disadvantaged Women-Owned Small Businesses (EDWOSB).

The Government will examine the Top 31 highest technically rated Offerors within Pool 2 to determine how many of those Offerors certify as being HUBZone, SDVOSB, WOSB, and/or EDWOSB. If at least 3 representatives are already present for HUBZone, WOSB and EDWOSB and 2 representatives are already present for SDVOSB, no additional awards shall be made for those socio-economic subgroups. In the event that any particular socio-economic sub-group does not meet those thresholds in Pool 2, the Government will award to the next highest rated Offeror eligible for award (in addition to the Top 31 highest technically rated Offerors) within a given socio-economic subgroup until each socio-economic subgroup has met the threshold described above.

For example, offers are received for OASIS SB Pool 2. The 31 highest technically rated Offerors (with a fair and reasonable price) and additional socio-economic sub-groups eligible for award consist of the following:

- HUBZone: 1 representative in the 31 highest technically rated offers;
6 additional representatives eligible for award
- SDVOSB: 6 representatives in the 31 highest technically rated offers;
12 additional representatives eligible for award
- WOSB: 8 representatives in the 31 highest technically rated offers;
14 additional representatives eligible for award
- EDWOSB: 1 representative in the 31 highest technically rated offers;
0 additional representative eligible for award
- 8(a): Already has 3 representatives in Pool 2. No further action required.

In this example, based upon the 31 highest technically rated Offerors, no additional awards are necessary for SDVOSB, WOSB, and 8(a) because they all have at least 3 representatives in the Pool for those subgroups. However, the next 2 highest rated HUBZone Offerors out of the 6 additional representatives eligible for award would be granted an award regardless of their overall technical ranking. This would enable HubZone to have at least 3 representatives in Pool 2. For EDWOSB, no additional awards could be made because there aren't any additional representatives eligible for award. Since you need at least 2 representatives in a socio-economic subgroup to accomplish a competitive set-aside, competitive EDWOSB set-asides could not be performed until more EDWOSB companies were added to the contract through a future On-Ramp.

- (k) Once the Top 31 Offerors, including all ties at 31, and all additional socio-economic considerations have been accomplished, evaluations will cease and contract awards will be issued.

M.4. ACCEPTABILITY REVIEW

- (a) The Acceptability Review consists of submitting all the documents according to instructions, meeting all the minimum requirements set forth in Sections L.3 through Sections L.5.3.1., and passing the Acceptability Review set forth in Sections M.4.1. through M.4.3.1. paragraph (a).
- (b) Offerors that initially pass all the minimum criteria in the Acceptability Review will be further evaluated in accordance with Section M.5., including the evaluation for fair and reasonable pricing in accordance with Section M.6.

- (c) Offerors who fail any of the criteria listed in the Acceptability Review will be removed from consideration for award and notified, in writing, as soon as practicable.

M.4.1. VOLUME 1 – General

- (a) The Offeror's SF 33, Pool Qualification and Certification, Pool Qualification Projects, Proposal Checklist, Self-Scoring Worksheet, Professional Employee Compensation Plan, Uncompensated Overtime Policy, Modified Pre-Award Survey, Subcontracting Plan (if applicable), Meaningful Relationship Commitment Letters (if applicable), Existing Joint Venture or Partnership (if applicable), will be evaluated on an Acceptable/Unacceptable basis regarding whether the requested proposal submission information meets all the conditions for the information requested under each Subsection of L.5.1. and is considered acceptable, accurate, and complete.
- (b) The Offeror's Accounting System must be determined either acceptable/adequate or acceptable with a recommendation that a follow on audit be performed after the OASIS SB MA-IDIQ contract awards. If the Offeror's Accounting System is determined unacceptable/inadequate, the Offeror is ineligible for an OASIS SB MA-IDIQ contract award. In making this determination, GSA will decide whether Pre-Award Survey (SF 1408) is necessary or not. Even if an Offeror's Accounting System has been previously surveyed by DCAA, GSA has the discretion to request a follow-on survey of a previously surveyed Accounting System from DCAA. GSA reserves the right to not request a DCAA Pre-Award Survey (SF 1408) of an Offeror's Accounting System if the Offeror is not otherwise eligible for award in accordance with the Acceptability criteria herein.

M.4.2. VOLUME 2 - Responsibility

- (a) The overall responsibility determination will be evaluated on Acceptable/Unacceptable basis. In accordance with FAR Part 9, Offerors that are not deemed responsible will not be considered for award. An acceptable record of integrity and business ethics is required.
- (b) In making the determination of responsibility, information in the Federal Awardee Performance and Integrity Information System (FAPIS), the Excluded Parties List System (EPLS), the Offeror's Representations and Certifications (Section K), the Offeror's Qualification and Financial Information (GSA Form 527), and any other pertinent data will be evaluated regarding whether the requested proposal submission information meets all the conditions for the information requested and is acceptable, accurate, and complete.

M.4.3. VOLUME 3 – Relevant Experience

- (a) Any Primary and Secondary Relevant Experience information submitted must be in accordance with the instructions in Section L and substantiated by providing enough clear and convincing evidence within a Contract or Task Order document or other verifiable contractual documents to adequately support each minimum evaluation criteria or each evaluation criteria for additional points
- (b) The Offeror shall highlight each section/paragraph that corresponds to the evaluation element taking credit for minimum requirements and/or additional points.

M.4.3.1. Relevant Experience (Primary) Projects

- (a) The Offeror's Relevant Experience (Primary) Projects will be initially evaluated on an Acceptable/Unacceptable basis regarding whether the requested proposal submission information meets all the conditions for the information requested in Section L.5.3.1. and is considered acceptable, accurate, and complete.

- (b) If the Offeror chooses to submit Relevant Experience (Primary) Projects for OASIS SB NAICs/PSC Codes, Project Values, Performance/Integration of Additional Core Disciplines, Multiple Locations, Subcontracting/Teaming, Ancillary Support Services/Products, Cost-Reimbursement, and/or OCONUS locations, the Offeror must ensure all the requested proposal submission information meets all the conditions for the information requested in Section L.5.3.2. through L.5.3.2.8. and is considered acceptable, accurate, and complete.
- (c) Offerors who exceed the minimum acceptable Relevant Experience (Primary) Project requirements will be evaluated in accordance with Section M.5.

M.4.3.2. Relevant Experience (Secondary) Projects

- (a) If the Offeror chooses to submit Relevant Experience (Secondary) Projects for Mission Spaces and/or Multiple Award Contracts/Task Orders, the Offeror must ensure all the requested proposal submission information meets all the conditions for the information requested in Section L.5.3.3. through L.5.3.3.2. and is considered acceptable, accurate, and complete.
- (b) Offerors who have Relevant Experience (Secondary) Projects for Mission Spaces or Multiple Award Contracts/Task Orders will be evaluated in accordance with Section M.5.

M.4.4. VOLUME 4 – Past Performance

- (a) The Offeror must ensure all the requested proposal submission information for Past Performance is current, accurate, and complete in accordance with Section L.5.4.
- (b) The Offeror's Past Performance for Pool Qualification Projects and Relevant Experience (Primary) Projects will be evaluated on an Acceptable/Unacceptable basis in regards to meeting the minimum Past Performance Rating of 3.00. If any Project does not meet the minimum Past Performance Rating of 3.00, that Project would be ineligible for any further evaluation. To determine whether each Project submitted meets the minimum Acceptability score of 3.00, the rating methodology under Section M.5.2.4. will be used.
- (c) Only Relevant Experience (Primary) Projects are eligible for additional points for Past Performance as set forth in Section M.5.2.4.

M.4.5. VOLUME 5 – Systems, Certifications, and Clearances

- (a) If the Offeror chooses to submit Systems, Certifications, and/or Clearances, the Offeror must ensure all the requested proposal submission information is current, accurate, and complete in accordance with Section L.5.5. through L.5.5.10.
- (b) Offerors who have Systems, Certifications, and/or Clearances will receive additional points in accordance with Section M.5.3.

M.5. ADDITIONAL POINTS FOR PRIMARY AND SECONDARY PROJECTS

- (a) Offerors who meet the minimum requirements of the Acceptability review in accordance with Section M.4. will receive additional points for Primary and Secondary Projects in accordance with the following Sections M.5.1.1. through M.5.1.11.

- (b) The Offeror must provide clear and convincing evidence to substantiate the minimum requirements and additional points by providing confirmation within a Contract or Task Order document or other verifiable contractual documents necessary to support all the minimum requirements and each evaluation criteria taking credit for additional points. The Offeror shall highlight each section/paragraph in any contractual document that corresponds to the evaluation criteria taking credit for.

M.5.1. VOLUME 3 – Relevant Experience for Primary and Secondary Projects

M.5.1.1. Relevant Experience (Primary) Projects under an OASIS SB NAICS Code or PSC Code

- (a) For each Relevant Experience (Primary) Project submitted, the Offeror will receive 150 points if the Project has a reported NAICS Code or PSC Code associated to the Project that correlates directly to any of the NAICS Codes or PSC Codes identified in Section L.5.1.2. regardless if the same NAICS Code or PSC Code is duplicated across different Projects.
 - 1. Example 1: Projects 1 through 4 are under the same NAICS Code 541720 and Project 5 is under NAICS Code 541219. The Offeror receives the maximum 750 points.
 - 2. Example 2: Projects 1 through 3 are under NAICS Code 541219, Project 4 is under NAICS Code 541330, and Project 5 is under NAICS Code 541720. The Offeror receives 600 points since Project 4 is not a NAICS Code identified in Section L.5.1.2.
 - 3. Example 3: Projects 1 and 2 are under PSC Code R703, Project 3 is under NAICS Code 541712, and Projects 4 and 5 do not have a NAICS Code or PSC Code assigned to them since the Project was not awarded by the U.S. Federal Government. The Offeror receives 300 points since Project 3 is not a PSC Code identified in Section L.5.1.2. and Projects 4 and 5 do not have NAICS Codes associated to them.

M.5.1.2. Relevant Experience (Primary) Project Value

- (a) For each Relevant Experience (Primary) Project submitted, using the same average Annual Value calculation methods in Section L.5.3.1.(e)(1)(d), the Offeror will receive additional points as follows:
 - 1. Project averages \$750 Thousand or more on an annual basis, but less than \$2 Million on an annual basis including options is worth 25 points.
 - 2. Project averages greater than \$2 Million on an annual basis but, less than \$4 Million on an annual basis, including options is worth 50 points.
 - 3. Project averages greater than \$4 Million on an annual basis but, less than \$6 Million on an annual basis, including options is worth 75 points.
 - 4. Project averages greater than \$6 Million on an annual basis is worth 100 points.

M.5.1.3. Relevant Experience (Primary) Project with Performance/Integration of Additional Core Disciplines

- (a) For each Relevant Experience (Primary) Project submitted, the Offeror will receive the following additional points if the Project involves the Performance and/or Integration of the following:
 - 1. 4 out of the 6 OASIS SB Core Disciplines is worth 50 points.
 - 2. 5 out of the 6 OASIS SB Core Disciplines is worth 75 points.

3. 6 out of the 6 OASIS SB Core Disciplines is worth 100 points.

M.5.1.4. Relevant Experience (Primary) Project with Multiple Locations

- (a) For each Relevant Experience (Primary) Project submitted, the Offeror will receive the following additional points if the Project involves Performance in Multiple Locations as follows:
 1. Project performed in at least 2 and up to 4 different locations is worth 50 points.
 2. Project performed in 5 or more different locations is worth 100 points.
- (b) Within CONUS, the May 2015 Metropolitan and Nonmetropolitan Area Definitions Microsoft Excel spreadsheet (XLS) located at http://www.bls.gov/oes/current/msa_def.htm shall be used to determine the number of locations a Project covers, specifically the MSA Code under Column D.
 1. Example 1: The Project involves work in two separate locations in two separate counties (Bibb and Blount Counties Alabama). Column D of the XLS spreadsheet indicates Birmingham-Hoover Alabama area with an MSA Code of 13820. Since both Bibb and Blount counties are within the same MSA code of 13820, this Project is only considered 1 location and no additional points will be given.
 2. Example 2: The Project involves work in two separate locations; Birmingham-Hoover Alabama and Decatur Alabama. Since Column D of the XLS spreadsheet indicates Birmingham-Hoover and Decatur are not within the same MSA code (13820 and 19460), this Project is considered 2 locations worth 50 points.
- (c) Anything OCONUS will be considered a single location at the Metropolitan city level.
- (d) Travel Duty (TDY) assignments less than 30 days for contract employees do not count for any location.

M.5.1.5. Relevant Experience (Primary) Project with Subcontracting/Teaming

For each Relevant Experience (Primary) Project submitted, the Offeror will receive 100 points if the Project involves Subcontracting/Teaming for services with at least 3 separate entities or consultants. For the purposes of this evaluation, a "separate" entity or consultant is defined as a business entity or consultant that does not have a Meaningful Relationship Commitment Letter (MCRL) with the Offeror in accordance with Section L.5.1.9.

M.5.1.6. Relevant Experience (Primary) Project with Ancillary Support Services and/or Products

- (a) For each Relevant Experience (Primary) Project submitted, the Offeror will receive 50 points if the Project involves Ancillary Support Services and/or 50 points if the Project involves Ancillary Support Products.
- (b) For the purposes of this evaluation, Ancillary Support Services are defined as services that are not included in the primary scope of work of the Project, but rather, are in addition to the primary scope of work, but are integral and necessary to the overall requirement. For example, a contract that the primary scope of work is for engineering services also contains a requirement to provide training about engineering changes. The training component would be considered Ancillary Support Services.

- (c) For the purposes of this evaluation, Ancillary Support Products are considered Government Property in the form of Equipment, Materials, Special Test Equipment, Special Tooling, and/or Property as defined in FAR 52.245-1, Government Property that has been purchased by the contractor in support of a services Project. In order to receive these additional points, Offerors need to provide documentation demonstrating what the products were and where the products were called for in the contractual agreement. For example, the Task Order statement of work contains a materials contract line item.

M.5.1.7. Relevant Experience (Primary) Project with Cost-Reimbursement (any type)

For a maximum of 2 Relevant Experience (Primary) Projects submitted, the Offeror will receive 100 points for each Project that is predominately Cost-Reimbursement in total dollar value, including any of the Cost type definitions under FAR Subpart 16.3.

M.5.1.8. Relevant Experience (Primary) Project with OCONUS Locations

- (a) For a maximum of 2 Relevant Experience (Primary) Projects submitted, the Offeror will receive 100 points for each Project that involves work at a location Outside the Continental United States (OCONUS).
- (b) Travel Duty (TDY) assignments less than 30 days for contract employees do not count for any location.

M.5.1.9. Relevant Experience (Secondary) Projects

Relevant Experience (Secondary) Projects are not mandatory requirements, however, Offeror's who have performed in multiple Mission Spaces and have executed Multiple Award Contracts/Task Orders are considered more favorably.

M.5.1.10. Relevant Experience (Secondary) Projects with Mission Spaces

- (a) For each Relevant Experience (Secondary) Project submitted, the Offeror will receive additional points if the Project involves multiple Mission Spaces as follows:
 1. Project performed in at least 2 Mission Spaces is worth 50 points.
 2. Project performed in at least 3 Mission Spaces is worth 100 points.
 3. Project performed in at least 4 Mission Spaces is worth 150 points.
 4. Project performed in at least 5 Mission Spaces is worth 200 points.
- (b) "Mission Spaces" is defined as any U.S. Federal Government Agency that awarded the Contract/Task Order/Single Award IDIQ or BPA for any U.S. Federal Government Project. There are 5 distinct Mission Spaces defined below. If a particular agency is not listed within a particular Mission Space, the umbrella agency takes precedence (e.g., Department of Air Force and all its Commands would fall under Department of Defense or Mission Space #1). If a particular agency is not listed and does not fall under an umbrella agency, then the Project would be given credit under Mission Space #5 only (e.g., Federal Deposit Insurance Corporation would fall under Mission Space #5).

- (c) Each U.S. Federal Government Project will only be given credit for a single Mission Space, based upon the awarding agency unless the awarding agency conducted the procurement on behalf of a customer agency. If procurement has been conducted and awarded on behalf of a customer agency, credit for a single Mission Space will be based upon the customer agency. For example, GSA awarded a Task Order on behalf of the Department of State; therefore, the Department of State gets the credit under Mission Space #1, not GSA under Mission Space #3.
- (d) Once a Mission Space is covered, additional credit for the same Mission Space is not given. The combination of all U.S. Federal Government Projects will determine how many Mission Spaces are given credit for. For example, 3 U.S. Federal Government Projects are submitted. Of those 3 Projects, 1 Project was awarded by the Air Force Materiel Command (AFMC), 1 Project was awarded by the Naval Air Systems Command (NAVAIR), and 1 Project was awarded by the Federal Deposit Insurance Corporation (FDIC). The total credit for these 3 Projects is 2 Mission Spaces (i.e., Mission Space #1 for AFMC and NAVAIR and Mission Space #5 for FDIC).
- (e) Here are the following Mission Space Categories for evaluation:
1. Mission Space #1 (Protection and Defense): Protecting American interests at home and abroad through security and diplomacy.
 - a. Department of Defense
 - b. Department of Homeland Security
 - c. Department of Justice
 - d. Department of State
 - e. Central Intelligence Agency
 - f. Federal Bureau of Investigation
 2. Mission Space #2 (Quality of Life): Improving the quality of life for Americans and others throughout the world.
 - a. Department of Education
 - b. Department of Health and Human Services
 - c. Department of Veterans Affairs
 - d. US Agency for International Development
 - e. Department of Housing and Urban Development
 - f. National Aeronautics and Space Administration
 - g. Peace Corps
 3. Mission Space #3 (Commerce): Maintaining and improving commerce and economic growth, stability and prosperity in America.
 - a. Department of Commerce
 - b. Department of Treasury
 - c. Small Business Administration
 - d. Department of Labor
 - e. Department of Transportation
 - f. Social Security Administration
 - g. General Services Administration
 - h. Federal Reserve
 - i. Securities and Exchange Commission

4. Mission Space #4 (Natural Resources): Protecting America's great outdoors and natural resources.
 - a. Department of Agriculture
 - b. Department of Interior
 - c. Department of Energy
 - d. Environmental Protection Agency
 - e. Nuclear Regulatory Commission
 - f. Tennessee Valley Authority
5. Mission Space #5 (Other):
 - a. All other U.S. Federal Government Agencies, Independent U.S. Federal Government Agencies, U.S. Federal Government Corporations not listed above. For validation purposes, the Government will use the directory of Agencies listed under www.usa.gov

M.5.1.11. Relevant Experience (Secondary) Projects with Multiple Award Contracts/BPAs and Task Orders

- (a) A Relevant Experience (Secondary) Project Multiple Award Contracts (MAC) is defined as a Multiple Award Indefinite Delivery, Indefinite Quantity (IDIQ) Task Order Contract in accordance with FAR 16.501-1 and 16.504.
- (b) A Multiple Award Blanket Purchase Agreement (BPA) is defined in accordance with FAR 8.405-3 or FAR 13.303.
- (c) GSA Multiple Award Schedules (MAS) themselves are not considered MACs or BPAs and are not eligible under this Section
- (d) For each Relevant Experience (Secondary) Project submitted, the Offeror will receive additional points if the Project involves Multiple Award Contracts(MACs) or Blanket Purchase Agreements (BPAs) with Task Orders as follows:
 - (1) A combination of 2 MACs/BPAs with at least 4 total Task Order awards and at least 2 Task Orders must have been awarded under each MAC or BPA is worth 50 points.
 - (2) A combination of 5 MACs/BPAs with at least 10 total Task Order awards and at least 2 Task Orders must have been awarded under each MAC or BPA is worth 100 points.
 - (3) A combination of 10 MACs/BPAs with at least 20 total Task Order awards and at least 2 Task Orders must have been awarded under each MAC or BPA is worth 150 points.

M.5.2. VOLUME 4 – Past Performance

- (a) Past Performance for Pool Qualification Projects in accordance with Section L.5.1.2. and Relevant Experience (Primary) Projects submitted in accordance with Section L.5.3. will be evaluated as follows:
 1. If an interim or final PPIRS/CPARS report is available, the Offeror must use PPIRS/CPARS as the basis for their past performance, regardless if an Award Fee determination (in accordance with FAR 16.401) was done on the Project.
 2. If an interim or final PPIRS/CPARS report is not available and an Award Fee determination is available, the Offeror must use the Award Fee determination as the basis for their past performance.

3. If an interim or final PPIRS/CPARS report is not available and an Award Fee Determination is not available or not applicable, the Offeror must use a Past Performance Rating Plan
- (b) For any Project submitted, if the combined average is at least 3.00 – Satisfactory, the Offeror will pass Acceptability. If the combined average is 2.99 or below, the Offeror will fail Acceptability and will not be considered for award.
- (c) Offerors who exceed the minimum past performance requirements for Acceptability, each Relevant Experience (Primary) Project will receive additional points as follows:
 1. Past Performance average score of 3.50 to 3.74 is worth 350 points.
 2. Past Performance average score of 3.75 to 3.99 is worth 450 points.
 3. Past Performance average score of 4.00 to 4.24 is worth 550 points.
 4. Past Performance average score of 4.25 to 4.49 is worth 600 points.
 5. Past Performance average score of 4.50 to 4.74 is worth 700 points.
 6. Past Performance average score of 4.75 to 5.00 is worth 800 points.

M.5.2.1. Past Performance ((PPIRS) information exists)

- (a) For each Project with an interim or final past performance evaluation in PPIRS that links to CPARS will already have Adjectival Ratings from the table below.
- (b) In accordance with the following table, an average point value will be assigned based on each adjectival rating that was given a score. If any of the past performance criteria were not assigned an adjectival rating, that criteria will not be averaged into the final score.

Point Value	Adjectival Rating	Definition
5	Exceptional	Performance meets contractual requirements and exceeds many to the Government's benefit. The element being assessed was accomplished with few minor problems for which corrective actions taken by the Contractor were highly effective
4	Very Good	Performance meets contractual requirements and exceeds some to the Government's benefit. The element being assessed was accomplished with some minor problems for which corrective actions taken by the Contractor were effective
3	Satisfactory	Performance meets contractual requirements. The element being assessed contains some minor problems for which corrective actions taken by the Contractor appear or were satisfactory
1	Marginal	Performance does not meet some contractual requirements. The element being assessed reflects a serious problem for which the Contractor has not yet identified corrective actions.
0	Unsatisfactory	Performance does not meet most contractual requirements and recovery is not likely in a timely manner. The element being assessed contains a serious problem(s) for which the Contractor's corrective actions appear or were ineffective.

M.5.2.2. Past Performance (Award Fee Determination exists)

- (a) For each Project where no interim or final past performance evaluation in PPIRS that links to CPARS exists but, there is an Award Fee evaluation, the Award Fee evaluation will have an adjectival rating from the table below.
- (b) In accordance with the table, a point value will be assigned the adjectival rating.

Point Value	Adjectival Rating	Award-Fee Pool Available to Be Earned	Description
5	Exceptional	91% - 100%	Contractor has exceeded almost all of the significant award-fee criteria and has met overall cost, schedule, and technical performance requirements of the contract in the aggregate as defined and measured against the criteria in the award-fee plan for the award-fee evaluation period.
4	Very Good	76% - 90%	Contractor has exceeded many of the significant award-fee criteria and has met overall cost, schedule, and technical performance requirements of the contract in the aggregate as defined and measured against the criteria in the award-fee plan for the award-fee evaluation period.
3	Satisfactory	51% - 75%	Contractor has exceeded some of the significant award-fee criteria and has met overall cost, schedule, and technical performance requirements of the contract in the aggregate as defined and measured against the criteria in the award-fee plan for the award-fee evaluation period.
1	Marginal	No Greater than 50%	Contractor has met overall cost, schedule, and technical performance requirements of the contract in the aggregate as defined and measured against the criteria in the award-fee plan for the award-fee evaluation period.
0	Unsatisfactory	0%	Contractor has failed to meet overall cost, schedule, and technical performance requirements of the contract in the aggregate as defined and measured against the criteria in the award-fee plan for the award-fee evaluation period.

M.5.2.3. Past Performance ((PPIRS) information or Award Fee Determination does not exist)

- (a) For each Project where no interim or final past performance evaluation in PPIRS that links to CPARS exists and no Award Fee evaluation exists, the Past Performance Rating Form will have an adjectival rating and corresponding point value from the table below.
- (b) An average point value will be assigned that was given a score. If any of the past performance criteria were not given a score, that criteria will not be averaged into the final score

Point Value	Adjectival Rating	Definition
5	Exceptional	Performance meets contractual requirements and exceeds many to the Government's benefit. The element being assessed was accomplished with few minor problems for which corrective actions taken by the Contractor were highly effective
4	Very Good	Performance meets contractual requirements and exceeds some to the Government's benefit. The element being assessed was accomplished with some minor problems for which corrective actions taken by the Contractor were effective

3	Satisfactory	Performance meets contractual requirements. The element being assessed contains some minor problems for which corrective actions taken by the Contractor appear or were satisfactory
1	Marginal	Performance does not meet some contractual requirements. The element being assessed reflects a serious problem for which the Contractor has not yet identified corrective actions.
0	Unsatisfactory	Performance does not meet most contractual requirements and recovery is not likely in a timely manner. The element being assessed contains a serious problem(s) for which the Contractor's corrective actions appear or were ineffective.

M.5.2.4. Past Performance Scoring Example

For example purposes only. This scenario is only an example to help Offerors understand how to calculate their past performance score for the Acceptability Review for all projects submitted and for each Relevant Experience (Primary) Projects submitted in their Self-Scoring Worksheet (Section J.5.1.)

PROJECT 1: Past performance under Project 1 an Offeror receives the following Scores under the most current interim or final PPIRS:

Very Good for Quality of Service:	4
Satisfactory for Schedule:	3
No Rating for Cost Control:	N/A (Neutral)
Satisfactory for Business Relations:	3
Exceptional for Management of Key Personnel:	5
No Rating for Utilization of Small Business:	<u>N/A (Neutral)</u>
Total Number of Points:	15
15 Points divided by the Number of Scored Elements (4) = 3.75 for Project 1	
3.75 for Project 1 = 350 Points	

PROJECT 2: Past performance under Project 2 an Offeror receives the following Scores under a Past Performance Rating Form (Section J.8):

Very Good for Quality of Service:	4
Very Good for Schedule:	4
Satisfactory for Cost Control:	3
Very Good for Business Relations:	4
Very Good for Management of Key Personnel:	4
No Rating for Utilization of Small Business:	<u>N/A (Neutral)</u>
Total Number of Points:	19
19 Points divided by the Number of Scored Elements (5) = 3.80 for Project 2	
3.80 for Project 2 = 450 Points	

PROJECT 3: Past performance under Project 3 an Offeror receives the following Scores under an Award Fee Determination (PPIRS does not exist):

Satisfactory Award Fee Determination	<u>3</u>
Total Number of Points:	3
3 Points divided by the Number of Scored Elements (1) = 3.00 for Project 3	
3.00 for Project 3 Passes Acceptability but = 0 Additional Points.	

PROJECT 4: Past performance under Project 4 an Offeror receives the following Scores under the most current interim or final PPIRS:

Exceptional for Quality of Service:	5
Very Good for Schedule:	4
Very Good for Cost Control:	4
Exceptional for Business Relations:	5

Exceptional for Management of Key Personnel: 5
No Rating for Utilization of Small Business: N/A (Neutral)
Total Number of Points: 23
23 Points divided by the Number of Scored Elements (5) = 4.60 for Project 4
4.60 for Project 4 = 700 Points

PROJECT 5A: Past performance under Project 5 is a "Collection of Task Orders" under a Single-Award IDIQ. The Offeror submits 3 Task Orders under the Single-Award IDIQ. 1 Task Order is in PPIRS and 2 Task Orders are from a Past Performance Rating Form (No PPIRS exists). For calculating Past Performance, a Collection of Task Orders" is averaged into a single Project as follows:

Task Order 1:
Very Good for Quality of Service: 4
Very Good for Schedule: 4
Very Good for Cost Control: 4
Very Good for Business Relations: 4
Very Good for Management of Key Personnel: 4
No Rating for Utilization of Small Business: N/A (Neutral)
Total Number of Points: 20
20 Points divided by the Number of Scored Elements (5) = 4.00 for "Task Order 1"

Task Order 2:
Satisfactory for Quality of Service: 3
Very Good for Schedule: 4
Satisfactory for Cost Control: 3
Very Good for Business Relations: 4
Satisfactory for Management of Key Personnel: 3
No Rating for Utilization of Small Business: N/A (Neutral)
Total Number of Points: 17
17 Points divided by the Number of Scored Elements (5) = 3.40 for "Task Order 2"

Task Order 3:
Exceptional for Quality of Service: 5
Exceptional for Schedule: 5
Very Good for Cost Control: 4
Very Good for Business Relations: 4
Satisfactory for Management of Key Personnel: 3
No Rating for Utilization of Small Business: N/A (Neutral)
Total Number of Points: 21
21 Points divided by the Number of Scored Elements (5) = 4.20 for "Task Order 3"
The average of Task Order 1 through 3 is $(4.00 + 3.40 + 4.20) / 3$ Task Orders = 3.87
3.87 for Project 5 = 450 Points

Grand Total Score for Projects 1 through 5A is:

Project 1: 350
Project 2: 450
Project 3: 0
Project 4: 700
Project 5: 450
Grand Total: 1,950 Points for Past Performance on Relevant Experience (Primary) Projects

M.5.3. VOLUME 5 – Systems, Certifications, and Clearances

- (a) Other than Accounting Systems, Systems, Certifications, and Clearances are not mandatory requirements,
- (b) Offeror's who have approved Systems, Certifications and Clearances are considered more favorably.
- (c) Offerors must provide legal, verifiable, documentation in accordance with the standards set forth in Section L.5.5. through Section L.5.5.10.
- (d) Each verifiable System, Certification, and Clearance will receive additional points as follows:
 - 1. Approved Purchasing System is worth 500 points.
 - 2. Current FPRA, FPRR, and/or Approved Billing Rates is worth 200 points.
 - 3. EVMS ANSI/EIA Standard-748 is worth 200 points.
 - 4. Acceptable Estimating System is worth 200 points.
 - 5. CMMI Maturity Level 2 is worth 100 points.
 - 6. CMMI Maturity Level 3 or higher is worth 200 points.
 - 7. ISO 9001:2008 Certification is worth 200 points.
 - 8. ISO 17025 Certification is worth 100 points.
 - 9. ISO 14001:2004 Certification is worth 100 points.
 - 10. AS9100 Certification is worth 100 points.
 - 11. Secret Facility Clearance is worth 100 points.
 - 12. Top Secret Facility Clearance is worth 200 points.

M.6. SCORING TABLE

The following Table provides all the possible scoring for each evaluation element:

Section	Element	Point Value	Number of Potential Occurrences	Total Max Points Per Element	Max Point Value
L.5.3.	VOLUME 3 – RELEVANT EXPERIENCE				
L.5.3.2.1.	Relevant Experience (Primary) Project under an OASIS SB NAICS Code or PSC Code:				
	Project reported under a NAICS Code that correlates directly to an OASIS SB NAICS Code or PSC Code in Section L.5.1.2.	150	5	750	750
L.5.3.2.2.	Relevant Experience (Primary) Project Value:				
	Project valued at \$750 thousand or more on an annual basis but, less than \$2 Million on an annual basis, including options	25	5	125	
	Project valued at \$2 Million or more on an annual basis but, less than \$4 Million on an annual basis, including options	50	5	250	
	Project averages \$4 Million or more on an annual basis but, less than \$6 Million on an annual basis, including options	75	5	375	
	Project averages \$6 Million or more on annual basis, including options	100	5	500	500
L.5.3.2.3.	Relevant Experience (Primary) Projects with Performance/Integration of Additional Core Disciplines:				
	Project involves the performance and/or integration of 4 out of 6 Core Disciplines	50	5	250	
	Project involves the performance and/or integration of 5 out of 6 Core Disciplines	75	5	375	
	Project involves the performance and/or integration of all 6 Core Disciplines	100	5	500	500
L.5.3.2.4.	Relevant Experience (Primary) Projects with Multiple Locations:				
	Project performed in 2 to 4 different locations	50	5	250	
	Project performed in 5 or more different locations	100	5	500	500
L.5.3.2.5.	Relevant Experience (Primary) Projects with Subcontracting/Teaming:				
	Project involves subcontracting/teaming for services with at least 3 separate entities	100	5	500	500
L.5.3.2.6.	Relevant Experience (Primary) Projects with Ancillary Support Services and Products:				
	Project includes Ancillary Support Services	50	5	250	
	Project includes Ancillary Support Products	50	5	250	500
L.5.3.2.7.	Relevant Experience (Primary) Projects with Cost Reimbursement (any type):				
	Contract Type is predominately Cost-Reimbursement (includes all Cost type under FAR 16.3) (Limited to 2 out of 5 Projects for scoring purposes only)	100	2	200	200
L.5.3.2.8.	Relevant Experience (Primary) Projects with OCONUS locations:				
	Project includes OCONUS work (Limited to 2 out of 5 Projects for scoring purposes only)	100	2	200	200
L.5.3.3.1.	Relevant Experience (Secondary) Projects with Mission Spaces:				
	Offeror has been awarded Projects in at least 2 different Mission Spaces but, no more than 2	50	1	50	
	Offeror has been awarded Projects in at least 3 different Mission Spaces but, no more than 3	100	1	100	
	Offeror has been awarded Projects in at least 4 different Mission Spaces but, no more than 4	150	1	150	
	Offeror has been awarded Projects in at least 5 different Mission Spaces	200	1	200	200
L.5.3.3.2.	Multiple Award Contracts/Task Orders:				
	Offeror has been awarded at least 2 Multiple Award Contracts but, no more than 5 Multiple Award Contracts, with at least 4 total Task Order awards combined. At least 2 Task Orders must have been awarded under each Multiple Award Contract.	50	1	50	
	Offeror has been awarded at least 5 Multiple Award Contracts but, not more than 10 Multiple Award Contracts, with at least 10 total Task Order awards combined. At least 2 Task Orders must have been awarded under each Multiple Award Contract	100	1	100	
	Offeror has been awarded at least 10 Multiple Award Contracts with at least 20 total Task Order awards combined. At least 2 Task Orders must have been awarded under each Multiple Award Contract	150	1	150	150
				MAX VOL. 3 Points	4,000

L.5.4.	VOLUME 4 – PAST PERFORMANCE					
L.5.4.1. through L.5.4.3.	Relevant Experience (Primary) Projects (Past Performance)					
	Average scoring of 3.50 to 3.74	350	5	1750		
	Average scoring of 3.75 to 3.99	450	5	2250		
	Average scoring of 4.00 to 4.24	550	5	2750		
	Average scoring of 4.25 to 4.49	600	5	3000		
	Average scoring of 4.50 to 4.74	700	5	3500		
	Average scoring of 4.75 to 5.00	800	5	4000	4,000	
				MAX VOL. 4 Points	4,000	
L.5.5.	VOLUME 5 – SYSTEMS, CERTIFICATIONS, AND CLEARANCES					
L.5.5.1. through L.5.5.4.	Government Systems:					
	Approved Purchasing System	500	1	500	500	
	Current FPRA, FPRR, and/or Approved Billing Rates	200	1	200	200	
	EVMS ANSI/EIA Standard-748	200	1	200	200	
	Acceptable Estimating System	200	1	200	200

M.7. COST/PRICE

- (a) The Offeror must ensure all the requested proposal submission information is current, accurate, and complete in accordance with Section L.6. and Section J.9. Attachment (9), Cost/Price Template.
- (b) The Offerors' cost/price proposal will be used to determine whether the ceiling rates proposed for each labor category are fair and reasonable in order to establish ceiling rates for Sole Source Time and Material/Labor Hour contract types in accordance with Section B.2.5.1.
- (c) For each proposed direct labor rate for all 104 labor categories (both Government Site and Contractor Site), the basis of fair and reasonableness will be the Department of Labor (DOL) Bureau of Labor Statistics (BLS) Service Occupational Classifications (SOC) direct labor rate ranges as explained in Section L.6.1. and provided in Section J.2. Attachment (2), Direct Labor Rate Ranges.

- (d) For each Indirect rate, the basis of fair and reasonableness will be the Offeror's most current approved billing rates, forward pricing rate agreements, and/or acceptable accounting system generated rates for each OASIS SB labor category.
- (e) For Profit, the basis of fair and reasonableness will be no more than 7% for each OASIS SB labor category as explained in Section L.6.2.
- (f) If an Offeror does not meet one or more of these parameters for any labor category, the Offeror is strongly advised to provide clear and convincing rationale to support the proposed direct/indirect and/or profit rate(s). In the event the rationale is not determined reasonable, the proposal will be deemed to have a ceiling rate(s) that is not considered fair and reasonable and the proposal would not be eligible for award, regardless of technical score.
- (g) Cost/Price proposals may only be modified as a result of discussions and Offerors are advised that the Government intends to make award based on initial proposals without discussions.
- (h) An offer may be rejected if any 1 or more required submittals is missing or incomplete on the Cost/Price Template in accordance with Section J.9., Attachment (9) or, the Government determines the lack of balanced pricing poses an unacceptable risk to the Government.

(END OF SECTION M)
